

How many of you know what we mean when we say Palm Sunday? Palm Sunday refers to the Sunday before Easter. It's called Palm Sunday because on that day, Jesus rode into Jerusalem on a donkey, and all the people were praising Him and waving palm branches in honor of Him.

- 1 gallon of water.

Did you know that looking at different sized bubbles is kind of like looking at Jesus? When we become a new Christian, what we know about Jesus is kind of like these small bubbles, what we know about Jesus is small. As we grow and get to know more about Him, we will soon understand much more about Him. But here's the cool part!

No matter what we learn about Jesus in our time here on earth, there will always be something more about Jesus that we still don't know - Jesus is that big! That's why it's important, throughout your whole life, to keep learning about Jesus by going to church and reading your Bible. As you do, you will learn more and more about who He is, and you will discover that He is so much bigger than you could ever know. And, the best part is that as you learn those things, you will want to worship Jesus more too.

That leads us to our Exclamation Point for today!

When you started this lesson, your thoughts about Jesus might have only been as big as the small bubbles in the video. But, by the time you are done with this lesson, you will see that your thoughts about Jesus will be much bigger! And, the bigger your thoughts about Him, the more you will want to worship Him. Why? Because the Bible says that the more we learn about Jesus, the more we will love Him, and the more we love Him, the more we will want to worship Him! One of the ways we can worship Jesus is by singing songs of praise to Him.

Watch these videos from Yancy Ministries and sing along.

As we learned a little bit ago, Palm Sunday is the day that all the people praised Jesus as He entered Jerusalem on a donkey. Unfortunately, the people who were praising Him had a problem. They didn't fully understand who Jesus was, and because of that, they were praising Him for the wrong reasons.

Watch this Bible story and learn more.

The people who were praising Jesus didn't know who He really was. They thought He was coming to get rid of the people who were ruling over them. But was that who Jesus was, just an earthly king? No! Of course not! Jesus is so much more than that!

Let's take a look at today's Bible verse.

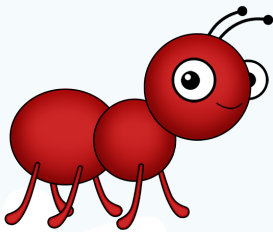

**“How great is our Lord! His power is absolute!
His understanding is beyond comprehension!”
Psalm 147:5 NLT**

Let's take a moment and check in on our video friends over at "We Were Young Once Too." If by chance, you missed their online Christmas Episodes, you are going to find out that our three friends have been given the ability to enter the cartoon world.

Let's watch and see what happens!

It would be pretty cool to be able to shrink down to the size of an ant, but it might be pretty scary too. What do you all think? At the end of the Bible Story, and in the show we just watched, you saw three big words that describe Jesus. Do you remember what they were? They were Omnipotence, Omnipresence, and Omniscience. Three big words some like to call the Omni Brothers.

Omnipresent - Do you remember what that means? It means that Jesus is everywhere all the time.

Omnipotent - Do you remember what this means? Jesus is all-powerful. There is nothing more powerful than Him.

Omniscient - Do you remember that? Jesus is all-knowing. He knows everything about everything!

Now would be a good time to go through some fun activities, where you will learn more about the Omni Brothers and how they help us learn more about who Jesus is!

What Do I See (Omniscient)

Items needed: A Blank Sheet of Paper

Jesus knows the number of stars in the sky and the number of hairs on our heads. He knows the answer to every question and sees and understands everything that happens around us, even when we can't. Because of this, don't you think we should go to Him when we have questions or worries?

Don't rely on your own wisdom to try and understand things that you cannot see. Instead, rely on Jesus to help you with all your questions and worries. He is the source of all knowledge and understanding.

Jesus is All Knowing.

Balloon Blow (Omnipotent)

Items needed: A Balloon

Jesus is more powerful than anything or anyone. Because of this, Jesus is powerful enough to bring the plans He has for you into being. So you don't need to be afraid about anything because Jesus has the power to help you live your life. There is no person, circumstance or force of nature that can stop Jesus' plan for your life.

Remember - We don't worship a God who has just a little power.

We worship a God who is more powerful than anything!

Invisible Ink (Omnipresent)

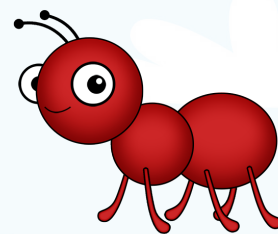

Items needed: Lemon Juice and a Hair Dryer

What are some things that you cannot see, but you know are present? (Wind, air, gravity, etc.) Did you know that Jesus is always near you? Just like we couldn't see this message, we can't see Jesus. But just like the message was always on this piece of paper, Jesus is always with us. When are some times you are afraid? (When I am at a new school, when I'm lost or alone, when it is dark, when I am in a new place.) During scary times, we can remember that Jesus is always with us. Jesus is Omnipresent which means He is always present.

Because Jesus is always present, we should worship Him. We don't need to be afraid, we can talk to Him at any time. He is always with us everywhere, all the time, and we are never alone.

Let's watch our Exclamation Point one more time.
