*Checking Account – Account has been opened with US Bank, Tracy & Lily are authorized signers and Rachel will oversee the account as the Treasurer. WAR will be getting a card reader from US Bank so that people can use their cards while registering for our events. The card reader was free and US Bank will charge a 2.8% transaction fee.

*Social Media – Charlie did an online poll via Facebook and the overwhelming vote was to use FB for our event notifications. WAR will continue to cross post events on Facebook and Meet Up until further notice.

NEW BUSINESS:

These are the Founding Members and will remain in office until they choose to vacate. Once a position has been vacated elections will take place for the vacant position.
