School Kits

Give a child the opportunity to go to school!

Why school supplies? To the children who receive **School Kits**, these supplies mean the difference between getting an education or not. Public school is usually free; but, in the places where LWR works, even a few required supplies, like pens and paper, may be more than many families can afford.

And, when parents can only afford to send one of their children to school, girls rarely get priority...yet the education level of mothers has the biggest impact on child development.

*** Please note, this year we are asking for school kits to be packaged individually. A gallon size zip lock works well for this.**

Supplies needed for each School Kit:

- Four 70-sheet notebooks of wide or college-ruled paper, approximately 8" x 10 ½" (no loose-leaf paper can be accepted)
- One 30-centimeter ruler, or a ruler with centimeters on one side and inches on the other
- One pencil sharpener
- One blunt scissors (safety scissors with embedded steel blades work well)
- Five black or blue ballpoint pens (no gel ink)
- Five #2 Pencils
- One box of 16 or 24 crayons
- One 2 ½" eraser

All items must be new and unused. Completed, individual, kits can be left in the tote located in the foyer.

Thank you for your support!
