## GROW

On that same day, two disciples were traveling to a village called Emmaus, about seven miles from Jerusalem. They were talking to each other about everything that had happened. While they were discussing these things, Jesus himself arrived and joined them on their journey. They were prevented from recognizing him.

He said to them, “**What are you talking about as you walk along?**” They stopped, their faces downcast.

The one named Cleopas replied, “Are you the only visitor to Jerusalem who is unaware of the things that have taken place there over the last few days?”

He said to them, “**What things?**”
