

Why a Vote-by-Mail Option Is Necessary

The DuPage Republican Party urges registered voters to VOTE by MAIL if they cannot vote early or in-person on November 5, 2024, due to illness, advanced age, disability, or unavailability.

Remember that every vote counts, so please help our Republican candidates win in November. If you wish to take this option to VOTE by MAIL prior to the general election in November, you must register now and fill out an application and return it to the DuPage County Clerk's Office, Election Division.
