

## **Welcome to the 2023 Corn Maze @ Parrish Pumpkin Patch!**

For 15 years (this year's theme), we have enjoyed entertaining our pumpkin patch patrons with a unique maze theme. Last year, our maze was wedding themed, to commemorate the two-thirds of the Parrish children who got married, & Parrish View Farms opening as a year-round, special event/wedding venue! You will NOT WANT TO MISS the silo theater corn maze footage and one-of-a-kind music video...think Taylor Swift, that correlates to the "EZ Maze" theme.

**You have chosen our "easier" corn maze option. If you prefer more of a challenge (no guide provided), return to the entrance and make your way straight ahead & find the big circle!**

**Here's a fun video to get you going!**
