

*American  
Bedding™*  
EST. 1939

## American Crafted, Rest Assured.

Since 1939, American Bedding has been handcrafted in America and expertly engineered with only the highest quality materials for durability and comfort with superior value.

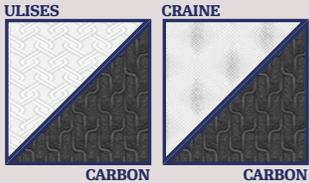

American Bedding offers a range of comfort choices from tight-top to pillow-top with a variety of mattress core technologies and cover options available in flat-pack and rolled.

Our quality foams and custom-milled fabrics help you fall asleep faster and stay asleep longer.

We created American Bedding because we believe everyone deserves access to quality sleep. We do that by offering quality mattresses without the premium price tag. We've never taken shortcuts when it comes to quality. Our mattresses are handcrafted in the USA and provide lasting durability and complete comfort. When you buy American Bedding, you're not just getting a premium mattress; you're continuing the tradition of American craftsmanship.

**Cover Option:**

**AL76515**  
**15" PocketedCoil** Extra Plush Euro Top  
**Hand-Crafted in America**

**Designed to deliver an immediate plush, soft feel. Featuring comforting softness combined with ergonomic support for your best night's sleep.**

- Custom-Milled Fabrics and Quality Covers**
- Custom-milled fabrics chosen for durability and comfort
  - Dual quilted layers create cradling comfort, added pressure relief, and improved durability

- OmniSense™ Foam**
- Fast response for immediate comfort and relaxation
  - Long-lasting and resistant to body impressions

- MicroCoils**
- Microcoils move individually for personalized contouring
  - Ultra-responsive feel and improved sleep surface durability

- Graphite-Infused Memory Foam**
- Cool sleep surface and consistent comfort
  - All the comfort and contouring you expect from memory foam with the added thermal conductivity of Graphite

- OmniSense™ Silhouette Foam**
- Fast response for immediate comfort and relaxation
  - Long-lasting and resistant to body impressions
  - Rolling peaks & valleys contour to the body—for pressure relief, improved spinal alignment and breathability for perfect temperature
  - Works with other mattress layers to distribute weight more evenly as you move, reducing partner disturbance

- Advanced IsoCore™ Support System with Edge Zoning**
- Unique design ergonomically supports the body and reduces partner disturbance with zoned edge support for better stability and consistency
  - Open design ensures airflow, breathability and efficient heat transfer

- SupportSense™ Foam**
- Delivers a comfortable sleep surface with firm support
  - Long-lasting and resistant to body impressions

- Always CertiPUR-US® Certified Foams**
- Certified foams made without harmful chemicals

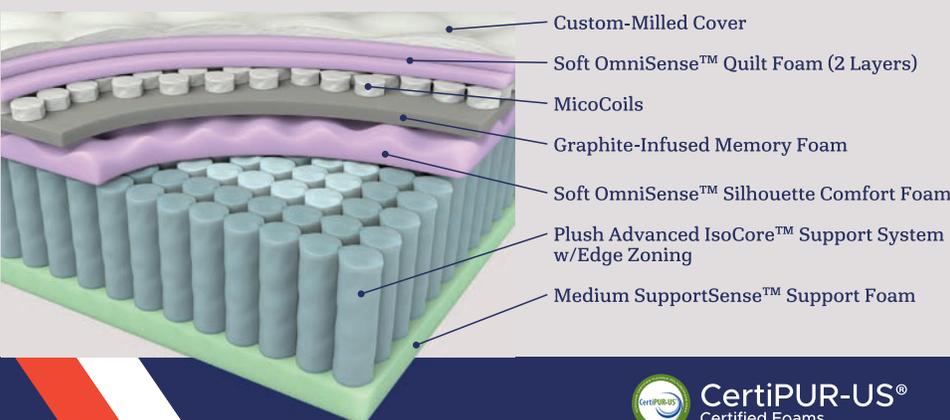

**Non-Prorated Warranty**

AM32412

**12" Memory Foam Medium-Firm**  
**Hand-Crafted in America**

*American Bedding™*  
**MEMORY FOAM COLLECTION** EST. 1939

**Built to deliver the best of both worlds — an initial cushioned feel balanced with correct ergonomic support. Enjoy great sleep and comfort on this balanced bed.**

**Custom-Milled Fabrics and Quality Covers**

- Custom-milled fabrics chosen for durability and comfort
- Dual quilted layers create cradling comfort, added pressure relief, and improved durability

**CoolingGel™ Memory Foam**

- Gel-Infused Memory Foam keeps you cool so you sleep better
- Self-contouring support and comfort

**High-Resilience Silhouette Foam**

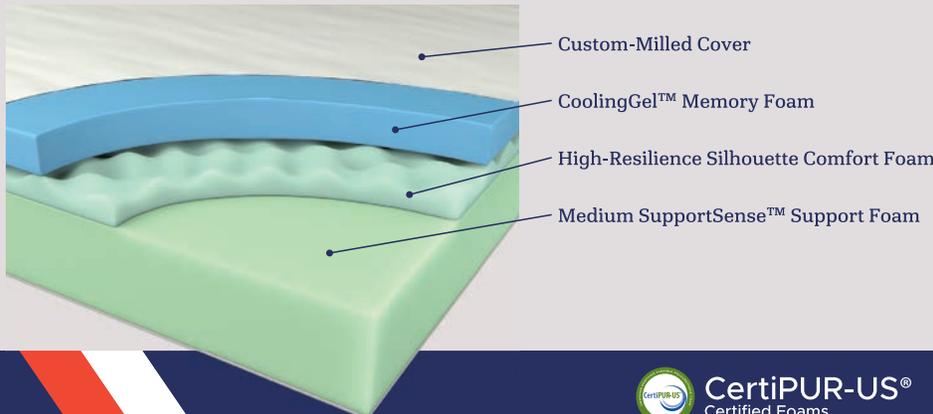

- Fast response for immediate comfort and relaxation
- Highly durable foam keeps its shape and performs longer than any other type of foam, highly resistant to body impressions
- Rolling peaks & valleys contour to the body—for pressure relief, improved spinal alignment and breathability for perfect temperature
- Works with other mattress layers to distribute weight more evenly as you move, reducing partner disturbance

**SupportSense™ Foam**

- Delivers a comfortable sleep surface with firm support
- Long-lasting and resistant to body impressions

**Always CertiPUR-US® Certified Foams**

- Certified foams made without harmful chemicals

**Non-Prorated Warranty**

## 12" Hybrid Copper Medium

Hand-Crafted in America

*American Bedding™*  
EST. 1939  
**COPPER COLLECTION**

**Built to deliver the best of both worlds – a medium feel balanced with ergonomic support. Enjoy a healthy and comfortable sleep on this balanced hybrid bed.**

### Custom-Milled Fabrics and Quality Covers

- Custom-milled fabrics chosen for durability and comfort
- Dual quilted layers create cradling comfort, added pressure relief, and improved durability

### SupportSense™ Foam

- Delivers a comfortable sleep surface with firm support
- Long-lasting and resistant to body impressions

### OmniSense™ Foam

- Fast response for immediate comfort and relaxation
- Long-lasting and resistant to body impressions

### Copper Infused Performance Foam

- Prevents the growth of bacteria, fungus, mold, and other allergens in your mattress, so you'll breathe easier and wake feeling rested and refreshed
- Odor-resistant for a cleaner and fresher mattress night after night
- Absorbs and regulates body heat build-up in your mattress and to provide temperature control for a more comfortable deeper night's sleep
- Delivers dynamic supportive comfort for all sleeping positions

### Advanced IsoCore™ Support System with Edge Zoning

- Unique design ergonomically supports the body and reduces partner disturbance with zoned edge support for better stability and consistency
- Open design ensures airflow, breathability and efficient heat transfer

### Always CertiPUR-US® Certified Foams

- Certified foams made without harmful chemicals

**Non-Prorated Warranty**

## COMFORT FOAMS - BENEFITS

### CloudComfort™ Layer

#### Comfort Technology

- Breathable, soft cloud like comfort layer provides cradling support structure

### EssentialGel™ Foam

#### Cooling Technology

- EssentialGel technology adds Gel with its natural breathability for a cooling effect so you sleep cooler

#### Comfort Technology

- Supported, balanced comfort with responsive feel
- Comforting support of traditional foam

### OmniSense™ Foam

#### Comfort Technology

- Fast response for immediate comfort and relaxation
- Enjoy comfortable cradling with a responsive feel
- Long-lasting and resistant to body impressions

### SupportSense™ Foam

#### Comfort Technology

- Supportive and balanced—delivers a comfortable sleep surface with firm support
- Enjoy that perfect feeling of support for your shoulders, back and hips where you need it, and comfort where you want it
- Long-lasting and resistant to body impressions

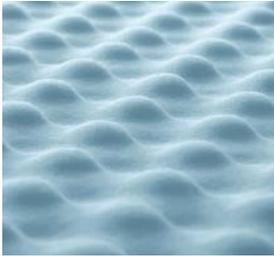

Always CertiPUR-US® Certified Foams

- Certified foams made without harmful chemicals or heavy metals and low VOCs

CertiPUR-US®  
Certified Foams

## COMFORT FOAMS - BENEFITS

### OmniSense™ Silhouette Foam

#### Comfort Technology

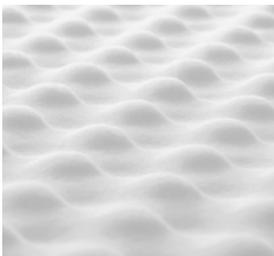

- Fast response for immediate comfort and relaxation
- Rolling peaks & valleys contour to the body—for pressure relief, improved spinal alignment and breathability for perfect temperature
- Works with other mattress layers to distribute weight more evenly as you move, reducing partner disturbance

### SupportSense™ Silhouette Foam

#### Comfort Technology

- Delivers a comfortable supportive sleep surface all-night with firm support
- Rolling peaks & valleys contour to the body—for pressure relief, improved spinal alignment and breathability for perfect temperature
- Works with other mattress layers to distribute weight more evenly as you move, reducing partner disturbance

### High-Resilience Silhouette Foam

#### Comfort Technology

- Fast response for immediate comfort and relaxation
- Highly durable foam keeps its shape and performs longer than any other type of foam, highly resistant to body impressions
- Rolling peaks & valleys contour to the body—for pressure relief, improved spinal alignment and breathability for perfect temperature
- Works with other mattress layers to distribute weight more evenly as you move, reducing partner disturbance

### Always CertiPUR-US® Certified Foams

- Certified foams made without harmful chemicals or heavy metals and low VOCs

CertiPUR-US®  
Certified Foams

## SPECIALTY TECH FOAM - BENEFITS

### CoolingGel™ Memory Foam

#### Cooling Technology

- Gels contain open cells (or beads) that help increase air flow to move heat away to keep you cool and comfortable
- Gel infusion technology increases heat dissipation by improving breathability and temperature regulation for all night comfort

#### Comfort Technology

- Conforming and responsive, delivering customized support and comfort with the self-contouring and pressure-relieving properties of Memory Foam
- All the pressure relief and comfort properties of Memory Foam with Gel Infusion for cooling temperature control
- Excellent motion isolation properties reduce nighttime disruption

### Graphite-Infused Memory Foam

#### Cooling Technology

- Natural Graphite Infusion moves heat away for efficient heat dissipation and a cooler sleep surface
- Open-cell structure foam structure enhances breathability for superior temperature regulation

#### Comfort Technology

- All the comfort, contouring and support of traditional memory foam
- Pressure-relieving comfort and reduction of nighttime disturbance between sleep partners
- Graphite Infusion gives natural anti-microbial effect for a cleaner bed and more durability to the foams structure

Always CertiPUR-US® Certified Foams

- Certified foams made without harmful chemicals or heavy metals and low VOCs

CertiPUR-US®  
Certified Foams

## SPECIALTY TECH FOAM - BENEFITS

### Copper-Infused Performance Foam

#### Cooling Technology

- **Perfect Temperature:** Copper is one of the most conductive metals known to man. Copper Performance Foam provides advance cooling and quick recovery by regulating temperature to keep you comfortable for a deeper sleep

#### Comfort Technology

- **Responsive Support:** Copper-Infusion Technology delivers 'responsive firming,' providing customized support for key areas
- **Anti-Microbial/Anti-Bacterial:** Copper is naturally biostatic, acting as a defense against germs as bacteria growth is inhibited on its surface
- **Environmental Friendly:** Copper is one of the friendliest metals around; it never goes bad and can be recycled over and over again, having the highest recycling rate of any engineering metal in the world
- **Stimulate Energy and Vitality:** Many people believe that copper helps stimulate energy flow, increases vitality and brings emotions to balance
- **Odor Resisting:** Copper helps resist the formation of odor, providing a fresh, clean bed night after night
- **Renewal Enhancing:** Cutting-edge research on the benefits of copper suggest it provides soothing relief of aches and pains by improving circulation, reducing tissue inflammation and rejuvenating sore muscle fibers

#### Always CertiPUR-US® Certified Foams

- Certified foams made without harmful chemicals or heavy metals and low VOCs

## SPECIALTY COMPONENTS - BENEFITS

### MicroCoils

#### Comfort Technology

- Hundreds of mini coils respond individually to contour and support the body
- Independent movement of coils helps reduce partner disturbance for deeper sleep
- Open coils enhance airflow for a naturally cooler sleep surface
- Slight compression of MicroCoils improves dynamic response to body movement
- Works in tandem with foam comfort layers for personalized comfort

#### Endurance/Durability Technology

- MicroCoil construction improves durability of bed engineering for better performance
- Increased coil counts improves comfort and responsiveness for targeted support close to the body
- Resists sagging and settlement
- Offers a durable, long-lasting sleep surface in a variety of coil count configurations for improved performance

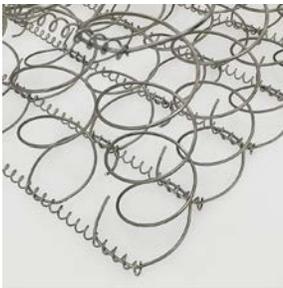

## OPENCOIL CORES - BENEFITS

### SpringEase™ Support System

#### Comfort Technology

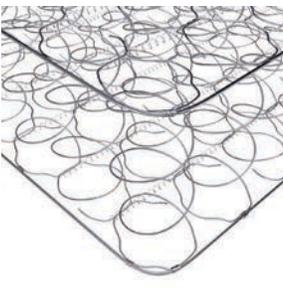

- Unique design ergonomically supports the body
- Responsive support and customized comfort
- Consistent support across entire sleep surface
- 360° Foam Encasement adds comfort, strength and durability with full edge support
- Open design of coils and Foam Encasement allows for increased airflow and breathability to ensure temperature regulation

### BalanceSpring™ Support System

#### Comfort Technology

- Unique shape of strong offsetting coils provides consistent surface support
- Resilient design fully supports body weight for a comfortable night's sleep
- Dynamic response to natural body movements delivers a buoyant feel
- Full, consistent support edge-to-edge delivers a larger, stable sleep surface
- 360° Foam Encasement adds comfort, strength and durability with full edge support
- Open design improves airflow and temperature regulation for a cooler sleep surface

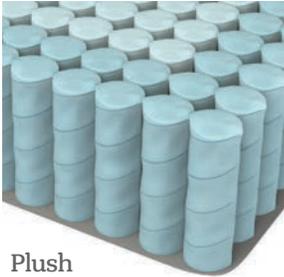

### ResponseSpring™ Support System

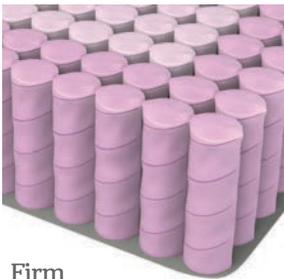

#### Comfort Technology

- Unique shape of sturdy offsetting coils provides consistent surface support
- Resilient design fully supports body weight for a comfortable night's sleep
- Dynamic response to natural body movements delivers a buoyant feel
- Full, consistent support edge-to-edge delivers a larger, stable sleep surface
- Open design improves airflow and temperature regulation for a cooler sleep surface

## POCKETED COIL CORES - BENEFITS

Plush

Firm

### Advanced IsoCore™ Support System with Edge Zoning Comfort Technology

- Unique design ergonomically supports the body to reduce partner disturbance and provide deeper, longer sleep
- Zoned edge support delivers better stability, durability and consistency edge-to-edge
- Ultra-responsive support and customized comfort with individual coil movement
- High coil count gives consistent support across the entire surface of the mattress with built-in durability, improved comfort and less sleep disturbance
- Coils feature unique ergonomic design with dynamic stress-relieved wire to comfortable support body weight and spring back to their original shape after use
- Open design allows for more airflow and breathability to ensure natural temperature regulation and a cooler sleep surface
- More efficient heat transfer ensures all night cooling

### Infinity Coil Support System with Edge Support

The InfinityCoil Support System features durable edge support built with high-caliber pocketed coils steel coils surrounding the edge of the mattress for enhanced and more durable edge support. The Infinity pocketed coil support system layer is made of individual fabric-wrapped coils that can move independently, providing dynamic support for your body with added contouring, reduced motion transfer, and natural temperature regulation resulting in a more fantastic and supportive sleep experience.

#### Comfort Technology

- Designed to provide a larger, more consistent edge-to-edge sleep surface
- Natural breathability and temperature regulation
- Longer-lasting coil system made to contour to the body
- Prevents roll-off by delivering a firm edge enhanced support at the head & foot of the bed

A woman with blonde hair, wearing a blue top and a dark grey cardigan, is sitting on a bed. She is holding a light blue bowl filled with popcorn and is eating. The bed has a dark grey, quilted blanket with a geometric pattern. In the background, there is a lamp with a beige shade and a grey vase. The overall scene is cozy and relaxed.
