

TT2 Parents,

The health and wellness of TT2 students, faculty, staff, our families, and our community are of the utmost priority to all of us here at Tumbletown 2.

It is for this reason that I must inform you all that we will be canceling all scheduled classes at Tumbletown 2 effective immediately, with a tentative restart date of March 30, 2020. This decision was a very difficult one for many reasons. However, based on the Troup County School System's decision to cancel school, we believe we must follow suit to ensure that our students, your children, are protected and safe.

While this is something that can never be planned for, we promise to proceed in a way that serves you all in the best manner possible. We will be internally discussing options for rescheduling over the next few days and will update you with any information as soon as we have a better understanding of the overall situation. Until that time, we ask for your patience and trust. We promise that we will ensure all classes are made up promptly.

Tumbletown 2 is more than just a gym/dance studio, we are a family! And as a family, we stick together when times get tough! We are so grateful for each one of you and hope that you know we do this only for what we believe is your best interest! We welcome any questions but ask that you understand we may take up to a day to respond as we are quite busy right now.

Thank you so much for your support! Be safe!

Love,

Miss Angela and the TT2 Family
