### **My Daily To-Do List**

Date:

| Му  | Must Do Task:     | 4      | tant      |       |
|-----|-------------------|--------|-----------|-------|
|     | Task to Complete: | Urgent | Important | Later |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
| Day | Review:           |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |
|     |                   |        |           |       |

#### **My Priorities**

The Eisenhower Matrix is a simple tool for considering the long-term outcomes of your daily tasks and focusing on what will make you most effective, not just most productive. It helps you prioritise and delegate tasks based on their importance to you at this moment in time.

| DO THESE FIRST URGENT & IMPORTANT       | DO THESE LATER IMPORTANT BUT NOT URGENT      |
|---|--|
| DELEGATE THESE URGENT BUT NOT IMPORTANT | ELIMINATE THESE  NEITHER URGENT OR IMPORTANT |

**Step 2: Categorise Using the Eisenhower Matrix:** 

| URGENT & IMPORTANT       | IMPORTANT BUT NOT URGENT    |
|--------------------------|-----------------------------|
| 1                        | 1                           |
| 2                        | 2                           |
| 3                        | 3                           |
| 4                        | 4                           |
| 5                        | 5                           |
| 6                        | 6                           |
|                          |                             |
| 1                        | 1                           |
| 2                        | 2                           |
| 3                        | 3                           |
| 4                        | 4                           |
| 5                        | 5                           |
| 6                        | 6                           |
| URGENT BUT NOT IMPORTANT | NEITHER URGENT OR IMPORTANT |

#### **Step 3: Create a Weekly Plan:**

Based on the prioritization, create a plan for the upcoming week. Schedule the tasks from the 'Urgent and Important' quadrant early in the week.

|     |  | This Weeks Priorities |
|-----|--|-----------------------|
| MON |  |                       |
|     |  |                       |
| TUE |  |                       |
|     |  |                       |
|     |  |                       |
| WED |  |                       |
|     |  |                       |
|     |  | Important Notes:      |
| THU |  |                       |
|     |  |                       |
|     |  |                       |
| FRI |  |                       |
|     |  |                       |
| SAT |  | Non Negotiables       |
| SAT |  |                       |
|     |  |                       |
| SUN |  |                       |
|     |  |                       |

## My Weekly Timetable Week No:

|      | Monday | Tuesday | Wednesday | Thursday | Friday | Saturday | Sunday |
|------|--------|---------|-----------|----------|--------|----------|--------|
| 5am  |        |         |           |          |        |          |        |
| 6am  |        |         |           |          |        |          |        |
| 7am  |        |         |           |          |        |          |        |
| 8am  |        |         |           |          |        |          |        |
| 9am  |        |         |           |          |        |          |        |
| 10am |        |         |           |          |        |          |        |
| llam |        |         |           |          |        |          |        |
| 12pm |        |         |           |          |        |          |        |
| 1pm  |        |         |           |          |        |          |        |
| 2pm  |        |         |           |          |        |          |        |
| 3pm  |        |         |           |          |        |          |        |
| 4pm  |        |         |           |          |        |          |        |
| 5pm  |        |         |           |          |        |          |        |
| 6pm  |        |         |           |          |        |          |        |
| 7pm  |        |         |           |          |        |          |        |
| 8pm  |        |         |           |          |        |          |        |
| 9pm  |        |         |           |          |        |          |        |
| 10pm |        |         |           |          |        |          |        |
