

For LEARNING SPANISH > WORKSHOPS FOR STUDENTS

3 + 1 POWERFUL STRATEGIES FOR LANGUAGE LEARNING

This workshop introduces 3+1 strategies that make learning simpler, more productive, and enjoyable. We explore:

- What motivates you to learn Spanish?
- What kind of language input is best for you?
- What is one of the best ways to develop the four skills (speaking, listening, writing, and reading)?
- What aspects of the language do you need to focus on to be a competent and confident speaker of the language?

HOW TO GET NEW VOCABULARY TO “STICK” IN YOUR MIND

This workshop offers you strategies that facilitate memorisation and use of new vocabulary. We look at:

- The vital role of emotions in language learning
- Key strategies for effective vocabulary learning
- A sequence of steps that helps new vocabulary to “stick” in your mind
- Resources that help you increase your vocabulary.

SUCCESS IN SIMPLE STEPS: FLASHCARDS

In this workshop, we discuss how to use flashcards to expand your vocabulary and to learn grammatical structures well. We discover:

- What makes flashcards so effective?
- What is the best way to design them?
- How and when is it best to use them?
- What benefits do students of Spanish experience from using flashcards?
