

KYLE SOBOCINSKI

New York City Metropolitan Area, (908) 477-9467, kylesobocinski@gmail.com

SUMMARY

Over 10 years of professional experience in broadcast news, creative live streaming, and film production, bridging a traditional film education with the evolving creator economy. Skilled in control-room operations, lighting, camera, and stage management for live and pre-recorded content across major media networks and independent productions.

WORK EXPERIENCE

07/2012 – Present	Freelance Broadcast & Film Technician, Self-Employed	NYC Metro Area
	- Facilitating live and pre-recorded studio operations for Fox News, Cheddar, and Amazon Live, managing camera, lighting, teleprompter, and control-room coordination. - Serving as Stage Manager and Teleprompter Operator, guaranteeing real-time cueing and broadcast readiness. - Working as Electrician (IATSE Local 52) for both major union and independent productions.	
01/2021 – Present	Additional Electric, IATSE Local 52	New York
	Assisting as rigging and shooting electric for major commercial TV, and film shoots throughout the New York Metropolitan Area.	
03/2019 – 01/2021	Floor Manager, Cheddar	New York
	- Served as Floor Director for innovative, multi-platform news programming. - Supported live and recorded productions in roles such as A2, RoboCam Operator, and Talent Wrangler.	
07/2017 – 03/2019	Teleprompter Operator, Amazon Live	New York
	Operated teleprompter for daily studio broadcasts focusing on lifestyle, tech, and seasonal programming including Black Friday and Prime Day.	
07/2014 – 07/2017	Stage Manager / Teleprompter Operator, Fox News Channel	New York
	Managed live teleprompter operations and coordinated studio floor activities for national broadcasts, including coverage of the 2016 Presidential Debate.	
05/2009 – 05/2022	Production Assistant / Crew Roles, Various Productions	New York
	- Delivered on-set support across various departments for film, TV, and commercial projects including Playing with Fire, Across Grace Alley, and Veselka. - Duties encompassed lighting, grip, camera, and talent transportation.	

EDUCATION
