I sit alone most every night
Watch those trains roll out of sight

Ac-Cent-Tchu-Ate the Positive

You've got to accentuate the positive
Eliminate the negative
Latch on to the affirmative
Don't mess with Mister In-Between

You've got to spread joy up to the maximum
Bring gloom down to the minimum
Have faith or pandemonium
Liable to walk upon the scene

To illustrate his last remark
Jonah in the whale, Noah in the ark
What did they do
Just when everything looked so dark

Man, they said we better, accentuate the positive
Eliminate the negative
Latch on to the affirmative
Don't mess with Mister In-Between
No, do not mess with Mister In-Between

Ain't Misbehavin' (I'm Saving My Love for You)

No one to talk with, all by myself

No one to walk with, but I'm happy on the shelf

Ain't misbehavin'. Savin' my love for you

I know for certain, the one I love

I'm through with flirtin'. It's just you I'm thinkin' of

Ain't misbehavin'. Savin' my love for you

Like Jack Horner, off in the corner

Don't go nowhere. What do I care?

Your kisses are worth waitin' for. Believe me

I don't stay out late. Don't care to go

I'm home about eight, just me and my radio

Ain't misbehavin'. Savin' my love for you

Ain't She Sweet?

Ain't she sweet?

See her coming down the street!

Now I ask you very confidentially

Ain't she sweet?

Ain't she nice?

Look her over once or twice!

Now I ask you very confidentially

Ain't she nice?

Just cast an eye in her direction

Oh, me! Oh, my! Ain't that perfection?

I repeat

Don't you think she's kinda neat?

Now I ask you very confidentially

Ain't she nice?

Ain't We Got Fun?

Ev'ry morning, ev'ry evening, ain't we got fun?
Not much money, oh, but honey, ain't we got fun?
The rent's unpaid dear. We haven't a car
But anyway, dear, we'll stay as we are

In the winter in the summer, don't we have fun?
Times are bum and getting bummer, still we got fun
There's nothing surer, the rich get rich
and the poor get poorer
In the meantime, in between time, ain't we got fun?

Repeat chorus

Even if we owe the grocer, don't we have fun?
Tax collector's getting closer, still we have fun?
There's nothing surer, the rich get rich
and the poor get poorer
In the meantime, in between time, ain't we got fun?

Repeat chorus

Landlords mad and getting madder. Ain't we got fun?
Times are bad and getting badder, still we have fun?
There's nothing surer, the rich get rich
and the poor get poorer
In the meantime, in between time, ain't we got fun?

Ain't we got fun? Ain't we got fun?

All I Have to Do Is Dream

Dre-e-e-e-eam, dream, dream, dream

Dre-e-e-e-eam, dream, dream, dream

When I want you in my arms

When I want you and all your charms

Whenever I want you, all I have to do is

Dre-e-e-e-eam, dream, dream, dream

When I feel blue in the night

And I need you to hold me tight

Whenever I want you, all I have to do is dream

I can make you mine, taste your lips of wine

Anytime night or day

Only trouble is, gee whiz, I'm dreamin' my life away

I need you so that I could die

I love you so and that is why

Whenever I want you, all I have to do is dream

Dre-e-e-e-eam, dream, dream, dream

Dre-e-e-e-eam, dream, dream, dream

All of Me

All of me, why not take all of me
Can't you see, I'm no good without you
Take my arms, I want to lose them
Take my lips, I'll never use them

Your goodbye left me with eyes that cry
I know that I'm no good without you
You took the part that once was my heart
So why not take all of me

Alley Oop

Alley-Oop, oop, oop, oop-ooop

There's a man in the funny papers we all know
He lives way back a long time ago
He don't eat nothin' but a bear cat stew
Well, this cat's name is Alley-Oop

He got a chauffeur that's a genuine dinosaur
And he can knuckle your head before you count to four
He got a big ugly club and a head full of hair
Like great big lions and grizzly bears

Alley Oop He's the toughest man there is alive

Alley Oop Wearin' clothes from a wildcat's hide

Alley Oop He's the king of the jungle jive

Look at that caveman go

He rides through the jungle, tearin' limbs off of trees
Knockin' great big monsters dead on their knees
The cats don't bug him 'cause they know better
'Cause he's a mean motor scooter and a bad go-getter

Alley Oop He's the toughest man there is alive

Alley Oop Wearin' clothes from a wildcat's hide

Alley Oop He's the king of the jungle jive

Look at that caveman go

Always Look on the Bright Side of Life

Some things in life are bad. They can really make you mad

Other things just make you swear and curse

When you're chewing on life's gristle

Don't grumble, give a whistle

And this'll help things turn out for the best

And always look on the bright side of life

Always look on the bright side of life

If life seems jolly rotten. There's something you've forgotten

And that's to laugh and smile and dance and sing

When you're feeling in the dumps

Don't be silly chumps

Just purse your lips and whistle. That's the thing

And always look on the bright side of life

Always look on the bright side of life

For life is quite absurd. And that's the final word

You must always face the curtain with a bow

Forget about your sin. Give the audience a grin

Enjoy it. It's your last chance anyhow

And always look on the bright side of death

Just before you draw you terminal breath

Life's a piece of shit, when you look at it

Life's a laugh and death's a joke, it's true

You'll see it's all a show. Keep 'em laughing as you go

Just remember that the last laugh is on you

And always look on the bright side of life

Always look on the bright side of life

Always On My Mind

Maybe I didn't love you quite as often as I could have
Maybe I didn't treat you quite as good as I should have
If I made you feel second best, I'm so sorry I was blind
You were always on my mind, you were always on my mind

Maybe I didn't hold you all those lonely, lonely times
I guess I never told you I'm so happy that you're mine
Little things I should have said and done,
I just never took the time
You were always on my mind, you were always on my mind

Tell me, tell me that your sweet love hasn't died
Give me, give me one more chance to keep you satisfied
I'll keep you satisfied
Little things I should have said and done
I just never took the time
But you were always on my mind
You were always on my mind
You were always on my mind, you were always on my mind

Amazing Grace

Amazing grace! How sweet the sound
That saved a wretch like me
I once was lost, but now am found
Was blind, but now I see

'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

Auld Lang Syne

Should auld acquaintance be forgot
And never brought to mind?
Should auld acquaintance be forgot
And days of auld lang syne
For auld lang syne, my dear
For auld lang syne
We'll take a cup of kindness yet
For auld lang syne

Baby I Need Your Lovin'

Although you're never near, your voice I often hear
Another day, another night,
I long to hold you tight. Cuz I'm so lonely

Baby, I need your lovin. Got to have all your lovin
Baby, I need your lovin. Got to have all your lovin

Some say it's a sign of weakness for a man to beg
Then weak I would rather be, if it means havin you to keep
Cuz lately, I've been losin sleep

Repeat chorus

Although you're never near, your voice I often hear
Another day, another night, I long to hold you tight
Cuz I'm so lonely

Repeat chorus

Every night I call your name
Sometimes I wonder, girl, will I ever be the same?
When you see me smile, you know things have gotten worse
Any smile you might see has all been rehearsed
Darlin, I can't go on without you
This emptiness won't let me live without you
This loneliness inside me, darlin, makes me feel half alive

Bad, Bad Leroy Brown

Well, the South side of Chicago
Is the baddest part of town
And if you go down there, you better just beware
Of a man named Leroy Brown

Now Leroy more than trouble
You see, he stand about six-foot-four
All the downtown ladies call him treetop lover
All the men just call him Sir

And he's bad, bad Leroy Brown
Baddest man in the whole damn town
Badder than old King Kong
Meaner than a junkyard dog

Now Leroy he a gambler, and he like his fancy clothes
And he like to wave his diamond rings
In front of everybody's nose

He got a custom Continental, he got an Eldorado too
He got a gun in his pocket for fun
He got a razor in his shoe

Repeat chorus

Well, it was Friday 'bout a week ago
And Leroy shootin' dice
And at the edge of the bar sat a girl named Doris
And oo, that girl looked nice

A B C D E F G H I J K L M O P R S T U V W Y Z

Well, he cast his eyes upon her
And the trouble soon began
And Leroy Brown, he learned a lesson 'bout a-messin'
With the wife of a jealous man

Well, them two men took to fighting
And when they pulled them from the floor
Leroy looked like a jigsaw puzzle
with a couple of pieces gone

Repeat chorus

Bad Moon Rising

I see the bad moon a-rising
I see trouble on the way
I see earthquakes and lightnin'
I see bad times today
Don't go around tonight
Well, it's bound to take your life
There's a bad moon on the rise

I hear hurricanes a-blowing
I know the end is coming soon
I fear rivers overflowing
I hear the voice of rage and ruin
Don't go around tonight
Well, it's bound to take your life
There's a bad moon on the rise

Hope you got your things together
Hope you are quite prepared to die
Looks like we're in for nasty weather
One eye is taken for an eye
Don't go around tonight
Well, it's bound to take your life
There's a bad moon on the rise

Beer Barrel Polka

Roll out the barrel, we'll have a barrel of fun
Roll out the barrel, we've got the blues on the run
Zing! Boom! Tatarrel, ring out a song of good cheer
Now's the time to roll the barrel, for the gang's all here

Beverly Hillbillies (The Ballad of Jed Clampett)

Come and listen to my story about a man named Jed
A poor mountaineer, barely kept his family fed
And then one day he was shootin at some food
And up through the ground come a bubblin crude
Oil that is, black gold, Texas tea.

Well the first thing you know ol Jed's a millionaire
The kinfolk said "Jed move away from there"
Said "Californy is the place you ought to be"
So they loaded up the truck and they moved to Beverly
Hills, that is. Swimmin pools, movie stars.

Well now it's time to say good bye to Jed and all his kin
And they would like to thank you folks fer kindly droppin in
You're all invited back next week to this locality
To have a heapin helpin of their hospitality
Hillbilly that is. Set a spell, Take your shoes off.

Bill Bailey, Won't You Please Come Home

Won't you come home, Bill Bailey, won't you come home
I moan the whole night long
I'll do the cookin', honey, I'll pay the rent
I know I done you wrong

Remember that rainy eve' that
I drove you out with nothin' but a fine-tooth comb
Yes, I know that I'm to blame, and ain't that a shame
Bill Bailey, won't you please come home
Bill Bailey, won't you please come home

Blowin' in the Wind

How many roads must a man walk down
Before you call him a man?
Yes'n how many seas must a white dove sail
Before she sleeps in the sand?
Yes'n how many times must the cannonballs fly
Before they're forever banned?

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

How many times must a man look up
Before he can see the sky?
Yes'n how many ears must one many have
Before he can hear people cry?
Yes'n how many deaths will it take till he knows
That too many people have died?

Repeat Chorus

How many years can a mountain exist
Before it's washed to the sea?
Yes'n how many years can some people exist
Before they're allowed to be free?
Yes'n how many times can a man turn his head
Pretending he just doesn't see?

Blue Bayou

I feel so bad I've got a worried mind
I'm so lonesome all the time
Since I left my baby behind on Blue Bayou

Saving nickels, saving dimes
Working til the sun don't shine
Looking forward to happier times on Blue Bayou

I'm going back someday
Come what may to Blue Bayou
Where you sleep all day
And the catfish play on Blue Bayou
All those fishing boats with their sails afloat
If I could only see / That familiar sunrise through sleepy eyes
How happy I'd be

Gonna see my baby again
And to be with some of my friends
Maybe I'd be better then On Blue Bayou

I'm going back someday
Gonna stay on Blue Bayou
Where the folks are fine
And the world is mine on Blue Bayou
Oh that girl of mine by my side
The silver moon and the evening tide
Oh some sweet day / Gonna take away this hurting inside

I'll never be blue, my dreams come true
On Blue Bayou

Blue Eyes Crying in the Rain

In the twilight glow I see her
Blue eyes crying in the rain
As we kissed goodbye parted
I knew we'd never meet again

Love is like a dying ember
Only memories remain
Through the ages I'll remember
Blue eyes crying in the rain

Now my hair has turned to silver
All my life I've loved in vain
I can see her star in heaven
Blue eyes crying in the rain

Someday when meet up yonder
We'll stroll hand in hand again
In a land that knows no parting
Blue eyes crying in the rain

Blue Moon

Blue Moon, you saw me standing alone
Without a dream in my heart, without a love of my own

Blue Moon, you knew just what I was there for
You heard me saying a prayer for
Someone I really could care for

And then there suddenly appeared before me
The only one my arms will ever hold
I heard somebody whisper, "Please adore me"
And when I looked to the moon had turned to gold

Blue Moon, now I'm no longer alone
Without a dream in my heart, without a love of my own

Blue Moon of Kentucky

Blue moon of Kentucky keep on shining
Shine on the one that's gone and proved untrue
Blue moon of Kentucky keep on shining
Shine on the one that's gone and left me blue

Well, it was on one moonlight night, Stars shinin' bright
Whispered on high, Love's said goodbye

Blue moon of Kentucky keep on shining
Shine on the one that's gone and said goodbye

Blueberry Hill
I found my thrill on Blueberry Hill
On Blueberry Hill when I found you

The moon stood still on Blueberry Hill
And lingered until my dreams came true

The wind in the willow played love's sweet melody
But all of those vows we made were never to be

Tho' we're apart, you're part of me still
For you were my thrill on Blueberry Hill

Blue Skies

Blue skies, smiling at me
Nothing but blue skies do I see
Bluebirds, singing a song
Nothing but bluebirds all day long

Never saw the sun shining so bright
Never saw things going so right
Noticing the days hurrying by
When you're in love, my how they fly

Blue days, all of them gone
Nothing but blue skies from now on

Blue Suede Shoes

Well, it's one for the money, two for the show
Three to get ready, now go, cat, go
But don't you step on my blue suede shoes
Well, you can do anything
But lay off of my blue suede shoes

Well, you can knock me down, step in my face
Slander my name all over the place
Do anything that you wanna do
But uh-uh, honey, lay off of them shoes
Don't you step on my blue suede shoes
Well, you can do anything
But lay off of my blue suede shoes

Burn my house, steal my car
Drink my liquor from an old fruit jar
Do anything that you wanna do
But uh-uh, honey, lay off of them shoes
Don't you step on my blue suede shoes
Well, you can do anything
But lay off of my blue suede shoes

Repeat Chorus

Well, it's blue, blue, blue suede shoes
Blue, blue, blue suede shoes
Blue, blue, blue suede shoes, yeah
Blue, blue, blue suede shoes, baby
Well, you can do anything
But lay off of my blue suede shoes

Born to Lose

Born to lose I've lived my life in vain
Every dream has only brought me pain
All my life I've always been so blue
Born to lose and now I'm losing you

Born to lose it seems so hard to bear
When I awake and find that you're there
You've grown tired and now you say we're through
Born to lose and now I'm losing you

Born to lose I've lived my life in vain
Every dream has only brought me pain
All my life I've always been so blue
Born to lose and now I'm losing you

Born to lose and now I'm losing you

Bobby McGee

Busted flat in Baton Rouge, waitin' for a train
Feelin' nearly faded as my jeans
Bobby thumbed a diesel down just before it rained
Rode us all the way to New Orleans

I pulled my harpoon out of my dirty red bandanna
I was playin' soft while Bobby sang the blues
Windshield wipers slappin' time
I was holdin' Bobby's hand in mine
We sang every song that driver knew

Freedom's just another word for nothin' left to lose
Nothin' don't mean nothin' if it ain't free
Feelin' good was easy, Lord, when Bobby sang the blues
Feelin' good was good enough for me
Good enough for me and Bobby McGee

From the Kentucky coal mines to the California sun
Bobby shared the secrets of my soul
Through all kinds of weather, through everything we done
Hey, Bobby's body kept me from the cold

One day up near Salinas, Lord, I let him slip away
He's lookin' for that home and I hope he finds it
But I'd trade all my tomorrows
For one single yesterday
To be holdin' Bobby's body next to mine

Repeat chorus

Bring It on Home to Me

If you ever change your mind
About leaving, leaving me behind
Baby, bring it to me, bring your sweet lovin'
Bring it on home to me
Yeah, yeah, yeah, yeah, yeah, yeah

You know I laughed when you left
But now I know I only hurt myself
Baby, bring it to me, bring your sweet lovin'
Bring it on home to me
Yeah, yeah, yeah, yeah, yeah, yeah

I'll give you jewelry and money too
That ain't all, that ain't all I'll do for you
Yeah, if you bring it to me, bring your sweet lovin'
Bring it on home to me
Yeah, yeah, yeah, yeah, yeah, yeah

You know I'll always be your slave
Till I'm buried, buried in my grave
Oh, honey, bring it to me, bring your sweet lovin'
Bring it on home to me
Yeah, yeah, yeah, yeah, yeah, yeah

You know I tried to treat you right
But you stayed out, stayed out all night
But I'll forgive you, bring it to me, bring your sweet lovin'
Bring it on home to me
Yeah, yeah, yeah, yeah, yeah, yeah

Bring Me Little Water, Sylvie

Bring me little water, Sylvie
Bring me little water now
Bring me little water, Sylvie
Every little once in a while

Don't you hear me calling, Sylvie?
Don't you hear me calling now?
Don't you hear me calling, Sylvie?
Every little once in a while

Getting' mighty thirsty, Sylvie
Getting' mighty thirsty now
Getting' mighty thirsty, Sylvie
Every little once in a while

Bring it in a bucket, Sylvie
Bring it in a bucket now
Bring it in a bucket, Sylvie
Every little once in a while

Can't you hear me calling, Sylvie?
Can't you hear me calling now?
Can't you hear me calling, Sylvie?

Getting' hot and thirsty, Sylvie
Getting' hot and thirsty now
Getting' hot and thirsty, Sylvie

Brown-eyed Girl

Hey, where did we go days when the rains came
Down in the hollow, playin a new game
Laughing and a runnin, hey, hey, skipping and a jumpin
In the misty morning fog with our hearts a-thumpin and
You, my brown eyed girl. You, my brown-eyed girl

Whatever happened to Tuesday and so slow
Going down the old mine with a transistor radio
Standing in the sunlight laughing
hiding 'hind a rainbow's wall
Slipping and sliding all along the waterfall with
You, my brown eyed girl. You, my brown-eyed girl

Do you remember when we used to sing
Sha la la la la la la la la la ti da
Sha la la la la la la la la la ti da La ti dah

So hard to find my way, now that I'm all on my own
I saw you just the other day. My, how you have grown
Cast my memory back there, Lord
Sometime I'm overcome thinkin 'bout
Making love in the green grass behind the stadium with
You, my brown eyed girl. You, my brown-eyed girl

Do you remember when we used to sing
Sha la la la la la la la la la ti da
Sha la la la la la la la la la ti da

Bye, Bye, Blackbird

Pack up all my cares and woes
Here I go, singing low. Bye, bye, blackbird
Where somebody waits for me
Sugar's sweet, so is she. Bye, bye, blackbird

No one here can love and understand me
Oh, what hard luck stories they all hand me
Make my bed and light the light
I'll arrive late tonight. Blackbird, bye, bye

Bye Bye Love

There goes my baby with someone new
She sure looks happy, I sure am blue
She was my baby till he stepped in
Goodbye to romance that might have been

Bye bye love, bye bye happiness
Hello loneliness, I think I'm gonna cry
Bye bye love, bye bye sweet caress
Hello, emptiness, I feel like I could die
Bye bye, my love, goodbye

I'm through with romance, I'm through with love
I'm through with counting the stars above
And here's the reason that I'm so free
My lovin' baby is through with me

Repeat chorus

By the Light of the Silvery Moon

By the light
Of the silvery moon
I want to spoon
To my honey I'll croon love's tune

Honeymoon
Keep a-shining in June
Your silvery beams will bring love dreams
We'll be cuddling soon By the silvery moon

By the light **Not the dark, but the light**
Of the silvery moon **Not the sun, but the moon**
I want to spoon **Not a fork, but a spoon**
To my honey I'll croon love's tune

Honeymoon **Not the salt, but the honey**
Keep a-shining in June **Not July, but June**
Your silvery beams will bring love dreams
We'll be cuddling soon By the silvery moon

Camptown Races

Well, the Camptown ladies sing this song

Doodah doodah

Ah, the Camptown racetrack's five miles long

Oh doo-dah day

Goin' to run all night, goin' to run all day

I'll bet my money on the bobtail nag

Somebody bet on the bay

Well, I came down there with my hat caved in

Doodah doodah

Oh, I'll go back home with my pocket full of tin

Oh doo-dah day

Goin' to run all night, goin' to run all day

I'll bet my money on the bobtail nag

Somebody bet on the bay

Can't Help Falling in Love

Wise men say only fools rush in
But I can't help falling in love with you

Shall I stay? Would it be a sin
If I can't help falling in love with you

Like a river flows, surely to the sea
Darling so it goes, some things are meant to be

Take my hand. Take my whole life too
For I can't help falling in love with you

Like a river flows, surely to the sea
Darling so it goes, some things are meant to be

Take my hand. Take my whole life too
For I can't help falling in love with you

Catch a Falling Star

Catch a falling star and put it in your pocket
Never let it fade away
Catch a falling star and put it in your pocket
Save it for a rainy day

For love may come and tap you on the shoulder
Some starless night
Just in case you feel you wanna hold her
You'll have a pocket full of starlight

Catch a falling star and put it in your pocket
Never let it fade away
Catch a falling star and put it in your pocket
Save it for a rainy day

For when your troubles start multiplying
And they just might
It's easy to forget them without trying
With just a pocket full of starlight

Catch a falling star and put it in your pocket
Never let it fade away
Catch a falling star and put it in your pocket
Save it for a rainy day

Cathy's Clown

Don't want your love anymore
Don't want your kisses, that's for sure
I die each time I hear this sound
Here he comes, that's Cathy's clown

I gotta stand tall
You know a man can't crawl
When he knows you're tellin' lies
and he hears 'em passing by
He's not a man at all

Don't want your love anymore
Don't want your kisses, that's for sure
I die each time I hear this sound
Here he comes, that's Cathy's clown

When you see me shed a tear
And you know that it's sincere
Don't you think it's kinda sad that you're treating me so bad
Or don't you even care?

Don't want your love anymore
Don't want your kisses, that's for sure
I die each time I hear this sound
Here he comes, that's Cathy's clown

That's Cathy's clown
That's Cathy's clown

Catch the Wind

In the chilly hours and minutes
Of uncertainty, I want to be
In the warm hold of your loving mind
To feel you all around me
And to take your hand along the sand
Ah, but I may as well try and catch the wind

When sundown pales the sky
I want to hide a while behind your smile
And everywhere I'd look your eyes I'd find
For me to love you now
Would be the sweetest thing 'twould make me sing
Ah, but I may as well try and catch the wind

Dee dee, dee dee... dee dee dee dee
Dee dee, dee dee... dee dee dee dee
Dee dee dee...

When rain has hung the leaves with tears
I want you near to kill my fears
To help me to leave all my blues behind
For standing in your heart
Is where I want to be and long to be
Ah, but I may as well try and catch the wind
Ah, but I may as well try and catch the wind

Clementine

In a cavern, in a canyon, excavating for a mine
Dwelt a miner forty-niner and his daughter Clementine

Oh my darlin, oh my darlin, oh my darlin, Clementine
You are lost and gone forever
Dreadful sorry, Clementine

Light she was and like a fairy
And her shoes were number nine
Herring boxes, without topses, sandals were for Clementine

Drove she ducklings to the water every morning just at nine
Hit her foot against a splinter, fell into the foaming brine

Ruby lips above the water, lowing bubbles, soft and fine
But, alas, I was no swimmer, so I lost my Clementine

And the miner forty-niner / Soon began to peak and pine
Thought he oughta join his daughter
Now he's left with Clementine

There's a churchyard on the hillside
Where the flowers grow and twine
There grow roses, 'mongst the posies
Fertilized by Clementine

In my dreams she still doth haunt me
Robed in garlands soaked in brine
Though in life I used to hug her
Now she's dead, I draw the line

Come Back Liza

Whenever I'm away from Liza, water come to me eye
Every time I'm away from Liza, water come to me eye

Come back Liza, come back girl
Wipe the tear from me eye
Come back Liza, come back girl
Wipe the tear from me eye

When the evening starts to fall, water come to me eye
I need to hear my Liza call, water come to me eye

Come back Liza, come back girl
Wipe the tear from me eye
Come back Liza, come back girl
Wipe the tear from me eye

Standing here in the marketplace, water come to me eye
I need to see my Liza's face, water come to me eye

Come back Liza, come back girl
Wipe the tear from me eye
Come back Liza, come back girl
Wipe the tear from me eye

Whenever I'm away from Liza, water come to me eye
Every time I'm away from Liza, water come to me eye

Come back Liza, come back girl
Wipe the tear from me eye
Come back Liza, come back girl
Wipe the tear from me eye

Cool Water

All day I've faced a barren waste
Without the taste of water, cool water
Ole Dan and I, with throats burned dry
And souls that cry for water **water**
Cool **water**, clear **water** water **water**

The nights are cool and I'm a fool
Each star's a pool of water, cool water
And with the dawn, I'll wake and yawn
And carry on to water **water**
Cool **water**, clear **water** water **water**

Keep a-movin', Dan. Don't you listen to him, Dan
He's the devil, not a man
And he spreads the burnin' sand with water
Say, Dan can't you see that big green tree
Where the water's runnin' free
It's waiting there for you and me?

The shadows sway and seem to say
Tonight we pray for water, cool water
And way up there, He'll hear our prayer
And show us where there's water **water**
Cool **water**, clear **water** water **water**

Repeat chorus

Dan's feet are sore he's yearnin' for
Just one thing more than water, cool water
Like me I guess he'd like to rest
Where there's no quest for water **water**
Cool **water**, clear **water** water **water**

Crazy

Crazy, I'm crazy for feelin' so lonely
I'm crazy, crazy for feelin' so blue
I knew you'd love me as long as you wanted
And then someday you'd leave me for somebody new

Worry, why should I let myself worry?
Wondrin' what in the world did I do

Oh, crazy for thinkin' that my love could hold you
I'm crazy for tryin' and crazy for cryin'
And I'm crazy for lovin' you

Oh, crazy for thinkin' that my love could hold you
I'm crazy for tryin' and crazy for cryin'
And I'm crazy for lovin' you

Crying

I was alright for a while, I could smile for a while
But I saw you last night, you held my hand so tight
As you stopped to say, "Hello."
Oh, you wished me well, you couldn't tell that I'd been

Crying over you, crying over you
When you said, "So long," left me standing all alone
Alone and crying, crying, crying, crying

It's hard to understand
But the touch of your hand
Can start me crying

I thought that I was over you,
but it's true, oh, so true
I love you even more than I did before
But darling, what can I do?
For you don't love me and I'll always be

Crying over you, crying over you
Yes, now you're gone and from this moment on
I'll be crying, crying, crying, crying
Yeah, crying, crying, o-over you

Crying Time

Oh, it's cryin' time again, you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darlin'
That it won't be long before it's cryin' time

Now you say you've found someone that you love better
That's the way it's happened every time before
And as sure as the sun comes up tomorrow
Cryin' time will start when you walk out the door

Oh, it's cryin' time again, you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darlin'
That it won't be long before it's cryin' time

Cupid

Cupid, draw back your bow and let your arrow go
Straight to my lover's heart for, for me
Cupid, please hear my cry and let your arrow fly
Straight to my lover's heart for me

Now, I don't mean to bother you, but I'm in distress
There's danger of me losing all of my happiness
For I love a girl who doesn't know I exist
And this you can fix

Cupid, draw back your bow and let your arrow go
Straight to my lover's heart for, for me
Cupid, please hear my cry and let your arrow fly
Straight to my lover's heart for me

Now, Cupid, if your arrow makes her love strong for me
I promise I will love her until eternity
I know between the two of us her heart we can steal
Help me if you will

Cupid, draw back your bow and let your arrow go
Straight to my lover's heart for, for me
Cupid, please hear my cry and let your arrow fly
Straight to my lover's heart for me

Danny Boy

Oh Danny Boy, the pipes, the pipes are calling
From glen to glen and down the mountain side
The summer's gone and all the flowers are dying
It's you, it's you must go and I must bide

But come ye back when summer's in the meadow
Or when the valley's hushed and white with snow
Tis' I'll be there in sunshine or in shadow
Oh Danny Boy, oh Danny Boy, I love you so

But when you come and all the flowers are dying
If I am dead, and dead I well may be
You'll come and find the place where I am lying
And kneel and say an Ave there for me

And I shall hear tho' soft you tread above me
And all my dreams will warmer sweeter be
If you'll not fail to tell me that you love me
I'll simply sleep in peace until you come to me

Daisy Bell (Bicycle Built for Two)

Daisy, Daisy, give me your answer true
I'm half crazy all for the love of you
It won't be a stylish marriage. I can't afford a carriage
But you'll look sweet upon the seat on a bicycle built for two

Chester! Chester
Here is my answer true
I'm not crazy all for the love of you
It must be a stylish marriage
You must afford a carriage
For I'll be damned if I'll be cramped
On a bicycle built for two

Don't Fence Me In

Oh, give me land, lots of land under starry skies above
Don't fence me in

Let me ride through the wide open country that I love
Don't fence me in

Let me be by myself in the evenin' breeze
And listen to the murmur of the cottonwood trees
Send me off forever but I ask you please
Don't fence me in

Just turn me loose, let me straddle my old saddle
Underneath the western skies

On my Cayuse, let me wander over yonder
Till I see the mountains rise

I want to ride to the ridge where the west commences
Gaze at the moon till I lose my senses

I can't look at hovels and I can't stand fences

You know I can be found
Sittin' home all alone
If you don't come around

Don't be cruel to a heart that's true

For something I might have said
Please, let's forget the past
The future looks bright ahead
Don't be cruel to a heart that's true

I don't want no other lover. Baby, it's just you I'm thinking of

Don't stop thinking of me
Don't make me feel this way
Come on over here and love me
You know what I want you to say
Don't be cruel to a heart that's true

Why should we be apart?
I really love you, baby, cross my heart

Let's walk up to the preacher
Let us both say, "I do."
Then you'll know you have me
And I'll know that I have you
Don't be cruel to a heart that's true

I don't want no other lover. Baby, it's just you I'm thinking of

Don't Get Around Much Anymore

Missed the Saturday dance
Heard they crowded the floor
Couldn't bear it without you
Don't get around much anymore

Thought I'd visit the club
Got as far as the door
Then they asked me about you
Don't get around much anymore

Darling I guess my mind is more at ease
But nevertheless why stir up memories

Been invited on dates
Might have gone but what for
Awfully different without you
Don't get around much anymore

Do Wah Diddy Diddy

There she was just a walkin' down the street
Singin' do wah diddy diddy dum diddy do
Poppin' her fingers and a shufflin' her feet
Singin' do wah diddy diddy dum diddy do

She looked good, she looked fine
She looked good, she looked fine
And I nearly lost my mind

Before I knew it she was walkin' next to me
Singin' do wah diddy diddy dum diddy do
She took my hand just as natural as can be
Singin' do wah diddy diddy dum diddy do

We walked on to my door
We walked on to my door
And we kissed a little more

Ooo, I knew we were fallin' in love
Yes, I did, and so I told her all the things I was dreamin' of

Now we're together nearly every single day
Singin' do wah diddy diddy dum diddy do
We're so happy and that's how we're gonna stay
Singin' do wah diddy diddy dum diddy do

I'm hers, she's mine
I'm hers, she's mine
Wedding bells are gonna chime
Singin' do wah diddy diddy dum diddy do

Down on the Corner

Early in the evenin', just about supper time
Over by the courthouse, they're starting to unwind
Four kids on the corner tryin to bring you up
Willy picks a tune out and he blows it on the harp

Down on the corner, out in the street
Willy and the Poorboys are playin'
Bring a nickel, tap your feet

Rooster hits the washboard and people just got to smile
Blinky, thumps the gut bass and solos for a while
Poorboy twangs the rhythm out on his kalamazoo
Willy goes into a dance and doubles on kazoo

Down on the corner, out in the street
Willy and the Poorboys are playin'
Bring a nickel, tap your feet

You don't need a penny just to hang around
But if you've got a nickel, won't you lay your money down?
Over on the corner there's a happy noise
People come from all around to watch the magic boy

Down on the corner, out in the street
Willy and the Poorboys are playin'
Bring a nickel, tap your feet

Dream Lover

Every night I hope and pray a dream lover will come my way
A girl to hold in my arms and feel the magic of her charms
Cause I want Yeah-yeah, yeah
A girl Yeah-yeah, yeah
To call Yeah-yeah, yeah
My own Yeah-yeah, yeah
I want a dream lover, so I don't have to dream alone

Dream lover where are you with a love, oh, so true
And a hand that I can hold and feel you near as I grow old
Cause I want Yeah-yeah, yeah
A girl Yeah-yeah, yeah
To call Yeah-yeah, yeah
My own Yeah-yeah, yeah
I want a dream lover, so I don't have to dream alone

Someday I don't know how, I hope she'll hear my plea
Some way I don't know how, she'll bring her love to me
Dream lover until then I'll go asleep and dream again

That's the only thing to do
till all my lover's dreams come true
Cause I want Yeah-yeah, yeah
A girl Yeah-yeah, yeah
To call Yeah-yeah, yeah
My own Yeah-yeah, yeah
I want a dream lover, so I don't have to dream alone

Please don't make me dream alone
I beg you don't make me dream alone
No, I don't want to dream alone

Every morning you greet me
Small and white, clean and bright
You look happy to meet me

Blossom of snow, may you bloom and grow
Bloom and grow forever

Fishin' Hole

Well now, take down your fishing pole
And meet me at the fishing hole
We may not get a bite all day
But don't you rush away

What a great place to rest your bones
And mighty fine for skipping stones
You'll feel fresh as a lemonade
A-setting in the shade

Whether it's hot, whether it's cool
Oh, what a spot for whistling like a fool

What a fine day to take a stroll
And wind up at the fishing hole
I can't think of a better way
To pass the time of day

Five Foot Two

Five foot two eyes of blue
But oh what those five feet could do
Has anybody seen my gal?

Turned up nose and turned down hose
Never had another beau
Has anybody seen my gal?

Now if you run into five foot two covered with fur
Diamond ring and all those things, bet your life it isn't her

Could she love could she woo
Could she could she could she coo
Has anybody seen my gal?

Folsom Prison Blues

I hear the train a coming, it's rolling round the bend
And I ain't seen the sunshine since I don't know when
I'm stuck at Folsom Prison and time keeps dragging on
But that train keeps rolling on down to San Antone

When I was just a baby, my mama told me, Son
Always be a good boy, don't ever play with guns
But I shot a man in Reno just to watch him die
When I hear that whistle blowing,
I hang my head and cry

I bet there's rich folks eating in a fancy dining car
They're probably drinking coffee and smoking big cigars
But I know I had it coming, I know I can't be free
But those people keep a moving, and that's what tortures me

Well if they freed me from this prison
If that railroad train was mine
I bet I'd move on a little farther down the line
Far from Folsom Prison, that's where I want to stay
And I'd let that lonesome whistle blow my blues away

For Me and My Gal

The bells are ringing for me and my gal
The birds are singing for me and my gal
Everybody's been knowing, to a wedding we're going
And for weeks they've been sewing, every Susie and Sal

They're congregating for me and my gal
The parson's waiting for me and my gal
And sometime, I'm gonna build a little home for two
Or three or four or more, in love land for me and my gal

Georgia on My Mind

Georgia, oh Georgia, the whole day through
Just an old sweet song keeps Georgia on my mind

I said, Georgia, Georgia, a song of you
Comes as sweet and clear as moonlight through the pines

Other arms reach out to me. Other eyes smile tenderly
Still in peaceful dreams I see. The road leads back to you

Georgia, oh Georgia, no peace I find
Just an old sweet song keeps Georgia on my mind

Good Luck Charm

Don't want a four leaf clover
Don't want an old horse shoe
Want your kiss 'cause I just can't miss
With a good luck charm like you

Come on and be my little good luck charm
Uh-huh huh, you sweet delight
I want a good luck charm a-hanging on my arm
To have, to have, to hold, to hold tonight

Don't want a silver dollar
Rabbit's foot on a string
The happiness in your warm caress
No rabbit's foot can bring

Come on and be my little good luck charm
Uh-huh huh, you sweet delight
I want a good luck charm a-hanging on my arm
To have, to have, to hold, to hold tonight

If I found a lucky penny
I'd toss it across the bay
Your love is worth all the gold on earth
No wonder that I say

Come on and be my little good luck charm
Uh-huh huh, you sweet delight
I want a good luck charm a-hanging on my arm
To have, to have, to hold, to hold tonight

Goodnight, Irene

Last Saturday night I got married.
Me and my wife settled down
Now me and my love are parted.
I'm gonna take another stroll downtown

Irene, goodnight, Irene, goodnight
Goodnight Irene, goodnight Irene
I'll see you in my dreams

Sometimes I live in the country.
Sometimes I live in the town
Sometimes I have a great notion
To jump In the river and drown

Repeat chorus

Ramblin' stop your gamblin'
Stop stayin' out late at night
Go home to your wife and your family
Sit down by the fireside bright

Repeat chorus

I asked your mother to marry you
She told me you was too young
I wish I'd never seen your face
I'm sorry I was ever born

Love her till the sea runs dry
If Irene turns her back on me
I'm gonna take morphine and die

The Glory of Love

You've got to give a little, take a little
And let your poor heart break a little
That's the story of, that's the glory of love

You've got to laugh a little, cry a little
Until the clouds roll by a little
That's the story of, that's the glory of love

As long as there's the two of us
We've got the world and all its charms
And when the world is through with us
We've got each other's arms

You've got to win a little, lose a little

That's the story of, that's the glory of
That's the story of, that's the glory of
That's the story of, that's the glory of love

Because of what I'm putting down
Uh-uh, baby, I'm your handyman

I'm not the kind to use a pencil or rule
I'm handy with the love and I'm no fool
I fix broken hearts, I know I really can

If your broken hearts need repair, I am the man to see
I whisper sweet things, you tell all your friends
They'll come runnin' to me

Here is the main thing I want to say
I'm busy hours a day
I fix broken hearts, I know I really can

Come-a, come-a, come-a, come-a, come, come

Harvest Moon

Come a little bit closer
Hear what I have to say
Just like children sleepin'
We could dream this night away
But there's a full moon risin'
Let's go dancin' in the light

We know where the music's playin'
Let's go out and feel the night
Because I'm still in love with you
I want to see you dance again

Because I'm still in love with you
On this harvest moon

When we were strangers
I watched you from afar
When we were lovers
I loved you with all my heart

But now it's gettin' late
And the moon is climbin' high
I want to celebrate
See it shinin' in your eye

Because I'm still in love with you
I want to see you dance again
Because I'm still in love with you
On this harvest moon

Have You Ever Seen the Rain?

Someone told me long ago
There's a calm before the storm
I know. It's been comin' for some time

When it's over, so they say
It'll rain a sunny day
I know, shinin' down like water

I wanna know, have you ever seen the rain
I wanna know, have you ever seen the rain
Comin' down a sunny day?

Yesterday and days before
Sun is cold and rain is hard
I know, been that way for all my time

Till forever, on it goes
Through the circle, fast and slow
I know, it can't stop, I wonder

I wanna know, have you ever seen the rain
I wanna know, have you ever seen the rain
Comin' down a sunny day?

Hello, Dolly

Hello, Dolly, well, hello, Dolly
It's so nice to have you back where you belong
You're lookin swell, Dolly, we can tell, Dolly
You're still glowin' you're still crowin' you're still goin' strong

We feel the room swayin' for the band's playin'
One of your old favorite songs from way back when
So, take her wrap, fellas. Find her an empty lap, fellas
Dolly'll never go away again

Hello, Mary Lou

You passed me by one sunny day
Flashed those big brown eyes my way
And, oo, I wanted you forever more
Now I'm not one that gets around
I swear my feet stuck to the ground
And though I never did meet you before

I said "Hello Mary Lou, goodbye heart
Sweet Mary Lou, I'm so in love with you
I knew Mary Lou we'd never part
So Hello, Mary Lou, goodbye heart"

I saw your lips I heard your voice
Believe me I just had no choice
Wild horses couldn't make me stay away
I thought about a moonlit night
My arms about good an' tight
That's all I had to see for me to say

Repeat chorus

Hey, Good Lookin'

Say hey, good lookin' whatcha got cookin'?
How's about cookin' something up with me?
Hey, sweet baby don't you think maybe
We can find us a brand new recipe?

I got a hot rod ford and a two dollar bill
And I know a spot right over the hill
There's soda pop and the dancin's free
So if you want to have fun come along with me

Hey, good lookin' whatcha got cookin'?
How's about cookin' something up with me?

I'm free and ready so we can go steady
How's about saving all your time for me
No more lookin' I know I been cookin'
How's about keepin' steady company?

I'm gonna throw my date book over the fence
And find me one for five or ten cents
I'll keep it 'til it's covered with age
'Cause I'm writin' your name down on every page

Hey, good lookin' whatcha got cookin'?
How's about cookin' something up with me?

Home on the Range

Oh, give me a home where the buffalo roam
And the deer and the antelope play
Where seldom is heard a discouraging word
And the skies are not cloudy all day

Home, home on the range
Where the deer and the antelope play
Where seldom is heard a discouraging word
And the skies are not cloudy all day

How often at night, when the heavens are bright
With the light from the glittering stars
Have I stood there amazed and asked as I gazed
If their glory exceeds that of ours

Home, home on the range
Where the deer and the antelope play
Where seldom is heard a discouraging word
And the skies are not cloudy all day

Hot Diggity (Dog Ziggity Boom)

Oh hot diggity, dog ziggity, boom what you do to me
It's so new to me, what you do to me
Hot diggity, dog ziggity, boom what you do to me
When you're holding me tight

Never dreamed anybody could kiss that a-way
Bring me bliss that a-way, what a kiss that a-way
What a wonderful feelin' to feel that a-way
Tell me where have you been all my life

Repeat chorus

Never knew that my heart could go "zing" that a-way
Ting-a-ling that a-way, make me sing that a-way
Said "goodbye" to my troubles, they went that a-way
Ever since you came into my life

Repeat chorus

There's a cute little cottage for two that a-way
Skies are blue that a-way, dreams come true that a-way
If you say I can share it with you that a-way
I'll be happy the rest of my life

Oh, hot diggity, dog ziggity, boom what you do to me
How my future will shine
Hot diggity, dog ziggity, boom what you do to me
From the moment you're mine. Hot dog!

House of the Rising Sun

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God I know I'm one

My mother was a tailor
She sewed my new blue jeans
My father was a gamblin' man
Down in New Orleans

Now the only thing a gambler needs
Is a suitcase and trunk
And the only time he was satisfied
Is when he's all drunk

Oh mother tell your children
Not to do what I have done
Spend your lives in sin and misery
In the House of the Rising Sun

Well, I got one foot on the platform
The other foot on the train
I'm goin' back to New Orleans
To wear that ball and chain

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God I know I'm one

How Much Is That Doggie in the Window

How much is that doggie in the window?
The one with the waggily tail
How much is that doggie in the window?
I do hope that dog is for sale

I must take a trip to California
And leave my poor sweetheart alone
If he has a dog, he won't be lonesome
And the doggie will have a good home

Repeat chorus

I read in the papers there are robbers
With flashlights that shine in the dark
If he has a doggie to protect him
He'll scare them away with one bark

Repeat chorus

I don't want a bunny or a kitty
I don't want a parrot that talks
I don't want a bowl of little fishies
You can't take a goldfish for a walk

I Can't Help It (If I'm Still In Love With You)

Today I passed you on the street
And my heart fell at your feet
I can't help it if I'm still in love with you

There was another by your side
And he looked so satisfied
I can't help it if I'm still in love with you

A picture from the past came slowly stealing
As I brushed your arm and walked so close to you
Then suddenly I got that old time feeling
I can't help it if I'm still in love with you

It's hard to know another's lips will kiss you
And hold you just the way I used to do
Oh, heaven only knows how much I miss you
I can't help it if I'm still in love with you
I can't help it if I'm still in love with you

I Can't Stop Loving You

I can't stop loving you. I've made up my mind
To live in memory of the lonesome times
I can't stop wanting you, it's useless to say
So I'll just live my life in dreams of yesterday

Those happy hours that we once knew
Though long ago, still make me blue
They same that time heals a broken heart
But time has stood still since we've been apart

If I Only Had a Brain

I could while away the hours
Conferrin' with the flowers
Consultin' with the rain
And my head I'd be scratchin'
While my thoughts were busy hatchin'
If I only had a brain

I'd unravel every riddle for any individdle
In trouble or in pain
With the thoughts you'd be thinkin'
You could be another Lincoln
If you only had a brain

Oh, I could tell you why
The ocean's near the shore
I could think of things I'd never thunk before
And then I'd sit and think some more

I would not be just a nuffin'
My head all full of stuffin'
My heart all full of pain
I would dance and be merry
Life would be a ding-a-derry

If I only had a brain
Gosh it would be awful pleasin'
To reason out the reason
For things I can't explain
\Then perhaps I'll derserve ya
And be even worthy of ya
If I only had a brain

If You Were the Only Girl in the World

If you were the only girl in the world
And I were the only boy

Nothing else would matter in the world today
We could go on loving in the same old way
A Garden of Eden just made for two
With nothing to mar our joy

I would say such wonderful things to you
There would be such wonderful things to do
If you were the only girl in the world
And I were the only boy

I Fall to Pieces

I fall to pieces

Each time I see you again

I fall to pieces

How can I be just your friend?

You want me to act like we've never kissed

You want me to forget. Pretend we've never met

And I've tried and I've tried but I haven't yet

You walk by and I fall to pieces

I fall to pieces

Each time someone speaks your name

I fall to pieces

Time only adds to the flame

You tell me to find someone else to love

Someone who loves me, too. The way you used to do

But each time I go out with someone new

You walk by and I fall to pieces

You walk by and I fall to pieces

If I Had a Hammer

If I had a hammer, I'd hammer in the mornin'
I'd hammer in the evenin' all over this land
I'd hammer out danger. I'd hammer out warnin'
I'd hammer out love between my brothers and my sisters
All, All over this land

If I had a bell, I'd ring it in the mornin'
I'd ring it in the evenin' all over this land
I'd ring out danger. I'd ring out danger.
I'd ring out love between my brothers and my sisters
All, All over this land

If I had a song, I'd sing it in the mornin'
I'd sing it in the evenin' all over this land
I'd sing out danger. I'd sing out warnin'
I'd sing out love between my brothers and my sisters
All, All over this land

Now I've got a hammer, and I've got a bell
And I've got a song to sing all over this land
It's the hammer of justice. It's the bell of freedom
It's the song about love between my brothers and my sisters

I'm Always Chasing Rainbows

I'm always chasing rainbows
Watching clouds drifting by
My schemes are just like all my dreams
Ending in the sky
Some fellows look and find the sunshine
I always look and find the rain
Some fellows make a winning sometime
I never even make a gain, believe me

I'm always chasing rainbows
Waiting to find a little bluebird in vain

I'm Forever Blowing Bubbles

I'm forever blowing bubbles, pretty bubbles in the air
They fly so high, nearly reach the sky
Then like my dreams, they fade and die

Fortune's always hiding. I've looked everywhere
I'm forever blowing bubbles, pretty bubbles in the air

I'm Gonna Sit Right Down and Write Myself a Letter

I'm gonna sit right down and write myself a letter
Oh and make believe it came from you
I'm gonna write words, oh, so sweet
They're gonna knock me off my feet
A lotta kisses at the bottom, and I'll be glad I've got 'em

I'm gonna smile and say, "I hope you're feelin' better"
And close "With love" the way you do
I'm gonna sit right down and write myself a letter
And make believe it came from you

I'm gonna sit right down and write myself a letter
And make believe it came, make believe it came
And make believe it came from you

I'm So Lonesome I Could Cry

Hear that lonesome whippoorwill
He sounds too blue to fly
The midnight train is whining low
I'm so lonesome I could cry

I've never seen a night so long
When time goes crawling by
The moon just went behind the clouds
To hide its face and cry

Did you ever see a robin weep
When leaves begin to die?
Like me, he's lost the will to live
I'm so lonesome I could cry

The silence of a falling star
Lights up a purple sky
And as I wonder where you are
I'm so lonesome I could cry
I'm so lonesome I could cry

In the Jailhouse Now

I had a friend named Ramblin' Bob
He used to steal, gamble, and rob
He thought he was the smartest guy around
Well, I found out last Monday
That Bob got locked up Sunday
They've got him in the jailhouse way downtown

He's in the jailhouse now. He's in the jailhouse now
Well, I tol' him once or twice
To stop playin' cards and shootin' dice
He's in the jailhouse now

Bob liked to play his poker, Pinochle, whist, and euchre
But shootin' dice was his favorite game
Well, he got throwed in jail, With nobody to go his bail
The judge done said that he refused the fine

And she started to callin' me honey

It's Only a Paper Moon

Say, it's only a paper moon
Sailing over a cardboard sea
But it wouldn't be make-believe
If you believed in me

Yes, it's only a canvas sky
Hanging over a muslin tree
But it wouldn't be make-believe
If you believed in me

Without your love
It's a honky-tonk parade
Without your love
It's a melody played in a penny arcade

It's a Barnum and Bailey world
Just as phony as it can be
But it wouldn't be make-believe
If you believed in me

It's a Sin to Tell a Lie

Be sure it's true when you say, "I love you"
It's a sin to tell a lie
Millions of hearts have been broken

If you break my heart, I'll die
So be sure it's true when you say, "I love you."
It's a sin to tell a lie

Nobody knows where my Johnny has gone
Judy left the same time
Why was he holding her hand
When he's supposed to be mine?

It's my party, and I'll cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you

Play all my records, keep dancin' all night
Leave me alone for a while
Till Johnny's dancin' with me
I've got no reason to smile

It's my party, and I'll cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you

Judy and Johnny just walked through the door
Like a queen with her king
Oh what a birthday surprise

It's my party, and I'll cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you
You would cry too if it happened to you

All the livelong day

I Walk the Line

I keep a close watch on this heart of mine
I keep my eyes wide open all the time
I keep the ends out for the tie that binds
Because you're mine, I walk the line

I find it very, very easy to be true
I find myself alone when each day is through
Yes, I'll admit that I'm a fool for you
Because you're mine, I walk the line

As sure as night is dark and days is light
I keep you on my mind both day and night
And happiness I've known proves that it's right
Because you're mine, I walk the line

You've got way to keep me on your side
You give me cause for love that I can't hide
For you I know I'd 'even try to turn the tide
Because you're mine, I walk the line

I keep my eyes wide open all the time

Because you're mine, I walk the line

Jamaica Farewell

Down the way where the nights are gay
And the sun shines daily on the mountain top
I took a trip on a sailing ship
And when I reached Jamaica I made a stop

But I'm sad to say I'm on my way
Won't be back for many a day
My heart is down, my head is turning around
I had to leave a little girl in Kingston town

Down the market you can hear
Ladies cry out while on their heads they bear
Ackee rice, salt fish are nice
And the rum is fine any time of year

But I'm sad to say I'm on my way
Won't be back for many a day
My heart is down, my head is turning around
I had to leave a little girl in Kingston town

Sounds of laughter everywhere
And the dancing girls sway to and fro
I must declare my heart is there
Though I've been from Maine to Mexico

But I'm sad to say I'm on my way
Won't be back for many a day
My heart is down, my head is turning around
I had to leave a little girl in Kingston town

Johnny B. Goode

Deep down in Louisiana close to New Orleans
Way back up in the woods among the evergreens
There stood a log cabin made of earth and wood
Where lived a country boy named Johnny B. Goode
Who never ever learned to read or write so well
But he could play a guitar just like a-ringing a bell

Go go! Go Johnny go! Go! Go Johnny go!
Go! Go Johnny go! Go! Go Johnny go!
Go! Johnny B. Goode!

He used to carry his guitar in a gunny sack
Go sit beneath the tree by the railroad track
Oh, the engineer would see him sittin' in the shade
Strummin' with the rhythm that the drivers made
The people passing by, they would stop and say
"Oh my, but that little country boy could play"

Repeat chorus

His mother told him, "Someday you will be a man
And you will be the leader of a big ol' band
Many people comin' from miles around
To hear you play your music when the sun go down
Maybe someday your name'll be in lights
Sayin' 'Johnny B. Goode tonight!'"

John Wesley Harding was a friend to the poor
He traveled with a gun in every hand
All along this countryside, he opened many a door
But he was never known to hurt an honest man

It was down in Chaynee County, a time they talk about
With his lady by his side he took a stand
And soon the situation there was all but straightened out
For he was always know to lend a helping hand

All across the telegraph, his name it did resound
But no charge held against him could be proved
And there was no man around
 who could track or chain him down
He was never known to make a foolish move

So many times I've played around

Any old dance that you wanna do
But let's dance, but let's dance

A Little Bit of Soap

A little of soap will wash away your lipstick on my face
But a little of soap will never, never, never ever erase
The pain in my heart and my eyes
As I go through the lonely years
A little bit of soap will never wash away my tears

A little of soap will wash away your powder from my chin
A little of soap will never, never, never ever begin
To take away the hurt that I feel
As I go through the lonely years
A little bit of soap will never wash away my tears

Have you heard, when love begins to die
He isn't one to cry, night and day
But like a bird, you left your robin's nest
And just like all the rest, you flew away

A little of soap will take away your perfume eventually
But a little of soap will never wash away the memory
Of your name in the night that I call through the lonely years
A little bit of soap will never wash away my tears

I'll never lose the memory of your name in the night
That I call through the lonely years
A little bit of soap will never wash away my tears
A little bit of soap will never wash away my tears
It's gonna never, never, never wash away my tears

A Little Bitty Tear

A little bitty tear let me down
Spoiled my act as a clown
I had it made up not make a frown
But a little bitty tear let me down

You said you were leaving tomorrow
That today was our last day
I said there'd be no sorrow
That I'd laugh when you walked away

Repeat chorus

I said I'd laugh when you left me
Pull a funny as you went out the door
That I'd have another waiting
And I'd wave goodbye as you go

Repeat chorus

Everything went like I planned it
And I really put on quite a show
In my heart I felt I could stand it
Till you walked with your grip through the door

Repeat chorus

A little bitty tear let me down

Loch Lomond

By yon bonnie banks and by yon bonnie braes
Where the sun shines bright o' Loch Lomond
Where me and my true love were ever wont to gae
On the bonnie, bonnie banks of Loch Lomond

Oh! You'll take the high road, and I'll take the low road
And I'll be in Scotland afore ye
But me and my true love will never meet again
On the bonnie, bonnie banks of Loch Lomond

'Twas then that we parted, in yon shady glen
On the steep, steep side of Ben Lomond
Where in purple hue, the Highland hills we view
And the moon coming out in the gloaming

Oh! You'll take the high road, and I'll take the low road
And I'll be in Scotland afore ye
But me and my true love will never meet again
On the bonnie, bonnie banks of Loch Lomond

The wee birdies sing, and the wildflowers spring
And in sunshine the waters are sleeping
But the broken heart will ken nae second spring again
Tho' the woeful may cease frae their grieving

Oh! You'll take the high road, and I'll take the low road
And I'll be in Scotland afore ye
But me and my true love will never meet again
On the bonnie, bonnie banks of Loch Lomond

The Locomotion

Everybody's doin' a brand new dance now

Come on, baby, do the locomotion

I know you'll get to like it if you give it a chance now

Come on, baby, do the locomotion

My little baby sister can do it with ease

It's easier than learning your ABCs

So come on, come on, do the locomotion with me

You gotta swing your hips now

Come on, baby, jump up, jump back

Oh, well, I think you've got the knack

Now that you can do it, let's make a chain now

Come on, baby, do the locomotion

Chug-a chug-a motion like a railway train now

Come on, baby, do the locomotion

Do it nice and easy now don't lose control

A little bit of rhythm and a lot of soul

So come on, come on, do the locomotion with me

Move around the floor in a locomotion

Come on, baby, do the locomotion

Do it holding hands if you got the notion

Come on, baby, do the locomotion

There's never been a dance that's so easy to do

It even makes you happy when you're feeling blue

So come on, come on, do the locomotion with me

Come on, baby, do the locomotion

Come on, baby, do the locomotion

Lookin' Out My Back Door

Just got home from Illinois, lock the front door, oh boy!
Got to sit down, take a rest on the porch
Imagination sets in, pretty soon I'm singin
Doo, doo, doo, lookin out my back door

There's a giant doing cartwheels, a statue wearin high heels
Look at all the happy creatures dancin on the lawn
A dinosaur Victrola lis'ning to Buck Owens
Doo, doo, doo, lookin out my back door

Tambourines and elephants are playing in the band
Won't you take a ride on the flyin spoon? Doo, doo doo
Wond'rous apparition provided by magician
Doo, doo, doo, lookin out my back door

Tambourines and elephants are playing in the band
Won't you take a ride on the flyin spoon? Doo, doo doo
Bother me tomorrow, today, I'll buy no sorrows
Doo, doo, doo, lookin out my back door

Forward troubles Illinois, lock the front door, oh boy!
Look at all the happy creatures dancing on the lawn
Bother me tomorrow, today, I'll buy no sorrows

Love Me Tender

Love me tender, love me sweet. Never let me go
You have made my life complete. And I love you so

Love me tender, love me true. All my dreams fulfill
For my darling, I love you. And I always will

Love me tender, love me long. Take me to your heart
For it's there that I belong. And we'll never part

Love me tender, love me true. All my dreams fulfill
For my darling, I love you. And I always will

Love Potion Number Nine

I took my troubles down to Madame Ruth
You know that gypsy with the gold-capped tooth
She's got a pad down on Thirty-Fourth and Vine
Selling little bottles of love potion number nine

I told her that I was a flop with chicks
I've been this way since 1956
She looked at my palm and she made a magic sign
She said "What you need is love potion number nine"

She bent down and turned around and gave me a wink
She said "I'm gonna make it up right here in the sink"
It smelled like turpentine, it looked like Indian ink
I held my nose, I closed my eyes, I took a drink

I didn't know if it was day or night
I started kissing everything in sight
But when I kissed a cop down on Thirty-Fourth and Vine
He broke my little bottle of Love Potion Number Nine

I held my nose, I closed my eyes, I took a drink
I didn't know if it was day or night
I started kissing everything in sight

But when I kissed a cop down on Thirty-Fourth and Vine
He broke my little bottle of Love Potion Number Nine
Love potion number nine
Love Potion number nine

Make the World Go Away

Make the world go away
And get it off my shoulders
Say the things you used to say
And make the world go away

Do you remember when you loved me
Before the world took me astray
If you do, then forgive me
And make the world go away

Make the world go away
And get it off my shoulders
Say the things you used to say
And make the world go away

I'm sorry if I hurt you
I'll make it up day by day
Just say you love me like you used to
And make the world go away

Make the world go away
And get it off my shoulders
Say the things you used to say
And make the world go away
Say the things you used to say
And make the world go away

Margaritaville

Nibblin' on sponge cake. Watchin' the sun bake
All of us tourists covered with oil
Strummin' my six-string. On my front porch swing
Smell those shrimp, they're beginnin' to boil

Wastin' away again in Margaritaville
Searchin' for my lost shaker of salt
Some people claim that there's a woman to blame
But I know, nobody's fault.

Don't know the reason. Stayed here all season
Nothing to show but this brand new tattoo
But it's a real beauty. A Mexican cutie
How it go here, I haven't got a clue

Wastin' away again in Margaritaville
Searchin' for my long lost shaker of salt
Some people claim that there's a woman to blame
Now I think, hell, it could be my fault

I blew out my flip flop. Stepped on a pop top
Cut my heel, had to cruise on back home
But there's booze in the blender. And soon it will render
That frozen concoction that helps me hang on

Repeat chorus

Margie

My little Margie, I'm always thinking of you
Margie, I'll tell the world I love you
Don't forget your promise to me
I have bought a home and ring
And everything for

Margie, you've been my inspiration
Days are never blue
After all is said and done There is really only one
Oh, Margie, Margie, it's you

The Midnight Special

Well, you wake up in the mornin', you hear the work bell ring
And they march you to the table, you see the same old thing
Ain't no food upon the table, there's no pork up in the pan
But you better not complain, boy, you get in trouble with the man

Let the Midnight Special shine a light on me
Let the Midnight Special shine a light on me
Let the Midnight Special shine a light on me
Let the Midnight Special shine a ever-lovin' light on me

Yonder come miss Rosie, how in the world did you know?
By the way she wears her apron, and the clothes she wore
Umbrella on her shoulder, piece of paper in her hand
She come to see the gov'nor, she want to free her man

Let the Midnight Special shine a light on me
Let the Midnight Special shine a light on me
Let the Midnight Special shine a light on me
Let the Midnight Special shine a ever-lovin' light on me

If you're ever in Houston, well, you better do the right
You better not gamble, there, you better not fight, at all
Or the sheriff will grab ya and the boys will bring you down
The next thing you know, boy, Oh! You're prison bound

Let the Midnight Special shine a light on me
Let the Midnight Special shine a light on me
Let the Midnight Special shine a light on me
Let the Midnight Special shine a ever-lovin' light on me

Moonlight Bay

We were sailing along on Moonlight Bay

We could hear the voices ringing. They seemed to say

"You have stolen her heart. Now don't go 'way"

As we sang love's old sweet song on Moonlight Bay

Mockingbird Hill

When the sun in the morning peeps over the hill
And kisses the roses 'round my windowsill
Then my heart fills with gladness when I hear the trill
Of the birds in the treetops on Mockingbird Hill

Tra la la, tweedle dee dee dee It gives me a thrill
To wake up in the morning To the mockingbird's trill
Tra la la tweedle dee dee dee
There's peace and goodwill
You're welcome as the flowers on Mockingbird Hill

Got a three-cornered plow and an acre to till
And a mule that I bought for a ten-dollar bill
There's a tumble-down shack and a rusty old mill
But it's my Home Sweet Home up on Mockingbird Hill

Tra la la, tweedle dee dee dee It gives me a thrill
To wake up in the morning To the mockingbird's trill
Tra la la tweedle dee dee dee
There's peace and goodwill
You're welcome as the flowers on Mockingbird Hill

When it's late in the evening I climb up the hill
And survey all my kingdom while everything's still
Only me and the sky and an old whippoorwill
Singin' songs in the twilight on Mockingbird Hill

Mr. Bojangles

I knew a man Bojangles and he danced for you
In worn out shoes
Silver hair, a ragged shirt and baggy pants
The old soft shoe
He jumped so high. He jumped so high
Then he'd lightly touched down

I met him in a cell in New Orleans I was
Down and out
He looked to me to be the eyes of age
As he spoke right out
He talked of life. He talked of life
He lightly clicked his heels instead

He said the name Bojangles and he danced a lick
Across the cell
He grabbed his pants and spread his stance
He jumped so high. He clicked his heels
He let go a laugh. He let go a laugh
Shook back his clothes all around
Mr Bojangles, Mr Bojangles
Mr Bojangles, dance

We danced for those at minstrel shows and county fairs
Throughout the south
We spoke in tears of fifteen years
How his dog and him. They travelled about
His dog up and died. He up and died
After twenty years he still grieves

He said I dance now at every chance and honky-tonks
For drinks and tips
But most the time I spend behind these county bars
Cause I drinks a bit

He shook his head and as he shook his head
I heard someone ask please
Mr Bojangles, Mr Bojangles
Mr Bojangles, dance

Girls as sharp as her are somethin' rare
But it's sad, she doesn't love me now
She's made it clear enough it ain't no good to pine

My Favorite Things

Raindrops on roses and whiskers on kittens
bright copper kettles and warm woolen mittens
brown paper packages tied up with strings
these are a few of my favorite things

Cream colored ponies and crisp apple strudels
door bells and sleigh bells and schnitzel with noodles
Wild geese that fly with the moon on their wings
these are a few of my favorite things

Girls in white dresses with blue satin sashes
snowflakes that stay on my nose and eyelashes
silver white winters that melt into springs
these are a few of my favorite things

When the dog bites, when the bee stings
when I'm feeling sad
I simply remember my favorite things
and then I don't feel so bad

My Girl

I've got sunshine on a cloudy day
When it's cold outside, I've got the month of May
I guess you'd say, what can make me feel this way?
My girl, (my girl, my girl) talkin' 'bout my girl (my girl)

I've got so much honey, the bees envy me
I've got a sweeter song than the birds in the trees
Well, I guess you'd say, what can make me feel this way?
My girl, (my girl, my girl) talkin' 'bout my girl (my girl)

I don't need no money, fortune, or fame
I've got all the riches, baby, one man can claim
Well, I guess you'd say, what can make me feel this way?
My girl, (my girl, my girl) talkin' 'bout my girl (my girl)

My Old Kentucky Home

The sun shines bright on my old Kentucky home
Tis summer, the people are gay
The corn top's ripe and the meadow's in bloom
While the birds make music all the day

The young folks roll on the little cabin floor
All merry, all happy and bright
By 'n by hard times come a-knocking at the door
Then my old Kentucky home good night

Weep no more, my lady. Oh, weep no more, today
We will sing one song for the old Kentucky home
For the old Kentucky home far away

The head must bow and the back will have to bend
Wherever the poor folks may go
A few more days and the trouble will end
In the field where sugarcane may grow

A few more days for to tote the weary load
No matter, 'twill never be light
A few more days till we totter on the road
Then my old Kentucky home, good night

Weep no more, my lady. Oh, weep no more, today
We will sing one song for the old Kentucky home
For the old Kentucky home far away

Ob-La-Di, Ob-La-Da

Desmond has a barrow in the marketplace

Molly is the singer in a band

Desmond says to Molly, "Girl, I like your face"

And Molly says this as she takes him by the hand

Ob-la-di, ob-la-da, life goes on, bra

La-la, how the life goes on

Ob-la-di, ob-la-da, life goes on, bra

La-la, how the life goes on

Desmond takes a trolley to the jeweller's store

Buys a twenty carat golden ring

Takes it back to Molly waiting at the door

And as he gives it to her she begins to sing

Repeat chorus

In a couple of years they have built

A home sweet home

With a couple of kids running in the yard

Of Desmond and Molly Jones

Happy ever after in the market place

Desmond lets the children lend a hand

Molly stays at home and does her pretty face

And in the evening she still sings it with the band

We don't take our trips on LSD

We don't burn our draft cards down on Main Street

We like livin' right, and bein' free

We don't make a party out of lovin'

We like holdin' hands and pitchin' woo

A place where even squares can have a ball

We still wave Old Glory down at the courthouse

And white lightnin's still the biggest thrill of all

Leather boots are still in style for manly footwear

Beads and Roman sandals won't be seen

Football's still the roughest thing on campus

And the kids here still respect the college dean

Pretty woman, walkin' down the street
Pretty woman, the kind I like to meet
Pretty woman, I don't believe you, you're not the truth
No one could look as good as you. Mercy!

Pretty woman, won't you pardon me
Pretty woman, I couldn't help but see
Pretty woman, that you look lovely as can be
Are you lonely just like me? Grrrrowl!

Pretty woman, stop awhile
Pretty woman, talk a while
Pretty woman, give your smile to me

Is she walkin' back to me?

I'm goin' to Louisiana, my true love for to see

It rain'd all night the day I left, the weather it was dry
The sun so hot I froze to death

With my banjo on my knee

I had a dream the other night, when everything was still
I thought I saw Susanna a-coming down the hill
The buckwheat cake was in her mouth
the tear was in her eye
Says I, "I'm coming' from the south
Susanna, don't you cry."

Oh! Susanna, oh don't you cry for me

There's a bright, golden haze on the meadow
There's a bright, golden haze on the meadow
The corn is as high as an elephant's eye
And it looks like it's climbin' clear up to the sky

Oh, what a beautiful mornin'
Oh, what a beautiful day
I got a beautiful feelin'
Everything's goin' my way

All the cattle are standin' like statues
All the cattle are standin' like statues
They don't turn their heads as they see me ride by
But a little brown mav'rick is winkin' her eye

All the sounds of the earth are like music

And an old weepin' willer is laughin' at me

Oh, what a beautiful day

Everything's goin' my way

Oh, You Beautiful Doll

Oh! You beautiful doll
You great big beautiful doll
Let me put my arms about you

If you ever leave me, how my heart will ache
I want to hug you but I fear you'd break

On the Street Where You Live

I have often walked down this street before
But the pavement always stayed beneath my feet before
All at once am I several stories high
Knowing I'm on the street where you live

Are there lilac trees in the heart of town?
Can you hear a lark in any other part of town?
Does enchantment pour out of every door?
No, it's just on the street where you live

And oh, the towering feeling
Just to know somehow you are near
The overpowering feeling
That any moment you may suddenly appear

People stop and stare, they don't bother me
For there's nowhere else on earth that I would rather be
Let the time go by, I won't care if I
Can be here on the street where you live

Old Man River

Old man river, old man river

He must know somthin', but don't say nothin

He just keeps rollin, he keeps on rollin' along

He don't plant taters, he don't plant cotton

An' them that plants em is soon forgotten

But old man river he just keeps rollin' along

You and me we sweat and strain

Body all achin' and racked with pain

Tote that barge! Lift that bale!

Get a little drunk and you land in jail

I get weary and sick of tryin

I'm tired of livin' and feared of dyin'

But old man river, he jus' keep rollin' along

On the Sunny Side of the Street

Get your coat and grab your hat

Leave your worries on the doorstep

Just direct your feet on the sunny side of the street

Can't you hear a pitter-pat?

And that happy tune is your step

Life can be so sweet on the sunny side of the street

I used to walk in the shade with those blues on parade

But I'm not afraid. This rover's crossed over

If I never have a cent, I'd be rich as Rockefeller

With gold dust at my feet on the sunny side of the street

On Top of Old Smokey

On top of old smokey all covered with snow
I lost my true lover for courting too slow

For courting's a pleasure and parting's a grief
And a false hearted lover is worse than a thief

For a thief will just rob you and take all you save
But a false hearted lover will lead you to the grave

And the grave will decay you and turn you to dust
Not one girl in a hundred a poor boy can trust

They'll hug you and kiss you and tell you more lies
Than cross lines on a railroad or stars in the skies

So come all your maidens and listen to me
Never place your affections on a green willow tree

For the leaves they will wither and the roots they will die
You'll all be forsaken and never know why

Over the Rainbow

Somewhere over the rainbow, way up high
There's a land that I heard of once in a lullaby

Somewhere over the rainbow skies are blue
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melts like lemon drops
Away above the chimney top
That's where you'll find me

Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow. Why then, oh, why can't I?
If happy little bluebirds fly beyond the rainbow
Why, oh, why can't I?

Peggy Sue

If you knew Peggy Sue
Then you'd know why I feel blue
Without Peggy, my Peggy Sue
Oh well, I love you gal. Yes, I love you Peggy Sue

Peggy Sue, Peggy Sue
Oh how my heart yearns for you
Oh Peggy, my Peggy Sue
Oh well, I love you gal. Yes, I love you Peggy Sue

Peggy Sue, Peggy Sue
Pretty, pretty, pretty, pretty Peggy Sue
Oh Peggy, My Peggy Sue
Oh well, I love you gal. And I need you Peggy Sue

I love you Peggy Sue
With a love so rare and true
Oh Peggy, my Peggy Sue
Well I love you gal. I want you Peggy Sue

Peggy Sue, Peggy Sue
Pretty, pretty, pretty, pretty Peggy Sue
Oh Peggy, My Peggy Sue
Oh well, I love you gal. And I need you Peggy Sue

I love you Peggy Sue
With a love so rare and true
Oh Peggy, my Peggy Sue
Well I love you gal. I want you Peggy Sue

Pennies From Heaven

Ev'ry time it rains, it rains pennies from heaven
Don't you know each cloud contains pennies from heaven?

You'll find your fortune falling all over town
Be sure that your umbrella

If you want the things you love, you must have showers
So when you hear it thunder, don't run under a tree
There'll be pennies from heaven for you and me

From my boyfriend so far away
Please, Mr. Postman, look and see
Is there a letter, a letter for me

I've been standing here waiting, Mr. Postman
So-oh-oh patiently
For just a card or just a letter
Saying he's returning to me

Mr. Postman, look and see
Is there a letter in your bag for me?
I've been waiting such a long time
Since I hear from that boyfriend of mine

So many years you pass me by
You saw the tear standing in my eye
You wouldn't stop to make me feel better
By leaving me a card or a letter
You better wait a minute, wait a minute
Wait a minute, wait a minute
Please, Mr. Postman. Deliver de letter de sooner de better

Pretty Baby

Everybody loves a baby
That's why I'm in love with you
Pretty baby, pretty baby

And I'd like to be your sister
Brother, dad and mother too
Pretty baby, pretty baby

Won't you come and let me
Rock you in my cradle of love?
And we'll cuddle all the time

Oh, I want a lovin', baby
And it might as well be you
Pretty baby of mine
Pretty baby of mine

Proud Mary

Left a good job in the city
Workin for the man ev'ry night and day
And I never lost one minute of sleepin
Worryin' 'bout the way things might have been
Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river

Cleaned a lot of plates in Memphis
Pumped a lot of pain down in New Orleans
But I never saw the good side of the city
Till I hitched a ride on a river boat queen
Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river

If you come down to the river
Betcha gonna find some people who live
You don't have to worry tho you have no money
People on the river are happy to give
Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river

Puff the Magic Dragon

Puff, the magic dragon lived by the sea
And frolicked in the autumn mist in a land called Honah Lee
Little Jackie Paper loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff

Puff, the magic dragon lived by the sea
And frolicked in the autumn mist
In a land called Honah Lee
Puff, the magic dragon lived by the sea
And frolicked in the autumn mist
In a land called Honah Lee

Together they would travel on a boat with billowed sail
Jackie kept a lookout perched on Puff's gigantic tail
Noble kings and princes would bow whene'er they came
Pirate ships would lower their flags
when Puff roared out his name

A dragon lives forever but not so little boys
Painted wings and giant rings make way for other toys
One grey night it happened, Jackie Paper came no more
And Puff that mighty dragon, he ceased his fearless roar

His head was bent in sorrow, green scales fell like rain
Puff no longer went to play along the cherry lane
Without his lifelong friend, Puff could not be brave
So Puff that mighty dragon
sadly slipped into his cave

Red River Valley

From this valley they say you are going
We will miss your bright eyes and sweet smile
For they say you are taking the sunshine
Which has brightened our pathways a while

Come and sit by my side if you love me
Do not hasten to bid me adieu
But remember the Red River Valley
And the girl that has loved you so true

Return to Sender

Return to sender. Return to sender.

I gave a letter to the postman. He put it his sack
Bright in early next morning, he brought my letter back

She wrote upon it:

Return to sender, address unknown

No such number, no such zone

We had a quarrel, a lovers' spat

I write I'm sorry but my letter keeps coming back

So then I dropped it in the mailbox and sent it special D

Bright in early next morning, it came right back to me

She wrote upon it:

Return to sender, address unknown

No such number, no such zone

This time I'm gonna take it myself

And put it right in her hand

And if it comes back the very next day

Then I'll understand the writing on it

Return to sender, address unknown

No such number, no such zone

Return to sender. Return to sender...

Rhythm of the Rain

Listen to the rhythm of the falling rain
Telling me just what a fool I've been
I wish that it would go and let me cry in vain
And let me be alone again

The only girl I care about has gone away
Looking for a brand new start
But little does she know that when she left that day
Along with her she took my heart

Rain please tell me, now does that seem fair
For her to steal my heart away when she don't care
I can't love another when my heart's somewhere far away

Repeat chorus

Rain won't you tell her that I love her so
Please ask the sun to set her heart aglow
Rain in her heart and let the love we knew start to grow

Listen to the rhythm of the falling rain
Telling me just what a fool I've been
I wish that it would go and let me cry in vain
And let me be alone again

Oh, listen to the rhythm of the falling rain
Pitter patter, pitter patter
Listen to, listen to the falling rain
Pitter patter, pitter patter

Ring of Fire

Love is a burning thing
And it makes a fiery ring
Bound by wild desire
I fell into a ring of fire
I fell into a burning ring of fire
I went down, down, down
And the flames went higher
And it burns, burns, burns
The ring of fire, the ring of fire

The taste of love is sweet
When hearts like ours meet
I fell for you like a child
Oh, but the fire went wild
I fell into a burning ring of fire
I went down, down, down
And the flames went higher
And it burns, burns, burns
The ring of fire, the ring of fire

Gonna rock, gonna rock around the clock tonight

When the clock strikes two, three and four

Saturday Night at the Movies

Saturday night at eight o'clock I know where I'm gonna go
I'm gonna pick my baby up And take her to the picture show
Everybody in the neighborhood is dressin' up to be there too
And we're gonna have a ball just like we always do

Saturday night at the movies
who cares what picture we see?
When you're huggin' with your baby
In the last row of the balcony

They got Technicolor and Cinemascope,
the best out of Hollywood
And the popcorn from the candy stand
makes it all taste twice as good
There's always lots of pretty girls
with figures they don't try to hide
But they never can compare
to the girl sittin' by my side

Saturday night at the movies
who cares what picture we see?
When you're huggin' with your baby
In the last row of the balcony

Save the Last Dance for Me

You can dance every dance with
the guy who gives you the eye
Let him hold you tight
You can smile every smile for the man who held your hand
'Neath the pale moonlight

But don't forget who's taking you home
And in whose arms you're gonna be
Oh, darling, save the last dance for me

Oh, I know that the music is fine like sparkling wine
Go and have your fun
Laugh and sing but while we're apart
Don't give your heart to anyone

But don't forget who's taking you home
And in whose arms you're gonna be
Oh, darling, save the last dance for me

Baby, don't you know I love you so?
Can't you feel it when we touch?
I will never ever let you go.
Cause I love you, oh, so much

Repeat first verse and chorus

Sentimental Journey

I'm gonna take a sentimental journey
I'm gonna set my heart at ease
I'm gonna make a sentimental journey
To renew old memories

I got my fare got my reservation
Spent every dime I could afford
Like a child in wild anticipation
I long to hear that all aboard

Seven, that's the time we leave at seven
I'll be waiting up for heaven
Counting every mile of railroad track
That takes me back

I never thought my heart could be so yearny
Why did I decide to roam
I'm gonna take a sentimental journey
Sentimental journey home

Seventy-six Trombones

Seventy six trombones led the big parade
With a hundred and ten cornets close at hand
They were followed by rows and rows of the finest virtuosos
The cream of ev'ry famous band

Seventy six trombones caught the morning sun
With a hundred and ten cornets right behind
There were more than a thousand reeds springing up like
weeds
There were horns of ev'ry shape and kind

There were copper-bottom tympani in horse platoons
Thundering, thundering, all along the way
Double-bell euphoniums and big bassoons
Each bassoon having his big fat say

There were fifty mounted cannon in the battery
Thundering, thundering, louder than before
Clarinets of eve'ry size and trumpeters who'd improvise
A full octave higher than the score

Seventy six trombones led the big parade
When the order to march rang out loud and clear
Starting off with a big bang bong on a Chinese gong
By a big bang bonger at the rear

Seventy six trombones hit the counter point
While a hundred and ten cornets played the air
Then I modestly took my place as the one and only bass
And I oompahed up and down the square

Oh, Shenandoah, I long to hear you

Snow time ain't no time to stay outdoors and spoon

She's Got You

I've got your picture that you gave to me
And it's signed, "With love," just like it used to be
The only thing different, the only thing new
I've got your picture, she's got you

I've got your records that we used to share
And they still sound the same as when you were here
The only thing different, the only thing new
I've got the records, she's got you

I've got your memory, or has it got me
I really don't know, but I know it won't let me be

I've got your class ring that proved you care
And it still looks the same as when you gave it, dear
The only thing different, the only thing new
I've got these little things, she's got you

I've got your memory, or has it got me
I really don't know, but I know it won't let me be

I've got your class ring that proved you care
And it still looks the same as when you gave it, dear
The only thing different, the only thing new
I've got these little things, she's got you

Side by Side

Oh, we ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along singing a song, side by side

Oh, we don't know what's coming tomorrow
Maybe it's trouble and sorrow
But we'll travel the road sharing the load, side by side

Through all kinds of weather
What if the sky should fall?
As long as we're together
It doesn't matter at all

When they've all had their troubles and parted
We'll be the same as we started
Just travelin' along, singin' a song, side by side

Singing in the Rain

I'm singin' in the rain, just singin' in the rain
What a glorious feeling I'm happy again
I'm laughing at clouds so dark above
The sun's in my heart and I'm ready for love

Let the stormy clouds chase everyone from the place
Come on with the rain, I've a smile on my face
I'll walk down the lane with a happy refrain
Just singin', singin' in the rain

Silhouettes

Took a walk and passed your house late last night
All the shades were pulled and drawn way down tight
From within a dim light cast two silhouettes on the shade
Oh, what a lovely couple they made

Put his arms around your waist, held you tight
Kisses I could almost taste in the night
Wondered why I'm not the guy whose
 silhouette's on the shade
I couldn't hide the tears in my eyes

Silhouettes, silhouettes, silhouettes,
Silhouettes, silhouettes, silhouettes, ay oh
Silhouettes, silhouettes, silhouettes,
Silhouettes, silhouettes, silhouettes, ay oh

Lost control and rang your bell. I was sore
Let me in or else I'll beat down your door!
When two strangers who had been
 two silhouettes on the shade
Said to my shock, "You're on the wrong block."

Rushed down to your house with wings on my feet
Loved you like I'd never loved you my sweet
Vowed that you and I would be two silhouettes on the shade
All of our days, two silhouettes on the shade

Repeat chorus

Two silhouettes on the shade

Singing the Blues

Well, I never felt more like singing the blues
Cuz I never thought that I'd ever lose your love dear
Why'd you do me this way?

Well, I never felt more like crying all night
Cuz everything's wrong and nothing ain't right without you
You got me singing the blues

The moon and the stars no longer shine
The dream is gone I thought was mine
There's nothing left for me to do but cry-y-y-y over you

Well, I never felt more like running away
But why should I go, cuz I couldn't stay without you
You got me singing the blues

Sittin' on the Dock of the Bay

Sittin' in the morning sun
I'll be sittin' with the evening comes
Watching the ships roll in
Then I watch 'em roll away again

Sittin' on the dock of the bay
Watching the tide roll away
Just sittin' on the dock of the bay, wastin' time

I left my home in Georgia
Headed for the Frisco Bay
I've had nothin' to live for
Look like nothin's gonna come my way

Repeat chorus

Looks like nothin's gonna change
Everything still remains the same
I can't do what ten people tell me to do
So I guess I'll remain the same

Sittin' here resting my bones
And this loneliness won't leave me alone
It's two-thousand miles I roamed
Just to make this dock my home

Repeat chorus

Smoky Places

Meeting in smoky places
Hiding in shadowy corners
Dancing where no one knows our faces
Sharing love stolen in the night in smoky places

Oh, how I cried your wedding day
I thought my heart would break
Now you regret your wedding day
You've paid for your sad mistake

Meeting in smoky places
Hiding in shadowy corners
Dancing where no one knows our faces
Sharing love stolen in the night in smoky places

Some sunny day he will set you free
Free to be by my side
Some sunny day, Sweetheart, he'll set you free
We'll be satisfied

Meeting in smoky places
Hiding in shadowy corners
Dancing where no one knows our faces
Sharing love stolen in the night in smoky places
Sharing love stolen in the night in smoky places

Someday Soon

There's a young man that I know
His age is twenty-one
He comes from down in Southern Colorado
He's just out of the service
Looking for his fun
Someday soon going with him, someday soon

My parents cannot stand him
Cuz he rides the rodeo
My father says that he will leave me crying
But I will follow him right down
The roughest road I know
Someday soon going with him, someday soon

When he comes to call my pa,
 he ain't got a good word to say
That's cause he just as wild in the younger days

So blow you old blue northern, blow my love to me
He's drivin' in tonight from California
He loves his damn old rodeo
As much as he loves me
Someday soon going with him someday soon

All I do is stay at home, And I tell her to

Soothe me, baby, soothe me
Soothe me with your kindness
For you know your powerful lovin' is
Soothing to me

Oh, I used to have a lot of girls
Had them big and small
Oh, but since I met that baby of mine
I don't want no other girls at all, I just tell her

Soothe me, baby, soothe me
Soothe me with your kindness
For you know your powerful lovin' is

Stand By Me

When the night has come and the land is dark
And the moon is the only light we'll see
No, I won't be afraid. No, I won't be afraid
Just as long as you stand, stand by me

Darlin', darlin', stand by me, Oh, stand by me
Oh, stand, stand by me, stand by me

If the sky that we look upon should tumble and fall
Or the mountain should crumble to the sea
I won't cry, I won't cry, no, I won't shed a tear
Just as long as you stand, stand by me

Darlin', darlin', stand by me, Oh, stand by me
Oh, stand, stand by me, stand by me
Whenever you're in trouble, won't you stand by me
Oh, stand by me
Oh, stand, stand by me, stand by me

Stand By Your Man

Sometimes it's hard to be a woman
Giving all your love to just one man
You'll have bad times
And he'll have good times
Doing things that you don't understand
But if you love him you'll forgive him
Even though he's hard to understand
And if you love him
Oh be proud of him
Cause after all he's just a man
Stand by your man
Give him two arms to cling to
And something warm to come to

When nights are cold and lonely
Stand by your man
And tell the world you love him
Keep giving all the love you can
Stand by your man
Stand by your man
And tell the world you love him
Keep giving all the love you can
Stand by your man

Swinging on a Star

Would you like to swing on a star

And be better off than you are

Or would you rather be a mule?

A mule is an animal with long funny ears
He kicks up at anything he hears
His back is brawny, but his brain is weak
He's just plain stupid with a stubborn streak
And by the way, if you hate to go to school
You may grow up to be a mule

And though he slippery, he still gets caught
But then if that sort of life is what you wish

Take Me Home Country Roads

Almost heaven, West Virginia

Blue Ridge Mountains, Shenandoah River

Life is old there, older than the trees

Younger than the mountains, growin' like a breeze

Country roads, take me home

To the place I belong

West Virginia, mountain mama

Take me home, country roads

All my mem'ries gather 'round her

Miner's lady, stranger to blue water

Dark and dusty, painted on the sky

Misty taste of moonshine, teardrop in my eye

Country roads, take me home

To the place I belong

West Virginia, mountain mama

Take me home, country roads

I hear her voice, in the mornin' hour she calls me

Radio reminds me of my home far away

Drivin' down the road I get the feelin' that I

Should have been home yesterday, yesterday

Country roads, take me home

A Teenager in Love

Each time we have a quarrel, it almost breaks my heart
Cause I'm so afraid that we will have to part
Each night I ask the stars up above
Why must I be a teenager in love?

One day I feel so happy, next day I feel so sad
I guess I'll learn to take the good with the bad
Each night I ask the stars up above
Why must I be a teenager in love?

I cried a tear for nobody but you
I'll be a lonely one, if you should say we're through

Well, if you want to make me cry, that won't be so hard to do
And if you should say goodbye, I'll still go on loving you
Each night I ask the stars up above
Why must I be a teenager in love?

I cried a tear for nobody but you
I'll be a lonely one, if you should say we're through

Well, if you want to make me cry, that won't be so hard to do
And if you should say goodbye, I'll still go on loving you
Each night I ask the stars up above
Why must I be a teenager in love?
Why must I be a teenager in love?
Why must I be a teenager in love?
Why must I be a teenager in love?

Tell Him

I know something about love. You gotta want it bad
If that guy's got into your blood, go out and get him
If you want him to be the very part of you
Makes you want to breathe, here's the thing to do

Tell him that you're never gonna leave him
Tell him that you're always gonna love him
Tell him, tell him, tell him, tell him right now

I know something about love. You gotta show him
Make him see the moon up above, go out and get him
If you want him to make your heart sing out
If you want him to only think of you

Tell him that you're never gonna leave him
Tell him that you're always gonna love him
Tell him, tell him, tell him, tell him right now

Ever since the world began It's been that way for men
And women were created to make love their destiny
Then why should true love be so complicated, oh, yeah

I know something about love. You've got to take him
Show him what the world is made of. One kiss could prove it
If you want him to be always by your side

Take his hand tonight, swallow your foolish pride
Tell him that you're never gonna leave him
Tell him that you're always gonna love him
Tell him, tell him, tell him, tell him right now

Tennessee Waltz

I was waltzing with my darling to the Tennessee Waltz
When an old friend I happened to see
Introduced her to my loved one
And while they were waltzing
My friend stole my sweetheart from me

I remember that night and the Tennessee Waltz
Now I know just how much I have lost
Yes I lost my little darling the night they were playing
The beautiful Tennessee Waltz

That'll Be the Day

Well, that'll be the day, when you say goodbye
Yes, that'll be the day, when you make me cry
You say you're gonna leave, you know it's a lie
'Cause that'll be the day when I die

Well, you give me all your loving and your turtle doving
All your hugs and kisses and your money too
Well, you know you love me baby, until you tell me, maybe
That some day, well I'll be through

Well, that'll be the day, when you say goodbye
Yes, that'll be the day, when you make me cry
You say you're gonna leave, you know it's a lie
'Cause that'll be the day when I die

Well, when Cupid shot his dart he shot it at your heart
So if we ever part and I leave you
You sit and hold me and you tell me boldly
That some day, well I'll be blue

Well, that'll be the day, when you say goodbye
Yes, that'll be the day, when you make me cry
You say you're gonna leave, you know it's a lie
'Cause that'll be the day when I die

Well, that'll be the day, woo ho
That'll be the day, woo ho
That'll be the day, woo ho
That'll be the day

That's Amore

When the moon hits your eye like a big pizza pie

That's amore **That's amore**

When the world seems to shine

like you've had too much wine

That's amore **That's amore**

Bells will ring ting-a-ling-aling, ting-a-ling-aling

And you'll sing, "Vita bella!"

Hearts will play tippy-tippy-tay, tippy-tippy-tay,

like a gay tarantella

When the stars make you drool just like a pasta fazool

That's amore **That's amore**

When you dance down the street with a cloud at your feet

You're in love

When you walk in a dream

But you know you're not dreaming, signore

Scuzza me, but you see, back in old Napoli

That's amore

Then You Can Tell Me Goodbye

Kiss me each morning for a million years
Hold me each evening by your side
Tell me you'll love me for a million years
Then if it don't work out, Then if it don't work out
Then you can tell me goodbye

Sweeten my coffee with a morning kiss
Soften my dreams with your sighs
Tell me you'll love me for a million years
Then if it don't work out, Then if it don't work out
Then you can tell me goodbye

If you must go, oh no, I won't grieve
If you wait a lifetime before you leave
Then if you must go, I won't tell you no
Just so that we can say we tried

Tell me you'll love me for a million years
Then if it don't work out, Then if it don't work out
Then you can tell me goodbye

This Land Is Your Land

This land is your land, this land is my land
From California, to the New York Island
From the redwood forest, to the gulf stream waters
This land was made for you and me

As I was walking a ribbon of highway
I saw above me an endless skyway
I saw below me a golden valley
This land was made for you and me *Repeat chorus*

I've roamed and rambled and I've followed my footsteps
To the sparkling sands of her diamond deserts
And all around me a voice was sounding
This land was made for you and me *Repeat chorus*

The sun comes shining as I was strolling
The wheat fields waving and the dust clouds rolling
The fog was lifting a voice come chanting
This land was made for you and me *Repeat chorus*

As I was walkin' I saw a sign there
And that sign said, no tresspassin'
But on the other side, it didn't say nothin'
This land was made for you and me *Repeat chorus*

In the squares of the city, in the shadow of the steeple
Near the relief office, I see my people
And some are grumblin' and some are wonderin'
This land was made for you and me *Repeat chorus*

This Magic Moment

This magic moment, so different and so new
Was like any other until I kissed you

And then it happened, it took me by surprise
I knew that you felt it too, by the look in your eyes

Sweeter than wine, softer than the summer night
Everything I want, I have whenever I hold you tight

This magic moment while your lips are close to mine
Will last forever, forever till the end of time
Oh-oh-oh-oh-oh. Mm-mm-mm-mm-mm

Sweeter than wine, softer than the summer night
Everything I want, I have whenever I hold you tight

This magic moment while your lips are close to mine
Will last forever, forever till the end of time
Oh-oh-oh-oh-oh. Mm-mm-mm-mm-mm
Whoa-oh-oh-oh-oh
Magic moment, magic moment, magic moment

Toot, Toot, Tootsie

Toot, toot, Tootsie, good-bye!

Toot, toot, Tootsie, don't cry

The choo choo train that takes me

Away from you, no words can tell how sad it makes me

Kiss me, Tootsie, and then, do it over again

Watch for the mail, I'll never fail

If you don't get a letter, then you'll know I'm in jail

Oh, oh, oh

Toot, toot, Tootsie don't cry

Toot, toot, Tootsie, good-bye

Toot, Toot, Tootsie

Toot, toot, Tootsie, good-bye!

Toot, toot, Tootsie, don't cry

The choo choo train that takes me

Away from you, no words can tell how sad it makes me

Kiss me, Tootsie, and then, do it over again

Watch for the mail, I'll never fail

If you don't get a letter, then you'll know I'm in jail

Toot, toot, Tootsie don't cry

Toot, toot, Tootsie, good-bye

Try to Remember

Try to remember the kind of September
When life was slow and oh, so mellow
Try to remember the kind of September
When grass was green and grain was yellow
Try to remember the kind of September
When you were a tender and callow fellow
Try to remember, and if you remember
Then follow, follow, follow
Follow, follow, follow
Follow, follow, follow, follow

Try to remember when life was so tender
That no one wept except the willow
Try to remember when life was so tender
That dreams were kept beside your pillow
Try to remember when life was so tender
That love was an ember about to billow
Try to remember, and if you remember
Then follow, follow, follow
Follow, follow, follow
Follow, follow, follow, follow

Deep in December, it's nice to remember
Although you know the snow will follow
Deep in December, it's nice to remember
Without a hurt the heart is hollow
Deep in December, it's nice to remember
The fire of September that made us mellow
Deep in December, our hearts should remember
And follow

Tumbling Tumbleweeds

See them tumbling down
Pledging their love to the ground
Lonely, but free, I'll be found
Drifting along with the tumbling tumbleweeds

Cares of the past are behind
Nowhere to go, but I'll find
Just where the trail will wind
Drifting along with the tumbling tumbleweeds

I know when night has gone
That a new world's born at dawn
I'll keep rolling along

Deep in my heart is a song
Here on the range I belong
Drifting along with the tumbling tumbleweeds

I know when night has gone
That a new world's born at dawn
I'll keep rolling along

Deep in my heart is a song
Here on the range I belong
Drifting along with the tumbling tumbleweeds

Turn, Turn, Turn

To everything Turn, turn, turn

There is a season Turn, turn, turn

And a time to every purpose under heaven

A time to be born, a time to die

A time to plant, a time to reap

A time to kill, a time to heal

A time to laugh, a time to weep

Repeat chorus

A time to build up, a time to break down

A time to dance, a time to mourn

A time to cast away stones

A time to gather stones together

Repeat chorus

A time of love, a time of hate

A time of war, a time of peace

A time you may embrace

A time to refrain from embracing

Repeat chorus

A time to gain, a time to lose

A time to rend, a time to sew

A time for love, a time for hate

A time for peace, I swear it's not too late

Twilight Time

Heavenly shades of night are falling. It's twilight time
Out of the mist your voice is calling. it's twilight time
When purple colored curtains mark the end of day
I hear you, my dear, at twilight time

Deepening shadows gather splendor as day is done
Fingers of night will soon surrender the setting sun
I count the moments, darling, till you're here with me
Together at last at twilight time

Here in the after glow of day
We keep our rendezvous beneath the blue
And in the sweet and same old way
I fall in love again as I did then

Deep in the dark your kiss will thrill me, like days of old
Lighting the spark of love that fills me with dreams untold
Each day I pray for evening just to be with you
Together at last at twilight time

Here in the after glow of day
We keep our rendezvous beneath the blue
And in the sweet and same old way
I fall in love again as I did then

Deep in the dark your kiss will thrill me, like days of old
Lighting the spark of love that fills me with dreams untold
Each day I pray for evening just to be with you
Together at last at twilight time
Together at last at twilight time

The Twist

Come on, baby, let's do the twist
Come on, baby, let's do the twist
Take me by my little hand and go like this

E-yah, twist, baby, baby, twist
Ooh yeah, just like this
Come on, little miss and go like this

My daddy is sleepin'
And mama ain't around
Yeah, daddy's just sleepin'
And mama ain't around
We're gonna a-twist, a-twist, a-twistin'
'Til we tear the house down

Come on and twist, Yeah, baby, twist
Ooh yeah, just like this
Come on, little miss and go like this
E-yah

Yeah, you should see my little sis
You should see my, my little sis
She really knows how to rock
She knows how to twist

Come on and twist, yeah, baby, twist
Ooh yeah, just like this
Come on, little miss
And do the twist

Twistin the Night Away

Let me tell you 'bout a place
Somewhere up-a New York way
Where the people are so gay / Twistin' the night away
Here they have a lot of fun / Puttin' trouble on the run
Man, you find the old and young / Twistin' the night away

They're twistin', twistin' / Everybody's feelin' great
They're twistin', twistin' / They're twistin' the night away

Here's a man in evening clothes
How he got here, I don't know, but
Man, you oughta see him go / Twistin' the night away
He's dancin' with a chick in slacks
She's movin' up and back
Oh, man, there ain't nothin' like / Twistin' the night away

They're twistin', twistin' / Everybody's feelin' great
They're twistin', twistin' / They're twistin' the night...

They're twistin' the night away
Here's a fella in blue jeans
Dancin' with an older queen
Who's dolled up in her diamond rings and
Twistin' the night away
Man, you oughta see her go / Twistin' to the rock and roll
Here you find the young and old / Twistin' the night away

They're twistin', twistin' / Everybody's feelin' great
They're twistin', twistin' / They're twistin' the night...

Unchained Melody

Oh, my love, my darling
I've hungered for your touch
A long lonely time
And time goes by so slowly
And time can do so much
Are you still mine

I need your love, I need your love
God speed your love to me

Lonely rivers flow to the sea to the sea
To the open arms of the sea
Lonely rivers sigh, "Wait for me wait for me
"I'll be coming home wait for me"

Oh, my love, my darling
I've hungered for your touch
A long lonely time
And time goes by so slowly
And time can do so much
Are you still mine

I need your love, I need your love
God speed your love to me

Under the Boardwalk

Oh, when the sun beats down
and melts the tar up on the roof
And your shoes get so hot,
you wish your tired feet were fireproof

Under the boardwalk, down by sea
On a blanket with my baby, that's where I'll be

From the park you hear the happy sounds of the carousel
You can almost taste the hotdogs and French fries they sell

Under the boardwalk, down by sea
On a blanket with my baby, that's where I'll be

Under the boardwalk, out of the sun
Under the boardwalk, we'll be having fun
Under the boardwalk, people walking above
Under the boardwalk, we'll be falling in love
Under the boardwalk, boardwalk

Oh, when the sun beats down
and melts the tar up on the roof
And your shoes get so hot,
you wish your tired feet were fireproof
Under the boardwalk, down by sea
On a blanket with my baby, that's where I'll be

Up on the Roof

When this old world starts getting me down
And people are just too much for me to face
I climb way up to the top of the stairs
And all my cares just drift right into space

On the roof, it's peaceful as can be
And there the world below can't bother me
Let me tell you now

When I come home feelin' tired and beat
I go up where the air is fresh and sweet Up on the roof
I get away from the hustling crowd
And all that rat-race noise down in the street Up on the roof

On the roof, the only place I know
Where you just have to wish to make it so
Let's go up on the roof Up on the roof

At night the stars put on a show for free
And, darling, you can share it all with me
I keep a-tellin' you

Right smack dab in the middle of town
I've found a paradise that's trouble proof Up on the roof
And if this world starts getting you down
There's room enough for two
Up on the roof Up on the roof

The Very Thought of You

The very thought of you
And I forget to do
The little ordinary things
That everyone ought to do

I'm living in a kind of daydream
I'm happy as a king
And foolish though it may seem
To me that's everything

The mere idea of you
The longing here for you
You'll never know how slow the moments go
Till I'm near to you

I see your face in every flower
Your eyes in stars above
It's just the thought of you
The very thought of you, my love

Walk Right Back

I want you to tell me why you walked out on me
I'm so lonesome every day
I want you to know that since you walked out on me
Nothin' seems to be the same old way
Think about the love that burns within my heart for you
The good times we had before you went away

Walk right back to me this minute
Bring your love to me, don't send it
I'm so lonesome every day

I want you to tell me why you walked out on me
I'm so lonesome every day
I want you to know that since you walked out on me
Nothin' seems to be the same old way
Think about the love that burns within my heart for you
The good times we had before you went away

Walk right back to me this minute
Bring your love to me, don't send it
I'm so lonesome every day
I'm so lonesome every day
I'm so lonesome every day

The Way You Look Tonight

Some day when I'm awfully low
And the world is cold
I will feel a glow just thinking of you
And the way you look tonight

Oh, but you're lovely with your smile so warm
and your cheeks so soft
There is nothing for me but to love you
And the way you look tonight

With each word your tenderness grows
Tearing my fear apart
And that laugh that wrinkles your nose
Touches my foolish heart

Lovely, never never change
Keep that breathless charm
Won't you please arrange it, cuz I love you
Just the way you look tonight
Just the way you look tonight

The Way You Do the Things You Do

You got a smile so bright
You know you could've been a candle
I'm holding you so tight
You know you could've been a handle
The way you swept me off my feet
You know you could've been a broom
The way you smell so sweet
You know you could've been some perfume
Well you could've been anything that you wanted to
And I can tell / The way you do the things you do / Aw, baby

As pretty as you are / You know you could've been a flower
If good looks was a minute
You know that you could be an hour
The way you stole my heart
You know you could have been a cool crook
And baby you're so smart
You know you could have been a school book
Well you could've been anything that you wanted to
And I can tell / The way you do the things you do / Aw, baby

You make my life so rich
You know you could've been some money
And baby you're so sweet
You know you could have been some honey
Well you could've been anything that you wanted to

And I can tell / The way you do the things you do

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself, what a wonderful world

I see skies of blue and clouds of white
The bright, blessed day and the dark, sacred night
And I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces of people goin' by
I see friends shaking hands. Saying, "How do you do?"
They're really saying, "I love you."

I hear babies cry, I watch them grow
They'll learn much more than I'll ever know
And I think to myself, what a wonderful world
Yes, I think to myself, what a wonderful world

What'll I Do

What'll I do when you are far away
And I'm blue? What'll I do?
What'll I do when I am wondering who
Is kissing you? What'll I do?

What'll I do with just a photograph to tell my troubles to?
When I'm alone with only dreams of you
That won't come true, what'll I do?

What'll I do? What'll I do? What'll I do?

When the red, red robin

Comes bob, bob, bobbin' along, along

There'll be no more sobbin'

When he starts throbbin' his old sweet song

Wake up, wake up you sleepy head

Get up, get out of your bed

Cheer up, cheer up the sun is red

Live, love, laugh and be happy

What if I were blue

Now I'm walking through fields of flowers

Rain may glisten

But still I listen for hours and hours

I'm just a kid again

Doing what I did again, singing a song

When the red, red robin

Comes bob, bob, bobbin' along

What a Wonderful World

Where Did Our Love Go?

Baby, baby, baby don't leave me
Ooh, please don't leave me all by myself
I've got this burning, burning, yearning feelin inside me
Ooh, deep inside me, and it hurts so bad

You came into my heart so tenderly
With a burning love that stings like a bee
Now that I surrender, so helplessly
You now wanna leave. Ooh, you wanna leave me

Ooooh, baby, baby, where did our love go?
Ooh, don't you want me? Don't you want me no more?

Ooh, baby, baby, where did our love go?
And all of your promises of a love forever more?
I've got this burning, burning, yearning, feelin inside me
Ooh, deep inside me, and it hurts so bad

Before you won my heart, you were a perfect guy
But now that you got me, you wanna leave me behind

Oooh, baby, baby. Baby, don't leave me
Ooh, please don't leave me, all by myself
Ooh, baby, baby, where did our love go?

When You Wish Upon A Star

When you wish upon a star
Makes no difference who you are
Anything your heart desires
Will come to you

When your heart is in your dream
No request is too extreme
When you wish upon a star
As dreamers do

Fate is kind
She brings to those who love
The sweet fulfillment of
Their secret longing

Like a bolt out of the blue
Fate steps in and sees you through
When you wish upon a star
Your dreams come true

Whispering

Whispering while you cuddle near me

Whispering so no one can hear me

Each little whisper seems to cheer me

I know it's true, there's no one, dear, but you

You're whispering why you'll never leave me

Whispering why you'll never grieve me

Whisper and say that you believe me

Whispering that I love you

Will You Still Love Me Tomorrow?

Tonight you're mine completely
You give your love so sweetly
Tonight the light of love is in your eyes
But will you love me tomorrow?

Is this a lasting treasure
Or just a moment's pleasure?
Tonight I believe the magic of you sigh
Will you still love me tomorrow?

Tonight with words unspoken
You said that I'm the only one
But will my heart be broken
When the night meets the morning sun

I'd like to know that your love
Is love I can be sure of
So tell me now and I won't ask again
Will you still love me tomorrow?

So tell me now and I won't ask again
Will you still love me tomorrow?
Will you still love me tomorrow?

With a Little Bit of Luck

The Lord above gave man an arm of iron
So he could do his job and never shirk
The Lord above gave man an arm of iron, but
With a little bit of luck, with a little bit of luck
Someone else will do the blinkin' work

With a little bit, with a little bit
With a little bit of luck you'll never work
Oh, you can walk the straight and narrow
But with a little bit of luck you'll run amok

The gentle sex was made for man to marry
To tend his needs and see his food is cooked
The gentle sex was made for man to marry, but
With a little bit of luck, with a little bit of luck
You can have it all and not get hooked

With a little bit, with a little bit
With a little bit of luck you'll never work
With a little bit, with a little bit
With a little bit of blooming luck

With a Little Help From My Friends

What would you do if I sang out of tune?
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends

What do I do when my love is away
Does it worry you to be alone?
How do I feel by the end of the day
Are you sad because you're on your own? *Repeat chorus*

Do you need anybody? I need somebody to love
Could it be anybody? I want somebody to love

Would you believe in a love at first sight?
Yes, I'm certain that it happens all the time
What do you see when you turn out the light?
I can't tell you but I know it's mine

Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends
Do you need anybody? I need somebody to love
Could it be anybody? I want somebody to love

Where Have All the Flowers Gone?

Where have all the flowers gone, long time passing
Where have all the flowers gone, long time ago
Where have all the flowers gone?
Young girls picked them, every one
When will they ever learn? When will they ever learn?

Where have all the young girls gone, long time passing
Where have all the young girls gone, long time ago
Where have all the young girls gone?
Gone to soldiers, every one
When will they ever learn? When will they ever learn?

Where have all the soldiers gone, long time passing
Where have all the soldiers gone, long time ago
Where have all the soldiers gone?

Wonderful World

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took
But I do know that I love you
And I know that if you love me too
What a wonderful world this would be

Don't know much about geography
Don't know much trigonometry
Don't know much about algebra
Don't know what a slide rule is for
But I do know that I love you
And I know that if you love me too
What a wonderful world this would be

Now, I don't claim, to be an A-student
But I'm trying to be
For maybe by being an A-student, baby
I could win your love for me

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took
But I do know that I love you
And I know that if you love me too
What a wonderful world this would be

Wouldn't It Be Loverly?

All I want is a room somewhere
Far a- way from the cold night air
With one enormous chair
Oh, wouldn't it be loverly?

Lots of chocolate for me to eat
Lots of coal makin' lots of heat
Warm face, warm hands, warm feet
Oh, wouldn't it be loverly?

Oh, so lovely sittin'
Abso-bloomin'-lutely still
I would never budge till spring
Crept over me window sill

Someone's head restin' on my knee
Warm and tender as he can be
Who takes good care of me
Oh, wouldn't it be loverly?

Loverly, loverly, loverly, loverly

Yellow Bird

Yellow bird, up high in banana tree
Yellow bird, you sit all alone like me

Did your lady friend leave the nest again?
That is very sad, make me feel so bad
You can fly away, in the sky away
You more lucky than me

I also have a pretty girl. She not with me today
They all the same, the pretty girls
Take tenderness, then they fly away

Yellow bird, up high in banana tree
Yellow bird, you sit all alone like me

Better fly away, in the sky away
Picker coming soon, pick from night to noon
Black on yellow you, like banana too
They might pick you someday

Yellow bird, up high in banana tree
Yellow bird, you sit all alone like me

Wish that I was a yellow bird. I fly away with you
But I am not a yellow bird
So here I sit, nothing else to do

Yellow bird, up high in banana tree
Yellow bird, you sit all alone like me

Yellow Rose of Texas

There's a yellow rose in Texas that I am gonna see
Nobody else could miss her not half as much as me
She cried so when I left her, it was like it broke her heart
And if I ever find her we never more will part

She's the sweetest little rose bud that Texas ever knew
Her eyes are bright as diamonds, they sparkle like the dew
You may talk about your Clementine and sing of Rosa Lee
But the yellow rose of Texas is the only girl for me

Where the Rio Grande is flowing
and the starry skies are bright
She walks along the river in the quiet summer night
I know that she remembers when we parted long ago
I promise to return and not to leave her so

She's the sweetest little rose bud that Texas ever knew
Her eyes are bright as diamonds, they sparkle like the dew
You may talk about your Clementine and sing of Rosa Lee
But the yellow rose of Texas is the only girl for me

Now I'm-a gonna find her for my heart is full of woe
We'll do the things together we did so long ago
We'll play the banjo gaily, she'll love me like before
And the yellow rose of Texas shall be mine forever more

She's the sweetest little rose bud that Texas ever knew
Her eyes are bright as diamonds, they sparkle like the dew
You may talk about your Clementine and sing of Rosa Lee
But the yellow rose of Texas is the only girl for me

Yellow Submarine

In the town where I was born, lived a man who sailed to sea
And he told us of his life in the land of submarines

So we sailed off to the sun, till we found the sea of green
And we lived beneath the waves in our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

And our friends are all on board
Many more of them live next door
And the band begins to play. . .

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

As we live a life of ease. Everyone of us has all we need
Sky of blue and sea of green in our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

Yesterday

Yesterday all my troubles seemed so far away
Now I need a place to hide away
Oh, I believe in yesterday

Suddenly I'm not half the man I used to be
There's a shadow hanging over me
Oh, yesterday came suddenly

Why she had to go
I don't know she wouldn't say
I said some- thing wrong
Now I long for yesterday

Yesterday love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Why she had to go
I don't know she wouldn't say
I said something wrong
Now I long for yesterday

Yesterday love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

You Always Hurt the One You Love

You always hurt the one you love
The one you shouldn't hurt at all
You always take the sweetest rose
And crush it till the petals fall

You always break the kindest heart
With a hasty word you can't recall
So if I broke your heart last night
It's because I love you most of all

Yes, Sir, That's My Baby

Yes sir, that's my baby
No sir, I don't mean maybe
Yes sir, that's my baby now

Yes, ma'm, we've decided
No ma'm, we ain't gonna hide it
Yes, ma'm, you're invited now

By the way, by the way
When we walk up to the preacher, I'll say

Yes sir, that's my baby
No sir, I don't mean maybe
Yes sir, that's my baby now

You Belong to Me

See the pyramids along the Nile
Watch the sunset on a tropic isle
Just remember darlin' all the while
You belong to me

See the marketplace in Old Algiers
Send me photographs and souvenirs
Just remember when a dream appears
You belong to me

I'll be so alone without you
Maybe you'll be lonesome too, and blue

Fly the ocean in a silver plane
See the jungle when it's wet with rain
Just remember till you're home again
You belong to me

You Got to Walk that Lonesome Valley

You got to walk that lonesome valley
Well, you gotta walk it for yourself
Ain't nobody else can walk it for you
You gotta go walk that valley for yourself

My mother had to walk that lonesome valley
Well, she had to walk it for herself
Yes, nobody else could walk it for her
She had to walk that valley for herself
Oh, yes, you got to walk that lonesome valley

Well, you gotta walk it for yourself
Yes, nobody else can walk it for you
You gotta go walk that valley for yourself

My father had to walk that lonesome valley
He had to walk it for hisself
Yes, nobody else could walk it for him
He had to walk that valley for hisself

Oh, Jesus had to walk that lonesome valley
He had to walk it for hisself
Yes, nobody else could walk it for him
He had to walk that valley for hisself

Oh, yes, you got to walk that lonesome valley
Well, you got to walk it for yourself
Yes, nobody else can walk it for you
You gotta go walk that valley for yourself

You Don't Know Me

You give your hand to me, and then you say hello
And I can hardly speak, my heart is beating so
And anyone can tell you think you know me well
But you don't know me

No you don't know the one who dreams of you at night
And longs to kiss your lips, longs to hold you tight
Oh I am just a friend. That's all I've ever been
Cause you don't know me

I never knew the art of making love
No my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me too (love me too)

You give your hand to me, and then you say goodbye
I watch you walk away beside the lucky guy
Oh you will never know the one who loves you so
Well you don't know me

I never knew the art of making love
No my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me too

You give your hand to me, and then you say goodbye
I watch you walk away beside the lucky guy
Oh you will never know the one who loves you so
Well you don't know me

You Never Can Tell

It was a teenage wedding,
and the old folks wished them well
You could see that Pierre did truly love the mademoiselle
And now the young monsieur and madame
have rung the chapel bell
"C'est la vie," say the old folks,
it goes to show you never can tell

They furnished off an apartment
with a two room Roebuck sale
The coolerator was crammed with TV dinners and ginger ale
But when Pierre found work,
the little money comin' worked out well
"C'est la vie," say the old folks,
it goes to show you never can tell

They had a hi-fi phono, boy, did they let it blast
Seven hundred little records, all rock, rhythm and jazz
But when the sun went down,
the rapid tempo of the music fell
"C'est la vie," say the old folks,
it goes to show you never can tell

They bought a souped-up jitney, 'twas a cherry red fifty-three
They drove it down to Orleans to celebrate the anniversary
It was there that Pierre was married to
the lovely mademoiselle
"C'est la vie," say the old folks,
it goes to show you never can tell

I don't like you, but I love you
Seems I'm always, thinking of you
Though, oh, oh, you treat me badly I love you madly
You really got a hold on me You really got a hold on me
You really got a hold on me You really got a hold on me

Baby, I don't want you, but I need you
Don't wanna kiss you, but I need to
Though, oh, oh, you do me wrong now
My love is strong now
You really got a hold on me You really got a hold on me
You really got a hold on me You really got a hold on me

Baby, I love you and I want you to do
Is just hold on me, hold me, hold me, hold me, hold me
Tighter! Tighter!

I wanna to leave you, don't want to stay here
Don't want to spend, another day here
Though, oh, oh, I wanna split now, I can't quit now
You really got a hold on me You really got a hold on me
You really got a hold on me You really got a hold on me

Baby, I love you, and all I want, you to do
Is just, hold me please Hold me squeeze Hold me, hold me

You Send Me

Darling, you send me

I know you send me

Darling, you send me

Honest you do, honest you do, honest you do

Whoa-oh-oh, oh-oh-oh

You thrill me

I know you thrill me

Darling you thrill me

Honest you do

At first I thought it was infatuation

But ooh, it's lasted so long

Now I find myself wanting

To marry you and take you home

Whoa-oh-oh, oh-oh-oh

You send me

I know you send me

I know you send me

Honest you do

You thrill me

I know you thrill me

Darling you thrill me. Honest you do

You Win Again

The news is out, all over town
That you've been seen, a-runnin' 'round
I know that I should leave, but then
I just can't go, you win again

This heart of mine, could never see
What everybody knew but me
Just trusting you was my great sin
What can I do? you win again

I'm sorry for your victim now
'Cause soon his head, like mine will bow
He'll give his heart, but all in vain
And someday say, you win again

You have no heart, you have no shame
You take true love, and give the blame
I guess that I, should not complain
I love you still, you win again

Your Cheatin' Heart

Your cheatin' heart will make you weep
You'll cry and cry and try to sleep
But sleep won't come the whole night through
Your cheatin' heart, will tell on you

When tears come down like falling rain
You'll toss around and call my name
You'll walk the floor the way I do
Your cheatin' heart, will tell on you

Your cheatin' heart will pine someday
And crave the love you threw away
The time will come when you'll be blue
Your cheatin' heart, will tell on you

You Are My Sunshine

The other night dear, as I lay sleeping
I dreamed I held you in my arms
But when I awoke, dear, I was mistaken
So I hung my head and I cried

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away

I'll always love you and make you happy
If you will only say the same
But if you leave me and love another
You'll regret it all some day

Repeat chorus

You told me once, dear, you really loved me
And no one else could come between
But now you've left me and love another
You have shattered all of my dreams

Repeat chorus

In all my dreams, dear, you seem to leave me
When I awake my poor heart pains
So when you come back and make me happy
I'll forgive you dear, I'll take all the blame

Repeat chorus

Zip a Dee Doo Dah

Plenty of sunshine, headin' my way

Everything is satisfactual

Zip a dee doo dah, zip a dee ay
