WHY JIMINY CHIPS ARE SUPERIOR

CRUNCH

The freshest chips on the market.

- We replace the frying oil weekly so every batch stays clean, bright, and crisp.
- Premium peanut oil — a satisfying crunch that is never greasy and never dry.
- Made in the store daily. Not sitting in a warehouse. Not sitting on a truck.
- The Jiminy Snacking Machine fries each slice just right.

NUTRITION

Clean potatoes. Honest ingredients.

- Premium chipping potatoes chosen for flavor and texture.
- Skin stays on. Potatoes are triple-washed so they are clean and healthy.
- No cholesterol. No trans fat. No MSG. Gluten free.
- Simple food you can feel good about — made in front of you.

FLAVOR

Potato first. Spice in support.

- A unique spice blend that brings out the potato instead of covering it up.
- Never overbearing. Never too sweet.
- Premium peanut oil lifts natural flavor without a heavy oil taste.
- Years spent perfecting both the recipe and the machine.
