Dear Residents and Neighbors:

Update on paint colors! The color choice examples mentioned in yesterday's email turns out to be obsolete and replaced by new samples. Current color examples can be found at **Sherwin Williams in the America's Heritage; Suburban Traditional; Suburban Modern; and Northern Shores color collections. Kwal Paint choices are in the Color Life, The Rocky Mountains collection.**

These color collections are only recommendations. Whatever color combinations you choose, please submit your colors to the HOA Board for approval.

Regards,

John Marlin,  
Association President
