Dear Community Partner,

Oshawa Basketball Association is a not-for-profit organization located in the Durham Region Durham. Our goal is to keep children engaged in organized sports where they can learn life skills while playing competitive sports. Our main objective is to give each child a more equitable opportunity to participate in the sport that they love to play.

Our belief is that every child deserves to play. We emphasize the values of respect, discipline, and hard work. The love and passion for basketball is growing rapidly in our community and we are asking for your assistance in providing children within our community opportunities for positive change in their lives.

By providing sponsorship for our teams, you would be assisting in creating an enjoyable and accessible basketball season at Oshawa Basketball. Your generosity would enable the children to participate in various games and tournaments across southern Ontario and beyond. In addition to this, each child would receive team accessories such as bags, track suits, and equipment as a direct result of your contributions. As a team sponsor, you will receive various tokens of appreciation based on your level of sponsorship which may include items such as a team photo, recognition on virtual platforms, and an appreciation plaque for you to proudly display.

Please explore the details below about how you can make a meaningful difference in the lives of children in the community by being a team sponsor for Oshawa Basketball. Your consideration and contributions are greatly appreciated.
