## Summer Program 2020

The Children's Center will be open for 10 weeks of summer fun! Our summer program runs from June 15th-August 21st and is divided into three sessions. We are closed July 3rd and August 24th-31st.

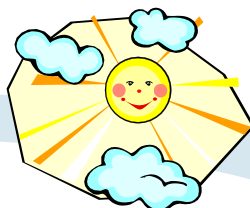

### Tuition and Special Fees

Tuition is paid per session and is due on or before the first day of each session. **There are no sibling discounts for summer.**

### Preschool Program

The Preschool Program is for children ages 2 through 5, and who have not yet completed Kindergarten.

### School-Age Program

The School-Age Program is for children ages 6 and up who have completed Kindergarten.

### New Students

Children not currently enrolled in the 2019-2020 school year must complete a registration packet and pay a \$25 summer registration fee. There are no summer registration fees for current students.

### School-Age Field Trips

Due to COVID-19, we are unable to schedule field trips for this summer. However, we have a lot of fun activities planned here at the school.

### Absences and Vacations

Vacation discounts are for full weeks (M-F) only and are deducted from the tuition prior to the beginning of each session. There will be no deductions in tuition for any absences other than pre-arranged vacation weeks. All cancellations must be done a week before the new session starts.
