## **EVERYONE HERE IS LONELY WITHOUT YOU AND YOU AND YOU !!**

It seems impossible that everything in the world as we know it has changed and in many cases ground to a halt. I am thrilled that we are still able to deliver Meals on Wheels to YOU each day and that our Friendship Meals, via Curbside Delivery to YOU have been such a hit. While we are providing the essential nutrition, our new delivery styles don't allow for that social interaction that we all love and miss. The unknown remains: we are just not sure when we will begin a return to the old normal: lunch inside, buses running, daily activities, parties and trips. I have often told individuals and groups that this is the best job I have ever had: great Board, fantastic co-workers and staff and most of all YOU. YOU come here daily or weekly to eat, shoot pool, sew, talk and laugh, play cards or work on the puzzle. (By the way, the puzzle hasn't changed at all in the past month. L) These two places and this job are just not the same without YOU. I need to see the wheels on the buses going round and round and I need to see YOU smiling and talking and laughing. Watch the newspaper and Facebook for information about when we can re-start. We will most likely ease our way back in to all services. We have lots of cards to play, quilts to sew and trips to take. I promise you a return to the fun times and a caring staff.

***Opportunity awaits, as soon as we are set free from COVID-19.***
