

Playa de Oro - May Newsletter 2026

We promise to be clear and accessible in all our activities, and will strive to keep the community informed and engaged

Our First BOD Meeting

Our first BOD meeting was held at the lower pool palapa and via ZOOM on April 18, 2026. It was a rough start as we sorted out how to hold meetings both in person and over Zoom. Noise and technical difficulties were a challenge and we are working to solve those problems. The UNAPPROVED minutes are available by [clicking here](#). The minutes will be approved at the next BOD meeting, and if there are changes you'll be able to see them on our website. Go easy on the rookie BOD Secretary!

Next BOD Meeting: June 20, 2026 at the Lower Pool Palapa and on Zoom. Townhall meeting @ 9:30 am, BOD meeting at 10:00 am. The agenda will be sent out the week of the meeting.

Mexican Holidays in May

- May 1st - Labor Day
- May 5th - Battle of Puebla (Cinco de Maya)
- May 10th - Mother's Day
- May 14th - Ascension Day
- May 15th - Teacher's Day
- May 24th - Whit Sunday

PDO Committees

Newsletter Committee Update:

We don't have one! If you are interested in helping put together our Monthly Newsletter, please send a note to Sarah, BOD Secretary - sarah.k.little@gmail.com

First thing the committee needs to do is come up with a new name for the newsletter! Something more fun than PDO Newsletter. Any ideas?

Pool Committee Update:

- **Big News from La Vaquita!** Many of you know that the pool committee spent much of the Winter working with La Vaquita to come up with a “pool sharing” plan. Dan Hagar was key in the discussions and went above and beyond to put this agreement in place, but in the end we decided to table the discussion for now. As a result of these discussions, we’ve developed a very good relationship with the owner(s) of La Vaquita Restaurants and the La Vaquita Market. They have generously extended an amazing deal to residents of PDO. **Many thanks to Dan Hagar for spearheading this effort and building such goodwill with La Vaquita.** [Click here to see the details](#)
- There is a lot of deferred maintenance at our pool area, including the handicapped access to the bathrooms. The ramp is cracked and needs repair, we are considering options for repair and resurface.
- The chairs and tables are in very poor condition and need to be replaced. We are considering options and costs. Stay tuned!

Green Space Committee Update:

- The “Chip ‘n Putt” course is complete, with flags and tee/hole markers created by France Turcotte and Carol Keller - A BIG thank you to France and Carol for their hard work and for Carol’s gardener crew who assisted with the heavy lifting
- The Bocce Ball and Cornhole game areas will be completed next Fall/Winter

Neighborhood Cleanup:

- Our BOD Vice President, Terry McCullough, and our Property Manager, Cesar, have been hard at work cleaning up old, tattered real estate signs in the community. Residents are being contacted to ensure the property is actively for sale, and asking them to contact their real estate agent to install a new sign if necessary. This is ongoing work, so expect to see our community looking nicer!

Website Committee Update:

I am the “webmaster” and any suggestions for improving the site, and any picture, links, and pages you would like to share should be sent to me at: sarah.k.little@gmail.com.

We need pictures! Our website needs some eye candy! Please send in your favorite PDO pictures. For now, I'd like to concentrate on views, homes, plants, animals, gardens... not so much people/party pictures. The pictures can contain people and pets, but the focus should be on the beauty of our environment and community. In the future, we'll have a community photo album for party pictures

Safety & Security - We now have a page for Safety & Security - suggestions for this page? Send 'em my way!

Emergency Contacts - I would like to add a comprehensive list of local emergency contacts. Please send your suggestions (with links if possible).

Helpful Links - There is a page for helpful community links. Please send your suggestions (with links if possible).
