

Introducing ‘Waiting ‘Round to Die’

A mind-bending drive into the abyss

A nameless man, existing perilously close to the edge, flees his suburban home for the open road in a last-ditch effort to connect with the life he once lived. On the road, he finds his long-lost uncle who takes him on a continent-spanning adventure where they meet Civil War generals, a legendary Navajo, and a rotating cast of characters who may, or may not, have the answers to the questions the man is asking. Through thousands of miles and countless towns and bars, they hastily push toward the western horizon and the promise it may hold. ***Waiting ‘Round To Die*** is an unflinching look at the ravages of time and the quest for meaning in an otherwise inconsequential existence. A sometime travelogue, mixtape, and recipe book, ***Waiting ‘Round To Die*** is, at its core, a “coming-of-middle-age” story, which takes readers to the very brink of an existential crisis where all bets are off and the future is no longer guaranteed.

ABOUT THE AUTHOR

Hall of Fame sportswriter Chris Grant has a daughter and a dog, both of whom reside in central Texas. He has published short stories, history articles, and true crime research, in addition to his journalism, which has been featured in newspapers from coast to coast. When not writing, he goes to punk rock shows, curates the baseball history website Letters From Home Plate, and dreams of running away to Iceland.

What people are saying about ***Waiting ‘Round to Die***:

- “Chris Grant’s *Waiting ‘Round to Die* is a highly absorbing novel. The events unravel at a brisk pace and the plot makes it a compelling read.” – *Readers’ Favorite*
- “Grant explores one man’s quest for the meaning of life in this outstanding tale. A remarkable book that deserves to be savored and pondered.” – *BookView Review*
- “This is an emotionally resonant novel that will appeal to adults that are struggling to find meaning in contemporary life.” – *Literary Titan*
