Dear Sponsor,

On Friday 30th August, 2019 **Houghton Brothers Fencing & Cook Brothers Landscaping** will be holding a Charity Golf Day to raise funds for the **Blackdog Institute** and raise awareness for Men's suicide prevention. This is a very important topic and we as local businesses want to help the community as much as possible.

This is the first event we have hosted but aim for it to be an annual event, growing every year whilst growing awareness.

That is where we need you to come on board and support the cause by sponsoring one of the below or donating as every cent counts.

We look forward to your contribution and working as a team and community to break the stigma.

☐ **Nominated Donation/Prize To Charity**

These categories apply to each hole. Your business name will be displayed on the score for the applicable hole.

First in best dressed by completing the form below and paying your contribution.
