

CAN YOU FIND FRIENDS OF THE ANIMALS

QUEEN OF HEARTS?

DRAWING EVERY FRIDAY IN THE 10:00 HOUR. GOOD LUCK!

****OUR FIRST DRAWING WILL BE HELD ON FEBRUARY 13, 2026****

WHY:

Did you know the majority of dogs we rescue are suffering from heartworms? Dogs that are adopted from FOTA are put through heartworm treatment at our expense. As you can imagine, this is an astounding ongoing cost. Heartworms can be contracted by a single mosquito bite, so any dog not receiving prevention could get it. It is not contagious, but very hard on your dog's heart and expensive to treat. Make sure you are giving your beloved pups at home preventative and purchase your Queen of Hearts raffle tickets to help ours!

HOW TO PLAY:

Each ticket is \$5.00. There is NO LIMIT - buy as many as you like! Tickets can be purchased at the adoption house or through our [Venmo](#). Remember, it is for a great cause!

The drawing is every Friday in the 10:00 am hour (CST). We will post on Facebook and Instagram and this webpage page. The cutoff to get your numbers in will be midnight the Thursday before the drawing.

Just choose how many tickets you want, along with what number you think the Queen of Hearts is hiding behind. We will draw someone's ticket on Friday, and choose the number associated with the ticket. If we don't uncover the Queen, the pot rolls over into the following week! 54 cards are included – a full deck + both jokers.

When we do find the Queen, the pot will be split 70/30, between Friends of the Animals (70) and the lucky winner (30). You could win BIG!
