

GA COMMERCIAL

FISHERMANS ASSOCIATION

September 28, 2023

Dear Members:

Please do not sign any petition papers from ASPA. We are going to represent ourselves in the trade action to make sure that the shrimp harvesters in each state are represented and the actual recipients of any future money.

All 8 of the shrimp producing states will file on behalf of their state members as the *United States Shrimp Harvesters Coalition*. *GEORGIA* will file as *Georgia Commercial Fishermans Association*, and NOT Georgia Shrimp Association, a defunct organization we believe does not represent the shrimp harvesters of Georgia.

You do not have to be a member to be represented by the GCFA. Our goal as USSHC and GCFA is to represent and protect the Shrimp Harvesters and Dock Owners as equal and full petitioners as we are the ones who suffer Material Injury from Imports. We have been the only group who has not made millions from the tariffs or back door agreements.

GCFA and USSHC will present these petitions (they are expecting them) to the ITC and DOC for increased tariffs and possible quotas along with any other remedies we can file. *We need a record of your support for any future remedies that may involve money.*

GCFA BOARD of DIRECTORS:

Paige Morrison (Chatham) - *President* Holly Boone (McIntosh) - *Vice President*

Glenda Miles - *Treasurer* Lorie Harris - *Secretary Pro Tem*

James McKinsey (*McIntosh -Membership/Marketing*) Mike Dubberly (Chatham) - *Board Advisor*. Bill Harris (McIntosh) Stevie Morrison (Chatham) Jeff Dubberly (Chatham). Roy Reagan (Candler)

Tracy Arnsdorf (Bryan) Johnny Woods (Liberty Co) Cal Lang (Camden Co)
