CANDIDATE FOR JUDICIAL CIRCUIT COURT  
3RD SUBCIRCUIT  
DUPAGE COUNTY

Hope Fatima Mercado has been a licensed attorney in Illinois for over 20 years. Hope began her legal career in Chicago as a civil litigation attorney, specializing in contract disputes, personal injury, and family law. In 2011, she established her law practice in DuPage County, where she serves clients from diverse backgrounds. She is a member/owner of Hope Law Firm, LLC, based in Oak Brook, Illinois, and advocates for fairness in the judicial system, safe communities, quality education, a strong Illinois economy, ethical law enforcement, and community accountability.

As the 7th of 10 children in a large immigrant family from the Philippines, Hope is the first to graduate from college and become an attorney. She holds a Bachelor of Arts degree in Philosophy from Loyola Marymount University, Los Angeles, and obtained her law degree from Western Michigan University Cooley Law School in Michigan. Beyond her legal career, Hope volunteers at food pantries, serves on the board of a local Catholic school, and teaches religious education to 7th-grade children in Downers Grove.

With her background, life experience, and tenacity, Hope will bring a new perspective to the DuPage Circuit Court. Hope and her husband, John E. Krull, are active community members living in Downers Grove.
