

HOME WATCH CHICAGO

Trusted Property Care While You're Away

Since 2008, Home Watch Chicago has provided professional, worry-free property monitoring for homeowners, sellers, and long-distance clients throughout the Chicago area.

What We Do

- Routine home check-ins
- Monitor for leaks, water damage, or mold
- Climate & thermostat monitoring
- Run faucets, flush toilets, and test appliances
- Meet contractors and schedule services
- Coordinate deliveries and access
- Storm checks and post-weather inspections
- Detailed reports after every visit

Why Homeowners Use Us

- Peace of mind while traveling or living out of town
- Prevent costly issues before they become emergencies
- Keep your home running smoothly
- Ideal for vacant listings, second homes, and estates
- Protect your home and insurance coverage requirements

- Trusted by realtors, investors, and families since 2008

Perfect For

- Homeowners traveling for long periods
- Clients who moved out before closing
- Out-of-state sellers
- Second-home owners
- Busy professionals
- Elderly parents' homes
- Estate properties
- Anyone who wants their home checked by a professional

Our Promise

Your home is treated with the same care we would give our own.

We protect what matters most — so you can focus on what matters to you... **Peace of mind. Every visit.**
