

Capability Statement

ABOUT

Avatar Mattress Corp is a Mattress and Bedding Wholesaler. We specialize in bulk orders and can combine your purchases of our products with our delivery, installation, de-installation and disposal services. Avatar has over 200 mattress types to choose from. We deliver quickly and met our customer's requirements through our focused direct communications, to give you what you want, when you need it.

Avatar prides itself on combining our many high quality products, from multiple manufacturers, with our exceptional customer service. Our primary customers range from government procurement personnel, to hospitality resorts, hotels and university buyers.
