The Movie Summary

This **Tested the Movie** depicts a form of what would be a modern day revolution.

The change from consciousness of the dead to consciousness of the living requires a radical shift in the way we think and behave.

Without a test.....there is no of knowing whether we pass or not.

Without the movie.....there is no visual/audio way of showing how people they can pass the test then conquer the issue using the correct tuition. “Without Knowledge” - “All shall Perish”.

The easy road can lead to a hard road.

When troubles come our way, unless there is a way of dealing with the problem ourself, the next step would be to find someone who can fix it to help us.

When something [tragic] or [horrifying] happens to us maybe a loved one could even be a family member then it is grief, trauma, anguish, anxiety, pain, distress, test of forgiveness, stoicism and a long list of worst case scenario.

The question then becomes.....“where is God?” “I thought you said God is always with us”

“I don't see a God around here do you?”. “Look at what has happened to a member of my family – a loved one”

We'll always remember whenever a test is carried out there is always silence till the test is complete. So Almighty God is watching, listening and in full awareness of the people, plants, animals, soil, sun, moon and stars etc at any given moment.

“No man hath a secret”

“Oh please Lord quickeneth me”

Lets uncover pieces of 'Tested the Movie' as to get an idea of what the film really portrays.

Firstly 'Tested the Movie' illustrates how people can be easily programmed to carry out a life that does not fit in alignment with themselves. Meaning people adhering to false doctrine on a consistent basis. People in a mild state of coma with an average amount of mobility and a bit more. People not aware of the power they posses to live a magical life in the present. Could be just self confidence, belief system, discipline you name it.

'Tested the Movie' sets out to show its viewers the methods and tactics that can be used to past the test which enables each and every one of us to break the chains of the traps set against us and be totally free.

Remember..... You don't know your in a trap unless you're aware that you're in one.

Let us then turn to 'Righteousness' to overthrow our adversaries.

The things we speak, things we listen to, things we consume on a daily basis may require a slight adjustment.

The things we eat, drink, smell, taste, pay attention to may also need a bit of altering.

Do I take revenge on my enemies into my own hands or let 'Jesus Christ' our Saviour take care of our problems?

“The Kingdom of God is inside of you”

“Tested the Movie”

The soul intention of this movie is to make this world a better place.

This world consists of Police Corruption, Negative Forces and Drug Dealers'

Here we have an Enlightened Minister going about his daily life when all of a sudden come a wave of uncalled for disastrous events begin to appear into his physical space. Evil attacks come upon the Enlightened Minister. A man now caught between good and evil.

A man having to deal with heartache and pain. A man who now has an honour to protect his family and friends. Should the Minister now take revenge himself rather than leave these overbearing, heart wrenching, catastrophic matters into Gods hands?

“He who believeth in me shall have eternal life”.

The Purpose

The purpose of 'Tested the Movie' is to manifest liberation through sincere faith and mighty works in the name of 'Jesus Christ' our Lord so all humans on planet earth can return to their authentic state as co-creators of the universe and live in peace and harmony.

I feel the calling to share this information about Tested the Movie as it will bring more peace around the globe. My eyes light up when I can contribute to making the world a better place and no doubt – anyone who is seeking for peace, justice and a better life can resonate with what Tested the Movie is all about.
