ARTICLE III

USE RESTRICTIONS * See Section 2.1(a) above.

- 3.1 "Governance" The Master Property Owners Association (MPOA) must establish and maintain a standing committee hereafter referred to as the Master Architectural Review Committee (MARC). The purpose and authority of the MARC is to: (1) to adopt, maintain, amend from time to time, and enforce a set of standard and consistent architectural and landscaping guidelines (the MARC Guidelines) for the membership, (2) if requested to assist Homeowners Associations, Condominium Associations and Commercial Property Establishments (each known as a Property Controlling Organization or PCO) within the Lely Resort community in identifying the steps required when establishing architectural and landscape standards of their own and making significant changes or improvements to properties within the Lely Resort community, (3) monitor architectural and landscaping rules and restrictions adopted by any PCO within the Lely Resort community. The MARC will provide guidance whether PCO rules and restrictions violate, conflict with, or contradict the ARTICLES OF INCORPORATION, the DECLARATION OF GENERAL COVENANTS. CONDITIONS AND RESTRICTIONS FOR LELY RESORTS, the BY-LAWS OF LELY RESORT MASTER PROPERTY OWNERS' ASSOCIATION. INC, and the Board Adopted RULES AND REGULATIONS (collectively known as the MPOA Governing Documents) and the MARC Guidelines, (4) provide interpretations of the rules and restrictions in the MPOA Governing Documents and the MARC Guidelines for any PCO or Members and Owners where ambiguities or inconsistencies arise, (5) if requested, review proposed architectural and landscaping changes, modifications or improvements designed to maintain a harmonious and aesthetically pleasing design in accordance with the established scheme for the Lely Resort community: and use reasonable efforts to protect and enhance property values, (6) approve all changes and additions to common areas within Lely Resort outside the boundaries of the individual PCO and easements, (7) monitor the maintenance of properties within Lely Resort both personal and commercial regarding their adherence with safe and generally accepted schematically ~~aesthetically~~ appropriate standards. and (8) bring violations to the attention of the MPOA or PCO for purposes of enforcement by the MPOA or PCO as applicable. The MARC is not primarily responsible for: (i) the approval, governance or enforcement of any architectural or landscaping rule imposed by an individual PCO as long as such rule does not conflict with the MPOA Governing Documents or the MARC Guidelines, or (ii) resolving disputes between a PCO, and Members and Owners, unless said dispute arises from a conflict or contradiction between the PCO's governing documents and the MPOA Governing Documents or the MARC Guidelines.

However, the MARC may serve as a mediator in the event of a dispute between a PCO and its members. In the event of an inconsistency between the MARC Guidelines and the MPOA Governing Documents, the MPOA Governing Documents shall control. Any and all restrictions shall be enforced according to state and federal law.

- 3.3 “Approval of Plans” No buildings or structures of any kind shall be constructed or placed upon any Plot, nor any existing building or structure be altered in exterior appearance in any way until the plans, specifically including the structural plans therefore, have been approved in writing by either the PCO with governing authority over the Plot or, if the PCO fails to timely act, the MPOA/MARC. Refusal of approval of such plans may be based upon any lawful and reasonable ground, including purely aesthetic grounds, ~~and/or~~ lack of adherence to scheme of the community and shall be solely within the discretion of the PCO with governing authority over the Plot, or if the PCO fails to timely act, the MPOA/MARC. The approval by the PCO with governing authority over the Plot or, if the PCO fails to timely act, the MPOA/MARC, its successors or assigns, of the construction or alteration of any building or structure shall be conditioned upon, but not limited to the following requirements: Each Member or Owner, prior to the commencement of any improvement shall: (1) submit initial plans, including a site analysis, schematic landscape plan, floor plan and exterior elevation; and (2) submit final plans which shall include color and materials selections, landscape plan, final site plan and complete set of construction plans and specifications. After receipt of each required submittal PCO with governing authority over the Plot or, if the PCO fails to timely act, the MPOA/MARC shall, in writing, approve, reject or approve subject to change, such required plans, proposals and specifications as submitted. If any improvement is constructed or altered without the prior written approval of the PCO with governing authority over the Plot or, if the PCO fails to timely act, the MPOA/MARC, the Member or Owner shall, upon demand of the PCO with governing authority over the Plot or, if the PCO fails to timely act, the MPOA/MARC, cause such improvement to be removed, remodeled or restored in order to comply with the requirements of this section. The Member or Owner shall be liable for the payment of all costs of such removal or restoration, including all costs and attorney’s fees incurred by the PCO with governing authority over the Plot or, if the PCO fails to timely act, the MPOA/MARC. Such costs will be the basis for an individual assessment. A Member or Owner must obtain approval from the PCO with governing authority over the Plot first. A PCO may request an opinion of compliance from the MARC for any such alteration.

3.26 “Variances”

- (a) The MPOA/MARC may authorize variances from compliance with any of the architectural provisions of this Declaration when circumstances such as topography, natural obstructions, hardship, ~~aesthetic~~scheme, or environment dictate which must be signed by at least two (2) members of the MPOA/MARC. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matters for which the variances were granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall it affect in any way the Member's or Owner's obligation to comply with all governmental

laws and regulations affecting his or her use of the Lot, including, but not limited to, zoning ordinances and setback lines or requirements imposed by any governmental or municipal authority. The MPOA Board of Directors may overrule and void any variance granted by the MARC if such action is taken within twenty (20) days from the date the variance is granted.
