ABOUT US

5W Solutions, LLC is a Boutique, Women Owned Small Business (WOSB) Consulting Firm located within the Maryland, Metro DC area. We provide Federal government, Department of Defense (DoD), Local government, and Corporate entities the following services: Financial, Administrative, Customer Service, and IT Consulting service

Backed by the principles of Industrial and Organizational Psychology 5W Solutions, LLC offers a tailored approach to managed services. Our experienced consultants support the full enterprise IT lifecycle, offer a comprehensive array of professional and technical services, meet operational and critical planning, administer industry training while meeting staffing needs.

Our Philosophy: We know what makes a business thrive and it starts with the people. Our five core capabilities identify our businesses winning and inclusive approach to meet the client's mission to succeed.

When providing the 5W's of Winning we deliver...

- ⇒ **Who:** Systemically qualified personnel who build seamless partnerships between our clients and their customers. accelerating them toward the organizations vision, mission, and goals.
- ⇒ **What:** A business acumen that effectively manages human, financial, and information resources strategically .
- ⇒ **Where:** Cross industry coalitions to achieve commonly sought goals. We go where the need is .
- ⇒ **When:** Readily available knowledge champions when your organization is leading change both within and outside your organization to meet or exceed organizational goals.
- ⇒ **Why:** High quality technical knowledge, analytical and risk assessments that meet the end state of a results driven plan.

5W Solutions, LLC Highlights:

- ⇒ Program management support for the Defense Health Agency's (DHA) medical facility Transfer of Function (TOF)
- ⇒ Policy and Audit support for the Medicare- Eligible Retiree Health Care Fund (MERHCF)
- ⇒ Fiscal Policy and Data mining for the Common Cost Accounting (CCA) Initiative across all military services
- ⇒ ERP risk assessment and conversion for the Prince George's County Waste Management and Facilities Management's Budget system
