

Our Promise:

We guarantee you a versatile, sustainable protein that delivers robust nutrition straight from nature's best waters —ready to meet the needs of your kitchen and your diners

Impact Fisheries

Signature Proteins

Looking for a protein that meets the diverse needs of your kitchen while delivering exceptional quality and versatility?

Our wild-caught fish protein is designed to elevate your menus. From breakfast staples to lunch and dinner mainstays to savory mixes, it's the premium protein your operation—and your diners—deserve.

Versatile Across Menus:

This protein adapts effortlessly to any dish. Use our breakfast links to kickstart the day, offer patties for hearty meals, grill bratwurst for bold flavor, or blend minced product into meatloaf, salads, and soups—your creativity sets the limit.

Nutritious and Wholesome:

Packed with omega-3 fatty acids and high-quality protein, it's a health-conscious choice that fuels your diners without compromise— perfect for institutions and families alike.

Sustainably Sourced for Peace of Mind:

Harvested from thriving natural waters, it's an eco-friendly option that aligns with your sustainability goals and satisfies environmentally aware buyers.

Premium Quality You Can Taste: Wildcaught and crafted for excellence, our fish delivers superior flavor and nutrition, giving your kitchen a competitive edge in every bite.

Fully Traceable Assurance: Know exactly where your protein comes from—every batch traces back to the day, time, and place of harvest, ensuring confidence in quality and safety.

Wild Caught. No Limits!

This wild-caught protein brings a nutrient-rich edge and endless culinary potential, sourced from fresh waterways with no limits to how it can be prepared. It redefines natural protein standards tailored for buyers like you: managers and chefs who demand premium, digestible, low-allergen options that support muscle health and satisfy discerning palates.

Chef's Select

A great base to make your flavor creations. It can be used as an alternative in any recipe that calls for ground beef, pork, or turkey. Perfect for high-quality, easy meals, ensuring wholesome products for the whole family.

Ingredients: Chef's Select

Whitefish (Hypopthalmichthys Molitrix, Hypopthalmichthys Nobilis), TOCOBIOL ER (tocobiol, rosemary extract)(antioxidant)

Bratwurst Blend

A traditional German-style bratwurst made with finely ground product and a classic blend of savory spices, including white pepper, nutmeg, and marjoram. Offering a juicy bite with authentic, mildly seasoned flavor. Ideal for grilling or pan-frying.

Ingredients: Bratwurst Blend

Whitefish (Hypopthalmichthys Molitrix, Hypopthalmichthys Nobilis), Bratwurst Seasoning (Dextrose, Salt, Spices, and Silicon Dioxide added to prevent caking), Organic High-Oleic Sunflower Oil, Tocobiol ER (Tocobiol, Rosemary Extract)(Antioxidant)

Breakfast Blend

Our Breakfast Blend offers a mild, savory flavor profile perfect for breakfast menus and beyond. Crafted from premium, wild-caught fish and seasoned with a classic blend of sage, pepper, and spices, it provides chefs with a versatile, better-for-you protein that works anywhere.

Ingredients: Breakfast Blend

Whitefish (Hypopthalmichthys Molitrix, Hypopthalmichthys Nobilis), Breakfast Seasoning (Dextrose, Salt, Pepper, Sage, Other Spices), Organic High-Oleic Sunflower Oil, TOCOBIOL ER (Tocobiol, Rosemary Extract) (antioxidant)

Southwest Blend

A robust, Southwestern-style product made with high-quality fish and a signature blend of bold spices, including green chilies, smoked paprika, garlic, and onion. This coarse product delivers a mildly spicy, smoky flavor profile with a hint of heat.

Ingredients: Southwest Blend

Whitefish (Hypopthalmichthys Molitrix, Hypopthalmichthys Nobilis), Green Chili, Lime Juice, Organic High-oleic Sunflower Oil, Red and Green Peppers, Garlic Powder, Onion Powder, Black Pepper, Salt, Smoked Paprika, Mustard Powder, Chipotle, Chili Pepper, Cayenne Pepper, Tocobiol ER (Tocobiol, Rosemary Extract)(Antioxidant)
