

LELY RESORT SIGNAGE REGULATIONS

The following information is provided for Lely developers, builders, architects, engineers, real estate sale persons, and owners as to the type, size, number and design of signs allowed within Lely Resort.

Prior to specifying, purchasing or installing any sign, the individual should submit a signage plan for approval to the Lely Resort Sales Center - This will eliminate any confusion as to the interpretation of the following specifications.

Stock Development reserves the right to authorize changes and/or variations to the Signage Program as deemed necessary. Any change and/or variation must be approved in writing by Stock Development

Any sign placed within Lely Resort is the responsibility of the property owner and person responsible for the installation of the sign. At all times, the signs must be maintained, clean, neat, straight and in good repair. All signs must be removed within seven (7) days after contract sale, or end of listing contract. Any sign found not meeting the specifications or requirements of this Program would be removed and disposed of without notice. Stock Development will not be responsible for any stolen or damaged signs.
