Epsilon Zeta Chapter, a legacy chapter and the inaugural State of Georgia 2017 Rising Star Chapter, will continue to move forward on our heritage of excellence! As we move diligently toward our Centennial in just three short years, we have much work to do in our community and milestones to celebrate. I hope you are ready and excited for #WeAreEpsilonZeta

movement!

This year will be action-packed and depends on your support, your participation and attendance, and your generosity! As always feel free to contact me at [770-572-9586](tel:770-572-9586) or [404-758-7332](tel:404-758-7332) or ZPhiBEZPrez1@gmail.com.

Thank you, thank you, thank you so much for allowing me to serve you as the Basileus of our Legacy Chapter! I look forward to working with each and every Soror to ensure that we collaborate to meet our goals and leave a lasting mark on our community!

Z-HOPE

Greetings EZ Sorors!

Many of you have gone above and beyond what has been requested. You have been generous by donating your time, talents and resources. But we need every Soror to commit to support our Z-HOPE initiatives.

The State of Georgia wants us to continue to focus on the following Z-HOPE programs:

Zeta Prematurity Awareness, Wigs for Awareness, Military Appreciation, Adopt A School and Elder Care.

Help us improve our presence in the state as a strong Z-HOPE supporter by making contributions to these programs!

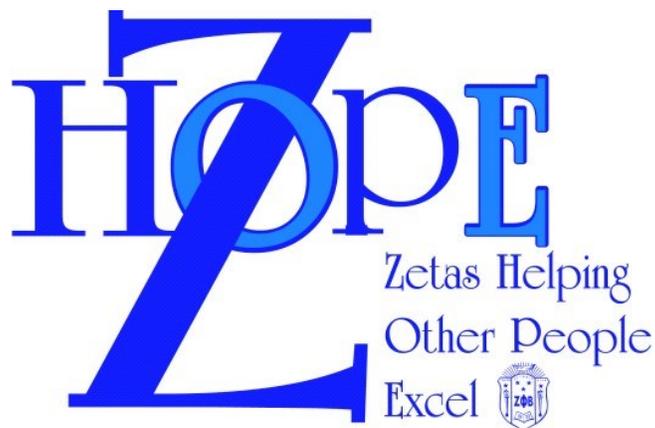

Thank you for all you do!!

With Sisterly Love,

Soror Kathryn Hargro

Z-HOPE Chair

Let's keep up the great work Sorors! We will be collecting items for our Z-HOPE initiatives year round!

The Legacy

Congratulations to our 1st Anti-Basileus & the MIP Committee on a Successful Event!

Our Informational was a success! It was held February 11, 2018 at the Cascade library from 3-4:30pm. We had 12 interested women that came out. I want to thank the MIP committee

for their hard work and helping the event go off without a problem. The women seemed great and we can't wait to get to know them more. We are in the observation period and would like your input. We will be inviting the ladies out to upcoming events and would like for you all to help us get to know them. Immediately following the event we had our Showering Zeta Love event where we created about 70 Valentine's Day cards for the Pruitt Health Care facility and got to know the women a little more.

EZ Has Heart: Watching Your Cholesterol

Keeping your cholesterol numbers within normal limits is important for heart health. High cholesterol can increase your risk for heart attack and stroke! In general you want to keep your total cholesterol, triglycerides and LDL (this is the bad one)

levels low! You want your HDL (the good one) to be high, as this one helps to lower the bad one. The only way to increase your good cholesterol is by exercise, so let's get mov-

ing!

The Phylacter's Phancy: Monthly Knowledge in Parliamentarian Procedures

Volume 1, Issue 5

This month's tidbit:

Remember last month's question:

According to Robert's Rules of Order, I can interrupt to say my comments about the ongoing debate.

- A. True
- B. False

The answer is B! Congratulations to you if you were correct!

Sisterly, Soror Reosha Bush, Phylacter

What might you do as a member of an organization (or as its parliamentarian) if a speaker uses her or his full debate time and then at the very end of the speech

calls for the Previous Question before sitting down? Is this fair to the group?

Does this violate RONR? Is a Point of Order in order?

How about a Parliamentary Inquiry?

--This one is a little controversial

In Honor of Our Triumphant Sorors

*He giveth his beloved sleep...
Let us not be consumed by mortal pain,
but instead rejoice in Heaven's gain.
Amongst the angels she now dwells,
as a member of their holy fold.
For one of our own was gifted wings,
healed of suffering, and given peace.
Though above the clouds she may be,
We know she rests triumphantly.*
