GREEN SPACE VOLUNTEERS

We had a great turn out this past Wednesday for our first community meeting for the green space. Sharon did a great job leading the meeting, and we all agreed to start slow. The goal now, is to simply clean up the green space, create some walking paths with maybe a few concrete benches to make it more inviting for all of us to use and enjoy. Please join in this coming Tuesday Feb 3rd at 9am at the dumpster for our first work party. Bring your gloves, rakes, and/or other gardening tools and let's have some fun.

2026 RESIDENT PASSES

2026 Resident Passes and wrist bands are available at guardhouse upon 2026 dues payment or quarterly installment.
