

HOW TO UPDATE YOUR GIVING

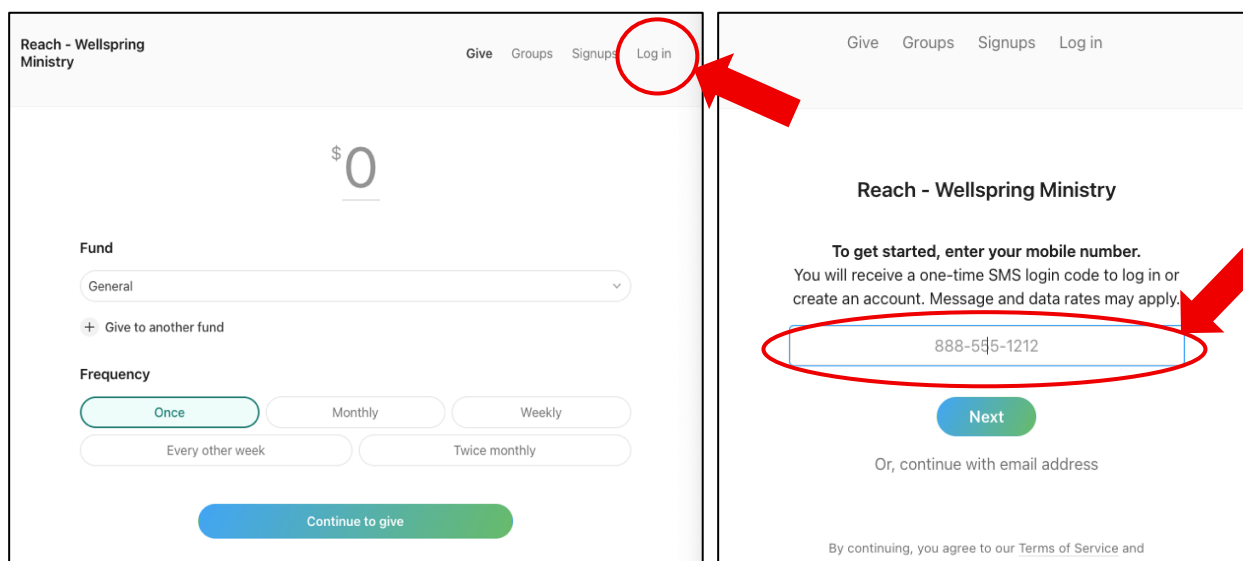

Thank you for your continued partnership in ministry with REACH! We know life is full of changes and there are often adjustments that need to be made to your giving. Whether it be updating a bank account, credit card, or increasing/decreasing your giving, this guide will help you navigate the planning center giving portal to make the changes you need.

Accessing Your Account

First open this link → <https://reachgv.churchcenter.com/giving>

This will open the below webpage on the left. To adjust your giving you must first log in to access your account. Click the “Log in” button in the top right corner to be brought to the webpage below on the right. Then type in your phone number and click “Next” to receive your login code. If you do not receive a code then you can login by email. Type in the login code and click “Next” to login.

Once you log in you will be brought to the below webpage on the left. To edit your previous giving click “my giving.” Then you can access your current recurring donations through “planned giving.” You can see your giving statements or manage your payment methods as well. Contact andy@reachgv.org with any additional questions! Thank you for your continued partnership!
