

Mennonite New Life Centre of Toronto

COMMUNITY ASSESSMENT

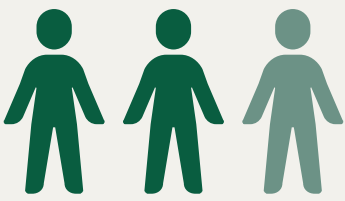

The Area

MNLCT is located in the neighbourhood of Downsview, in the north end of Toronto. Next door are multiple walk-in clinics in addition to Humber River Hospital.

The Clients

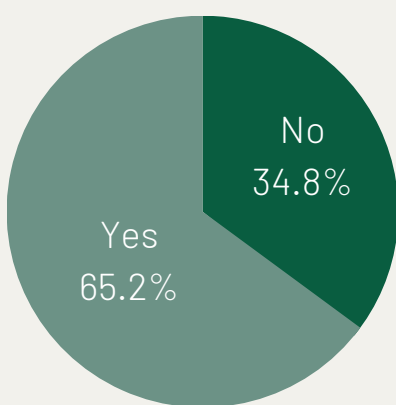

2 in 3 surveyed clients at MNLCT (64.9%) answered "Yes" when asked if they have any trouble getting health care services when necessary.

Why?

Reported challenges include long wait times, physician shortages, uninsured costs, and more.

% respondents with a
primary care provider

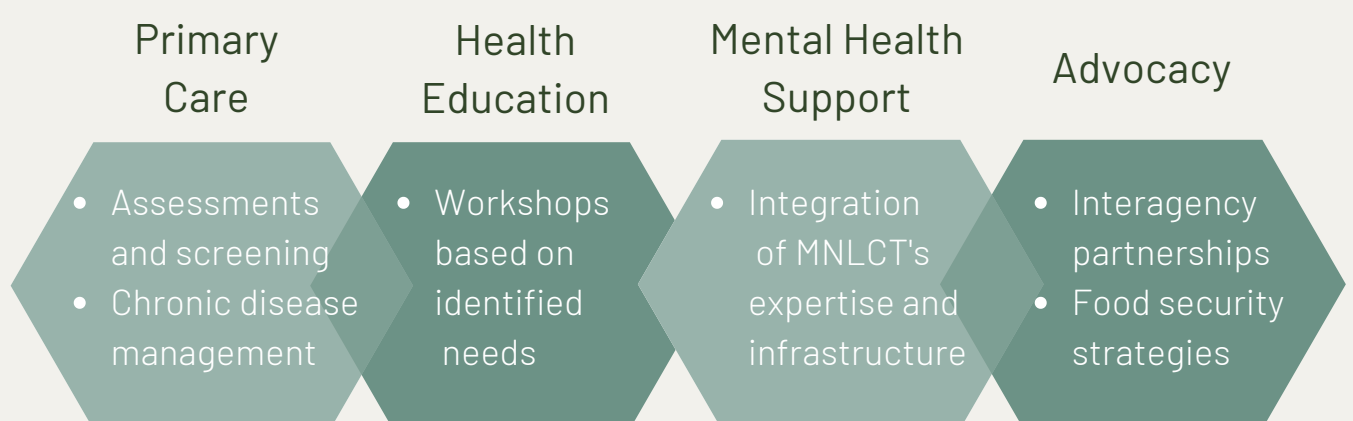

Main Needs

Services that MNLCT clients would like to receive at a nurse-led health clinic include:

- Dental, vision care (68.4% of respondents)
- Consultations with specialists (68.4%)
- Health screening or prevention (61.8%)
- Emotional support to help with stress, anxiety, depression (57.9%)
- Nutrition and exercise programs (56.6%)
