Dear Community Partner,

Oshawa Basketball Association is a not-for-profit organization located in Durham Region. Our goal is to keep children engaged in organized sports where they can learn life skills while playing competitive basketball. Our main objective is to give each child a more equitable opportunity to participate in the sport they love.

We believe every child deserves to play. We emphasize the values of respect, discipline, and hard work. The love and passion for basketball is growing rapidly in our community, and we are asking for your assistance in providing children with opportunities for positive change in their lives.

By sponsoring our teams, you would help create an enjoyable and accessible basketball season at Oshawa Basketball. Your generosity would enable children to participate in games and tournaments across southern Ontario and beyond. In addition, each child would receive team accessories such as bags, track suits, and equipment as a direct result of your contributions. As a team sponsor, you will receive tokens of appreciation based on your level of sponsorship, which may include a team photo, recognition on virtual platforms, and an appreciation plaque for you to proudly display.

Please review the sponsorship levels below to see how you can make a meaningful difference in the lives of children in our community. Your consideration and contributions are greatly appreciated.
