

Who can use

Emergency blue and red combination lighting is permitted for lawful use by police, coroner, and medical examiner. Sheriff and fire police fit the definition of police and are redundant.

PA Title 75 Subchapter D § 4571 (b)

Purposes

There are three lawful purposes for the lighting described here: an emergency, public safety, enforcement of the law (coroner and medical examiner exempted from third purpose).

PA Title 75 Subchapter D § 4571 (e)

Defined use

The lawful use of the described lighting is determined by agency policy as long as it adheres to the three purposes.

PA Title 75 Subchapter D § 4571 (f)
