Miracle Territory

GREATER CHICS you cannot walk into greater while continually looking acting common.

Key Scriptures:

Proverbs 4:25: Keep your eyes straight ahead.

Exodus 14:15: “Tell the children of Israel to go forward.”

What looks impossible is the perfect environment for God to reveal what only He can do.

The pressure didn’t come to destroy you.

The opposition didn’t come to define you.

And this difficult place is not your final destination.

PROPHETIC DECLARATION:

I declare that what looked like a setback is becoming the setting for supernatural intervention. Doors will open. Resources will appear. Answers will come. And God will make a way where you couldn’t see one.

You thought you were in trouble...

BABY, YOU'RE IN MIRACLE TERRITORY!

Now watch God work.

1. YOUR TROUBLE MAY ACTUALLY BE YOUR TERRITORY.

What looks like a dead end may be the exact location where God has decided to demonstrate His power.

You thought you were trapped.

God says:

"No, daughter. You're positioned."

You thought you had reached the end of the road.

God says:

"No. You've reached the place where I'm getting ready to make one.

2. What GOD sees Maybe you're not falling apart.

Maybe things are falling into place.

Maybe you're not being buried.

Maybe you're being planted.

Maybe you're not being rejected.

Maybe you're being redirected.

Maybe you're not losing your position.

Maybe God is repositioning you for GREATER.

3. TRANSFORMATION — WHO YOU BECOME IN THE TERRITORY

👉🏽 David killed a lion and a Bear before he killed Goliath

👉🏽 Moses had a moment and ran into a situation and GOD parted the Red Sea

👉🏽 Jesus had a moment and said is there another way but nailed everything to cross so I can be here today to share the Good the news of Gospel

We enter territories thinking God doesn't see or hear you but there are time

that God doesn't just want to change your situation.

👉🏽 He wants to change YOU in the situation.

Faith isn't pretending the territory doesn't exist

Faith is believing that if God told me to move, He has already accounted for my miracle territory .

GREATER CHICS, some of you have prayed enough.

You've researched enough.

You've talked about it enough.

You've second-guessed yourself enough.

You've waited for everybody to approve it long enough.

God says:

STAY FOCUSED AND GO FORWARD

Write the book.

Start the business.

Finish the degree.

Build the ministry.

Submit the application.

Make the call.

Set the boundary.

Take the opportunity.

Walk through the door.

ITS TIME TO MOVE IN MIRACLE TERRITORY

Because sometimes God doesn't reveal the pathway until you start walking toward the water.

WHAT YOU WERE ANOINTED TO WALK ON OTHERS DROWN IN!

5. GREATER — YOU CAN'T TAKE EVERYTHING WITH YOU

Pharaoh tried to follow Israel.

But God said, essentially:

“What I’m taking you into, “THEY”cannot enter.”

Listen carefully:

Everybody who was connected to your LESSER season cannot accompany you into your GREATER season.

👉🏽 The thing about copycats or monitoring spirits they can’t go forward until you do. Tell him don’t copy you they have created AI twins that can look like them even when they use your content!

Some habits can’t come.

Some insecurities can’t come.

Some relationships can’t come.

Some thinking can’t come.

Some versions of you can’t come.

Because GREATER isn’t just about receiving more.

GREATER requires becoming more.

More disciplined.

More discerning.

More prayerful.

More courageous.

More focused.

More obedient.

More spiritually mature.

👉🏽 **GREATER HAS A REQUIREMENT! NOT SUGGESTIONS!**

PROPHETIC CHARGE:

YOU ARE NOT COMMON YOU ARE IN MIRACLE TERRITORY!

You thought you were in trouble—

BUT GOD SAID MIRACLE TERRITORY!

You thought you were trapped

BUT GOD SAID TRANSITION!

You thought you were finished

BUT GOD SAID MOVE FORWARD!

You thought you had lost too much

BUT GOD SAID YOU ARE GREATER!
