## Using Wealth Wisely: Insights from Proverbs

Wealth. We all have it. The United States of America is the most economically prosperous country in the history of the world. By any historical comparative, or cross-national measure, we enjoy unprecedented wealth. In comparison to the rest of the world we are all rich! If you live in a house you are in the top 3% of the world's population. If you have a car, you're in the top 6%.

**How can we use our wealth wisely?** The book of Proverbs answers this question like no other book in the Bible. If we only studied Genesis, we might conclude that God always prospers his people. If we only looked at Amos, we might think that all rich people are oppressors. But Proverbs looks at wealth from several angles. And because Proverbs is a book of general maxims, the principles in Proverbs are more easily applied to us today.

My three-week sermon series on stewardship is called, **"Using Wealth Wisely: Insights from Proverbs."** I will be preaching on earning, spending and giving money.

I invite you to join us for these sermons as we learn how to use our God-given wealth more wisely—for his glory and the advancement of Christ's Gospel. I can think of no greater joy!

In the service of Jesus,  
Pastor Eric

# SUNDAY SCHOOL MISSION

## What is Operation Christmas Child?

Operation Christmas Child began in 1990. Since then, every year, people fill shoe boxes with small toys, gifts, personal care items, pencils, pens, and other little presents which are then given to children around the world.

## What is the purpose of Operation Christmas Child?

The mission of Operation Christmas Child is to demonstrate God's love in a tangible way to children in need around the world. Through this project, Samaritan's Purse partners with the local church worldwide to share the Good News of Jesus Christ and make disciples of the nations.

## What countries do Operation Christmas Child go to?

Shoebbox gifts are collected in Australia, Austria, Canada, Finland, Germany, New Zealand, South Korea, Spain, Switzerland, United Kingdom, and the United States. Nearly 575,000 volunteers worldwide—with more than 270,000 of those in the U.S.—are involved in collecting, shipping and distributing shoebbox gifts.

## How can you help?

- 1.) Donations can be left in the "Little White Church" in the foyer, during the month of October.
- 2.) Fill a shoebbox with gifts for a boy or girl.
- 3.) Pray for this mission, the children, churches and all those who share their love through this mission.

[More information on ways you can help Grace Lutheran Sunday School and Operation Christmas Child will be available soon.](#)

## Sunday School Goal

1. Collect \$ 50.00 to purchase 100 shoe boxes. (Which we hope to fill through Congregational Support)
1. Collect \$ 900.00 to mail 100 shoe boxes.
1. Collect \$ 600.00 to include "The Greatest Journey". The Greatest Journey is a 12-lesson discipleship course designed for Operation Christmas Child shoebbox recipients. Children who participate in the program learn how to follow Christ and share Him with others. As they do, entire families and communities are transformed by the power of the Gospel, and churches are started.

Collected so far: \$ 1,443.00

LCMS Stewardship Ministry  
Newsletter article – October 2021

Why do we give? Is it simply because God commands us to? Or is there more to it? To be sure, the Word and instruction of God in the Bible says we should give, and this is sufficient to encourage us to give (Luke 6:38; Acts 20:35; 1 Cor. 16:2; 2 Cor. 8:7; Gal. 6:6).

But there's more to it than just obligation. We're not just trying to fulfill a work of the law. We are bearing fruits of the Spirit given to us by our Father in heaven through His Son our Lord Jesus Christ. In other words, we're not just doing what our Father said, we're also doing what He did.

Children emulate their parents. When they grow up, they often carry many of the same mannerisms and characteristics as their parents. But there is more to it than that. Children copy their parents even on a more mundane level. They watch how their parents cross their legs, how they fold their hands, how they stand and sit and walk, and how they do and say most everything. Then children try to copy it.

This can be quite humorous when caught in the act. They do this even when parents don't want them to. Everyone has been in the uncomfortable – and embarrassing situation – where a child does or says something one of their parents have done or said that is less than polite. Sitcoms thrive on these. It only works because of the truth that children emulate their parents, and they do it because they want to be like them.

We are the children of God – by grace through faith. In Holy Baptism, God the Father declares of us what He declared of Jesus at His Baptism in the Jordan, "You are my beloved Son, in whom I am well pleased." God the Father claims us as His own. He takes away all our sins. In exchange, He gives us His righteousness, His purity, His holiness, and His Spirit – by which we cry out, "Abba, Father."

We are born again – born from above, born of water and the Spirit – to a new life in Christ as His children. We are sons of God in Christ through Baptism. Since we are sons, we are heirs who share in the glory of the Son of God. The inheritance is ours because of the Father's grace, mercy, and generosity in sending His Son in time to save us for all eternity.

This is why we give generously of our income to the work of the church. We want to be like our heavenly Father. We want to emulate His generosity by being generous ourselves. We give to the work of the church because we have witnessed the generous giving of our Father in heaven.

More than that, we are recipients of it. It is because we have received our Father's gifts that we desire to give ourselves. His gifts are not just spiritual. They are temporal and earthly as well. As *Luther's Small Catechism* teaches in the Fourth Petition of the Lord's Prayer:

### **Give us this day our daily bread.**

*What does this mean?* God certainly gives daily bread to everyone without our prayers, even to all evil people, but we pray in this petition that God would lead us to realize this and to receive our daily bread with thanksgiving.

*What is meant by daily bread?* Daily bread includes everything that has to do with the support and needs of the body, such as food, drink, clothing, shoes, house, home, land, animals, money, goods, a devout husband or wife, devout children, devout workers, devout and faithful rulers, good government, good weather, peace, health, self-control, good reputation, good friends, faithful neighbors, and the like.

In other words, He gives us everything that we need for the care of both body and soul. His generosity knows no bounds.

Therefore, we sit down at the beginning of the year, the beginning of the month, or the beginning of the week and set aside a generous portion of God's daily bread for His work in the church. This is not done because He has commanded us so to do but rather because we, as His children by grace, want to emulate His generosity in our own lives. He is our Father; we are His children. And children want to be like their parents.

**Remember the ways to give:**

- 1.) Bill pay from your bank.
- 2.) Download the Give+ mobile app on your phone to make giving easy.
- 3.) Mail checks directly to Grace Church, PO Box 156, DeWitt, IA.
- 4.) Use the link on our website, [www.gracedewitt.org](http://www.gracedewitt.org), for online giving.

Dear Redeemed and Love Saints of Grace,

Anticipation.

For just a few words, I want to talk about that word, anticipation. For a couple of reasons. First, I can't hold back the excitement that I have for Christmas. I am currently studying the book of Micah, soaking up all that I can from the prophet. As I learn of the hope that comes to us from the Savior born in Bethlehem. I am anticipating that I will have great joy come December. Second, the letdown. Which almost always happens. The event doesn't live up to what you think. Or the disappointment of knowing the thing is ending. I am also anticipating the sadness of when it is all done. But isn't that what we do when we place an expectation on things or try to anticipate every up and down. We have peaks and valleys. Or make the expectation too great that it will never live up to what we want. Yet, there is still a feeling of hope. As we anticipate the message, anticipate the joy of celebrating Jesus' birth. This joy, this anticipation of hope overcomes the sadness, overcomes the low peaks and valleys. As we approach Christmas, I look forward to celebrating the good news of Jesus' birth with you all!

In the service of Jesus,

Pastor Eric
