Dear Friend,

Currently, there are 200 veterans experiencing homelessness in Maine. Eliminating homelessness in veterans is well within our grasp. Join us on Thursday, October 2nd, at Erik's Church in Windham to support those who have served.

Want to make an even **bigger impact**? We are actively seeking sponsorships from kind organizations like yours and believe that your partnership will greatly enhance our event.

VOA is a human and social services nonprofit **serving our most underserved neighbors**. For over 30 years we have been helping Mainers overcome the most difficult tasks. **Ending homelessness in veterans** is one of these tasks, one that is achievable, together.

As a sponsor, your company/organization will receive prominent recognition. We offer a range of sponsorship packages to suit various budgets and objectives. These packages can include **brand visibility** through **logo placement** on event materials, mentions **in press releases** and **media coverage**, and speaking opportunities.

The proceeds from the event and your sponsorship will **directly benefit veterans seeking to emerge from homelessness**, including residents at our program, Cabin in the Woods. Together we can provide housing and services to those who have defended our freedoms.

VOA's sixth annual *Operation: Brew & 'Que* will be hosted at its new home, Erik's Church! Stop by for "Good times and bad dancing". Don't miss out on their signature recipes and live music from After Dark.

Please see the enclosed materials for details about sponsorship opportunities. We look forward to **promoting your involvement in eliminating homeless in veterans** and building a relationship for future endeavors.

Contact me directly with any questions and visit our event website at <a href="www.brewquemaine.org">www.brewquemaine.org</a> for additional details.

Thank you for your time, consideration, and support,

Erica Koch
