Dear Victoria,

Enclosed is a letter received today from the IRS Taxpayer Advocate Service confirming the good news about the inquiry I made on your behalf.

I know this has been a frustrating experience for you and I am pleased that it has been resolved favorably and your foundation has been awarded 501(c)3 non profit status.

It was my pleasure to have been of assistance to you and I hope you will always feel free to call on me whenever I can be of service to you. For more information, or to stay informed on important issues, I encourage you to sign up for my electronic newsletter at www.desantis.house.gov.

Sincerely,

Ron DeSantis
