

Capability Statement

ABOUT

Avatar Mattress Corp is a Mattress and Bedding Wholesaler operating registered in Indiana but operating nationally. We specialize in bulk orders and can combine your purchases of our products with our delivery, installation, and removal services. Avatar has over two hundred mattress types to choose from. We deliver quickly and met our customer's requirements through our focused direct communications, to give you what you want, when you need it.

Avatar prides itself on combining our high-quality products, from multiple manufacturers, with our exceptional customer service. Our primary customers range from procurement agents for the government, hospitality facilities, resorts, hotels, and universities.
