

Winter Weather Necessities

Clear Path Ice Melter™ Winter Wizard is formulated for tough New England winters to provide reliable high quality melting power through the encapsulation of each particle of salt with 30% liquid magnesium chloride and liquid CMA.

- ◆ Encapsulated with liquid CMA and Magnesium Chloride for enhanced performance and prevention of refreezing
- ◆ Pre-wetted so it is less impactful to the environment
- ◆ Reduces potential damage to surface, vegetation, & turf
- ◆ Greater surface adherence
- ◆ Tinted with green dye for application verification
- ◆ Uniform particle size to facilitate easy flow in most spreaders
- ◆ Made proudly in America

Bag Size: 50 lbs
Pallet Load: 49 Bags

Performs to
-10°F

Magnesium Pellets/ Magnesium Flakes

- ◆ Works down to -13°F
- ◆ Safer on concrete and metal
- ◆ Safer on environment and animals than Calcium Chloride

Bag Size: 50 lbs
Pallet Load: 48 Bags

Calcium Chloride Pellets/ Calcium Chloride Flakes

- ◆ Fastest acting/melting
- ◆ Works down to -25°F
- ◆ Able to dissolve into solution and spray on surfaces preventatively for black ice control
- ◆ Not recommended for use around vegetation and animals

Bag Size: 50 lbs
Pallet Load: 55 Bags

Ask About:

- Liquid Magnesium Chloride
- Liquid Calcium Chloride
- Cryotech CF7 Liquid Potassium Acetate
- EC+ Gypsum
 - * Gypsum protects turf and shrubs by binding up the salt from ice melters.
- Granular Fungicides
 - * The Andersons Prophecy (Propiconazole)
 - * Quali-Pro Strobe Pro G (Azoxy and Propiconazole)
 - * Lebanon 14-2-14 with PCNB
 - * Nufarm 3336 DG Lite (Thiophanate-Methyl)
 - * The Andersons Fungicide X (Iprodione)
- Dupont Turf Cover Rolls
 - * 15'8" x 300' Rolls for winter weather & wind protection. Also great for speeding up seed germination!
- Sod Staples
- Snow Pushers
