

Walmart

The Berkshire Anne Hathaway's

By: CMO Tasha Phillips, CNO Nathan Ramos, CAO Jacob Bravo, CIO Ernie Stephenson, CFO April Estes, CEO Phil Bauch, and CPO Eli Von Berg

History

- Founded by Sam Walton
- Started as a small discount retailer in Rogers, Arkansas in 1962
- Began building supercenters in 1988
- Opened first Sam's Club in 1991 near Mexico City, which also made it an international Company
- Today:
 - Operates more than 10,900 retail units
 - Located in 27 countries
 - Online in 10 countries
 - Employs about 2.2 million associates

Wal-Mart Stores

- Walmart Discount Store
 - Opened first discount store in Rogers, Arkansas in 1962
 - Smaller than a supercenter but offer same merchandise
 - Employs about 200 associates
- Walmart Supercenter
 - Began building in 1988
 - Employs about 300 associates
 - Most are open 24 hours and some include specialty shops

Wal-Mart Stores

- Walmart Neighborhood Market
 - Designed in 1998 as a smaller footprint option for small communities in need of a pharmacy, affordable groceries and merchandise
 - Employs about 95 associates
- Walmart Express
 - Created in 2011
 - Offered in urban and rural areas that lack access to larger stores
 - Only about 1/12 of supercenter

Sam's Club

- Opened first Sam's Club in 1983
- Created to meet the needs of customers who wanted to buy merchandise in bulk
 - Club member's pay annual fee to shop
- More than 600 clubs in US and 100 Internationally
- Employs 110,000 associates in the US

Global eCommerce

- Offers customers seamless access to the products they want anytime, anywhere
- World's largest, fastest-growing and most dynamic ecommerce organization
- Walmart.com sees 45 million visits a month
- Mobile Apps puts power directly in the customers' hands
- Operates eCommerce websites in 10 countries

Wal-Mart International

- Became International in 1991 and operates in 26 countries outside the US.
- Employs 800,000 associates in over 5,500 stores
- Fastest growing part of Wal-Mart's overall operations

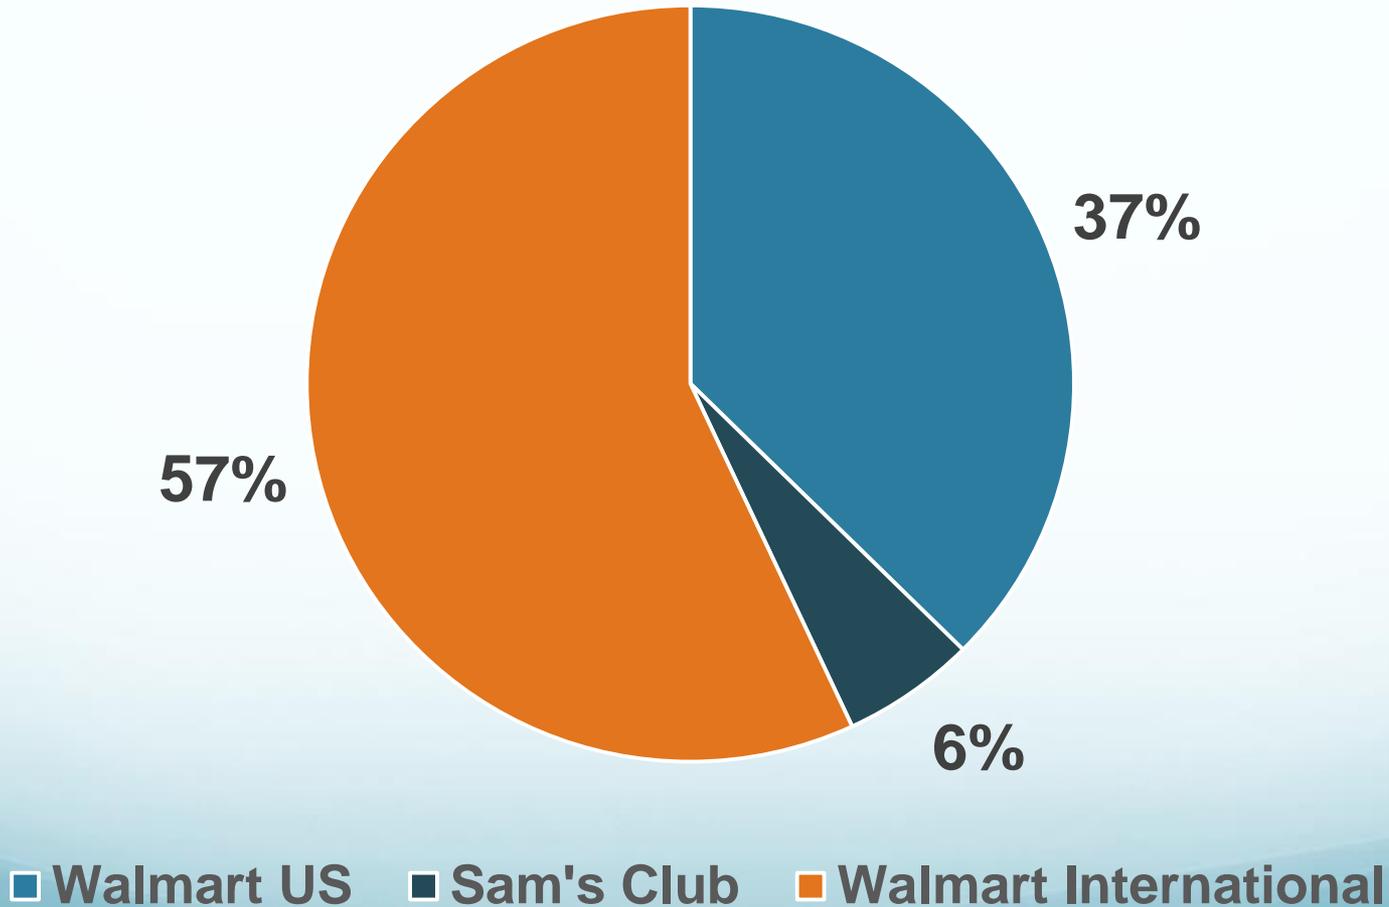

Logistics Company

- Logistics
 - Move products from manufacturer to distribution center to shelves in Wal-Mart
 - Private Fleet of 6,500 tractors, 55,000 trailers, and more than 7,000 drivers
- Distribution Centers
 - One of the largest distribution operations in the world
 - 158 Distribution Centers
 - 9 Disaster Distribution Centers
 - Each support 90 to 100 stores in a 200 mile radius

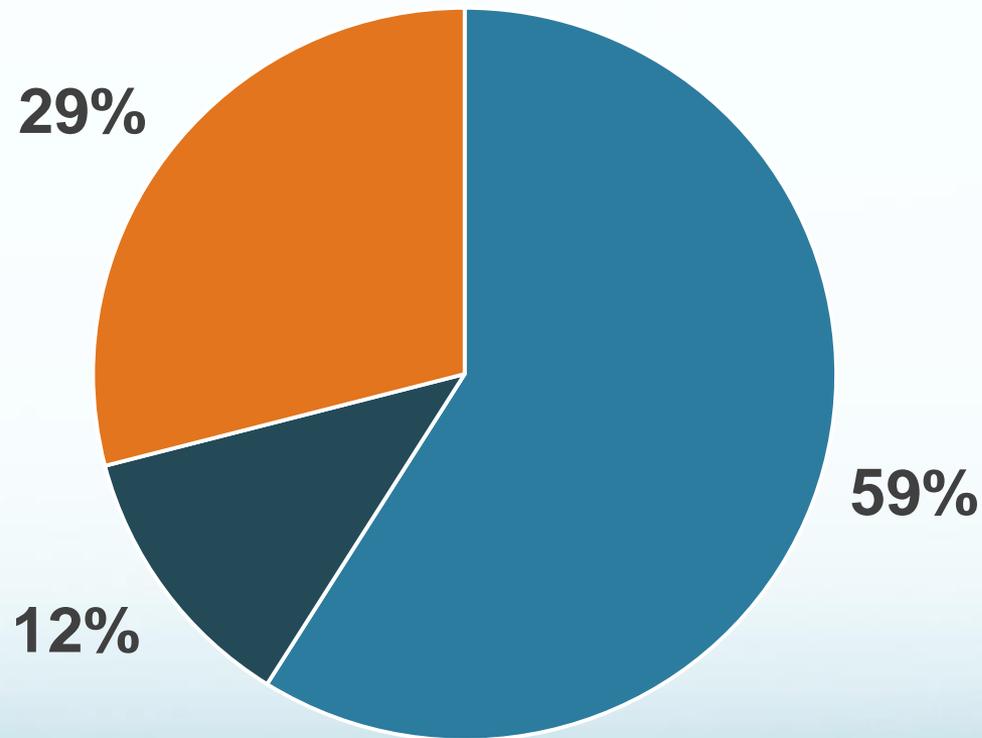

Store Growth

- 2003 – 4906 stores
- 2013 – 11455 stores
- Annualized Growth – 8.8%

% of Stores by Business Segments

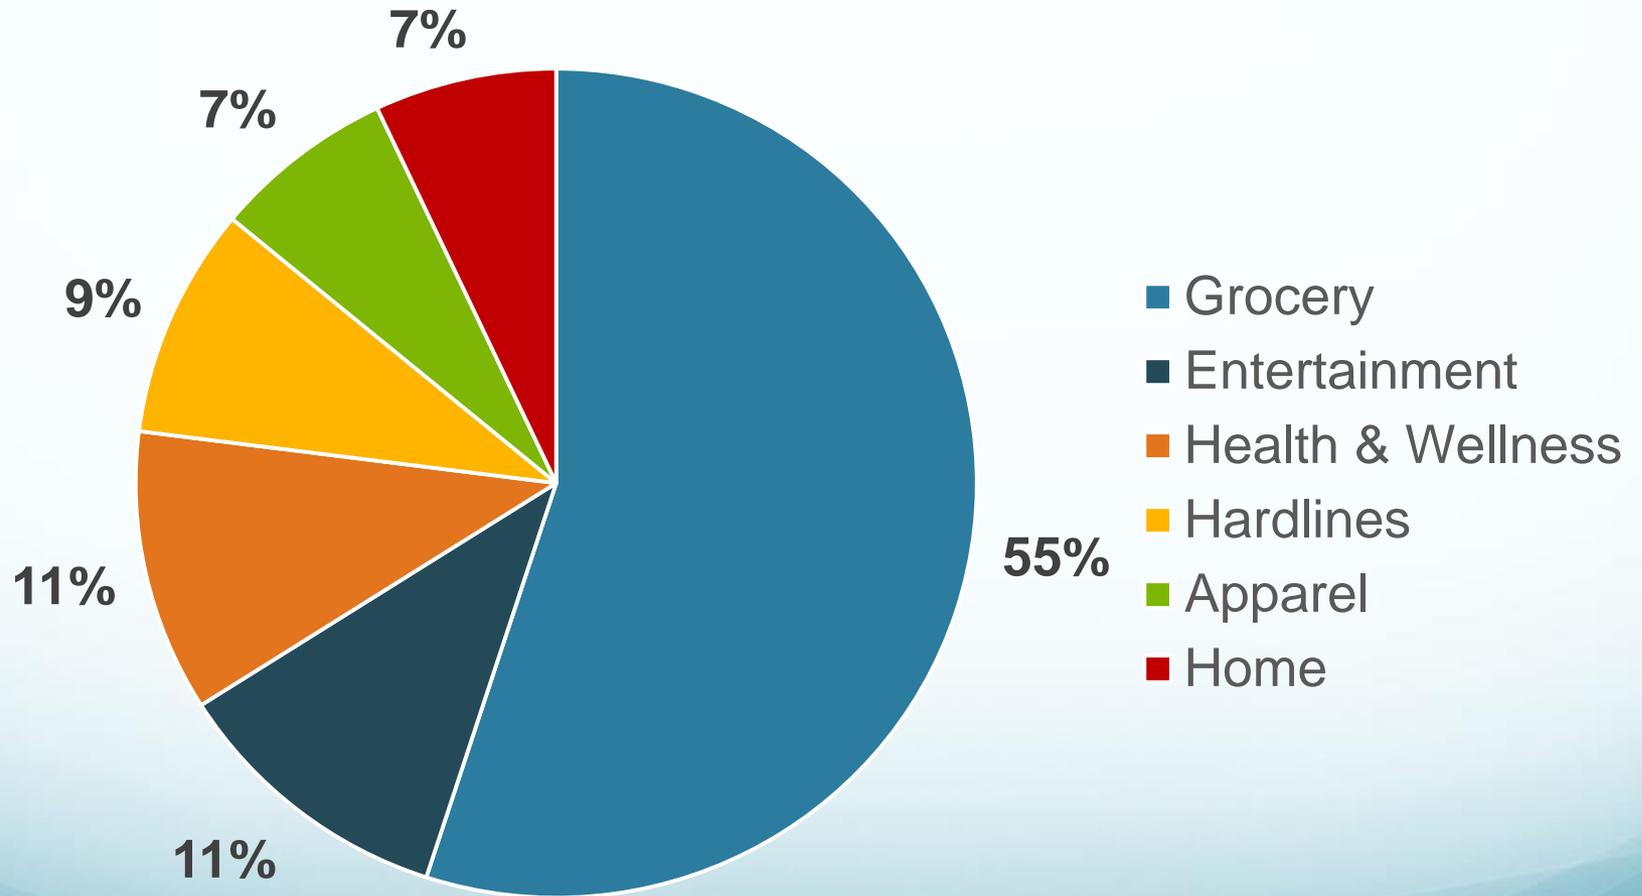

Sales by Business Segments

■ Walmart U.S. ■ Sam's Club ■ Walmart International

Sales by Category

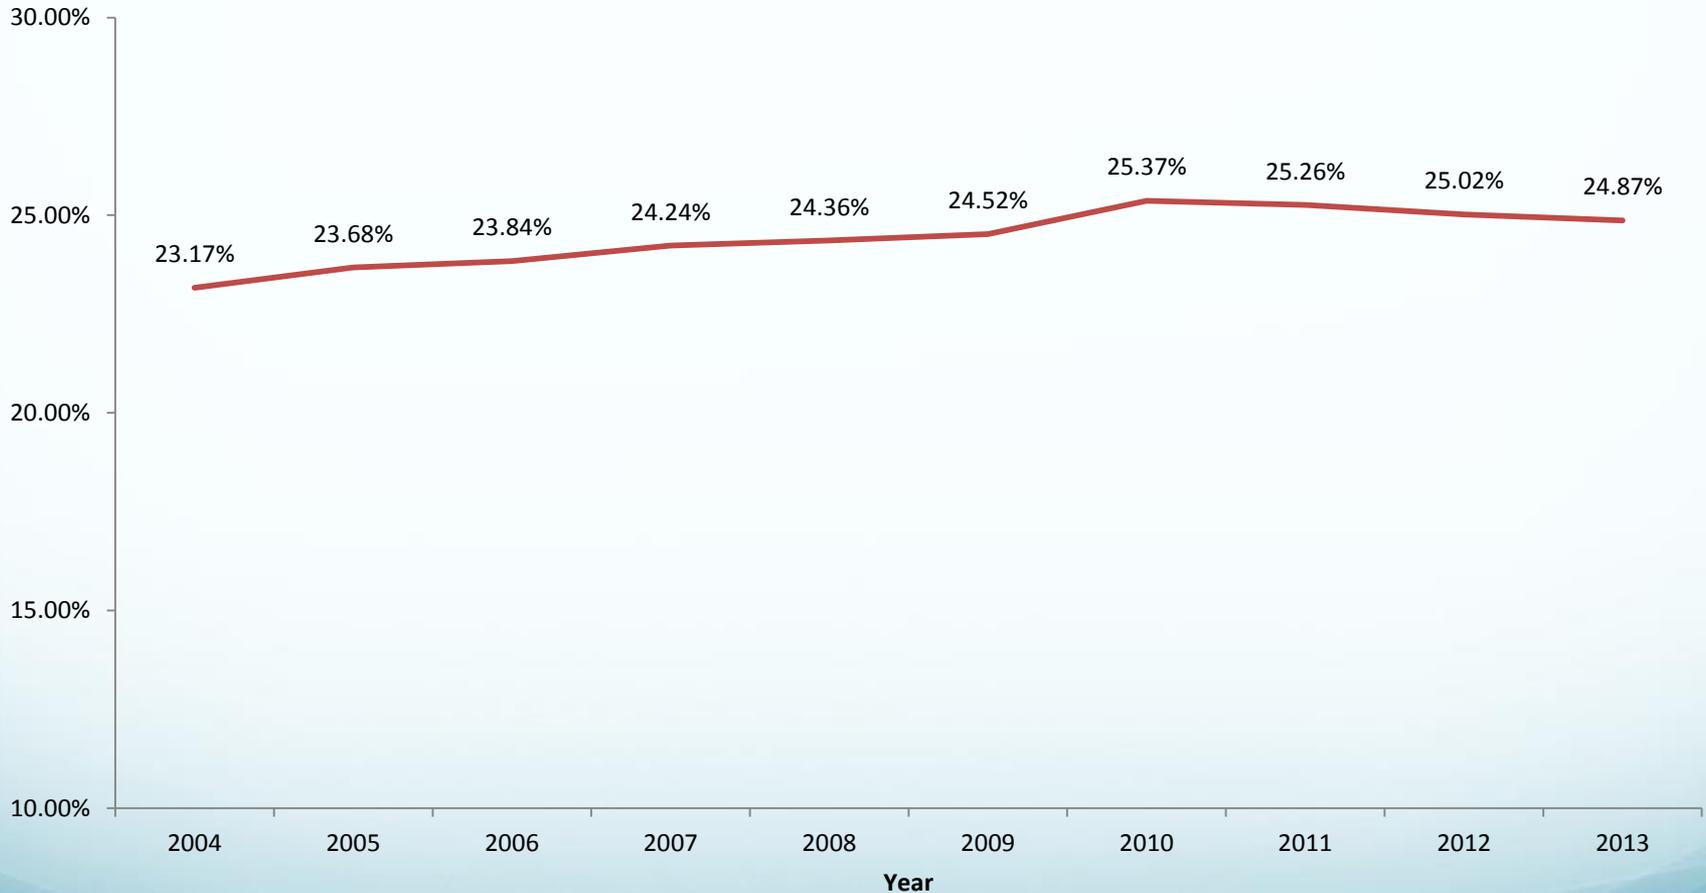

Main Competitors

- Costco Wholesale Corp. (COST)
- Target Corp. (TGT)
- Family Dollar Stores Inc. (FDO)
- BonTon Stores Inc. (BONT)

Risk Factors

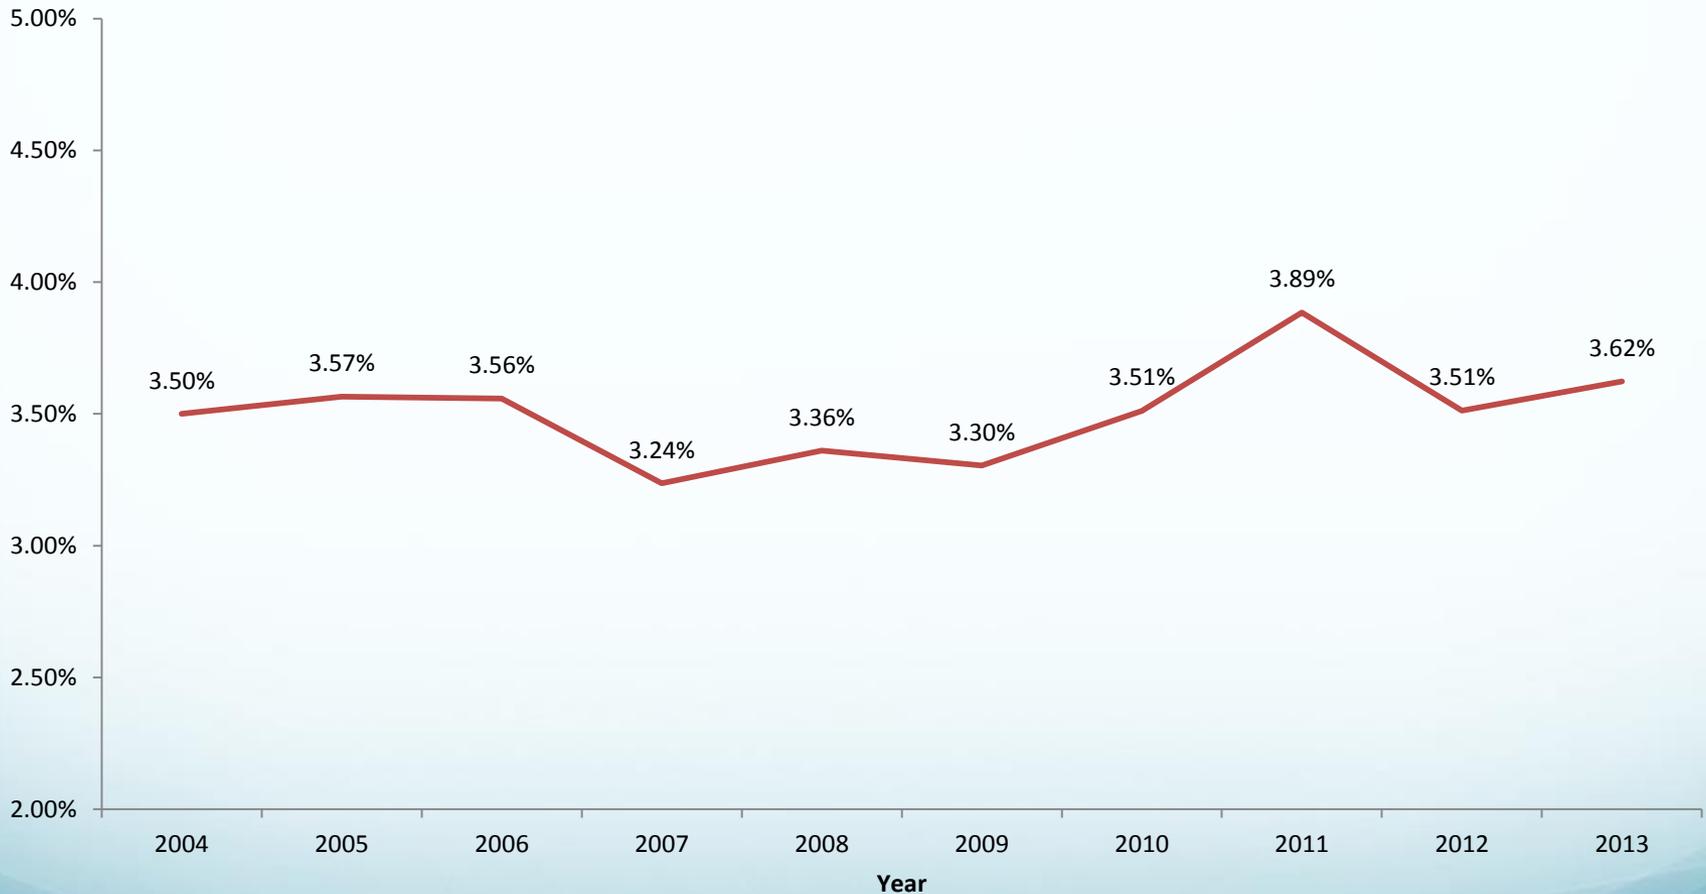

- Domestic and International macro-economic factors
- Domestic and International impediments to expansion
- Failure to attract and retain qualified personnel
- Supplier risk
- Legislative, judicial, accounting, regulatory, and political risks
- Legal Proceedings
- Technology based systems preventing customers from using online site
- Ability to not identify consumer trends

Gross Profit Margin

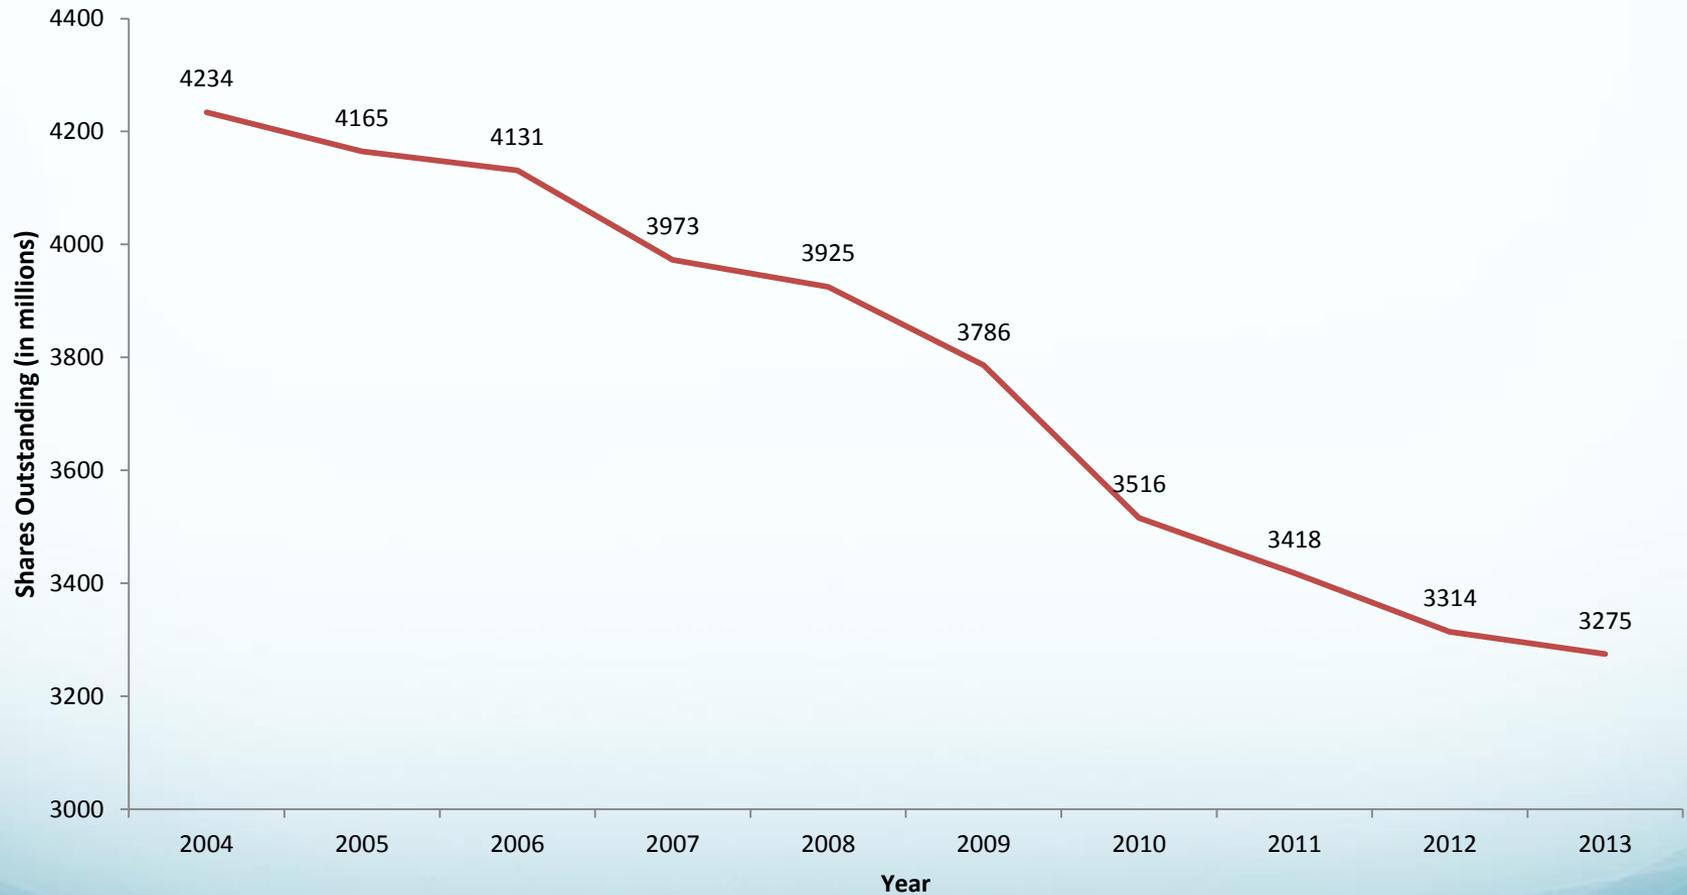

Does not meet 40% threshold, but is consistent.

Net Profit Margin

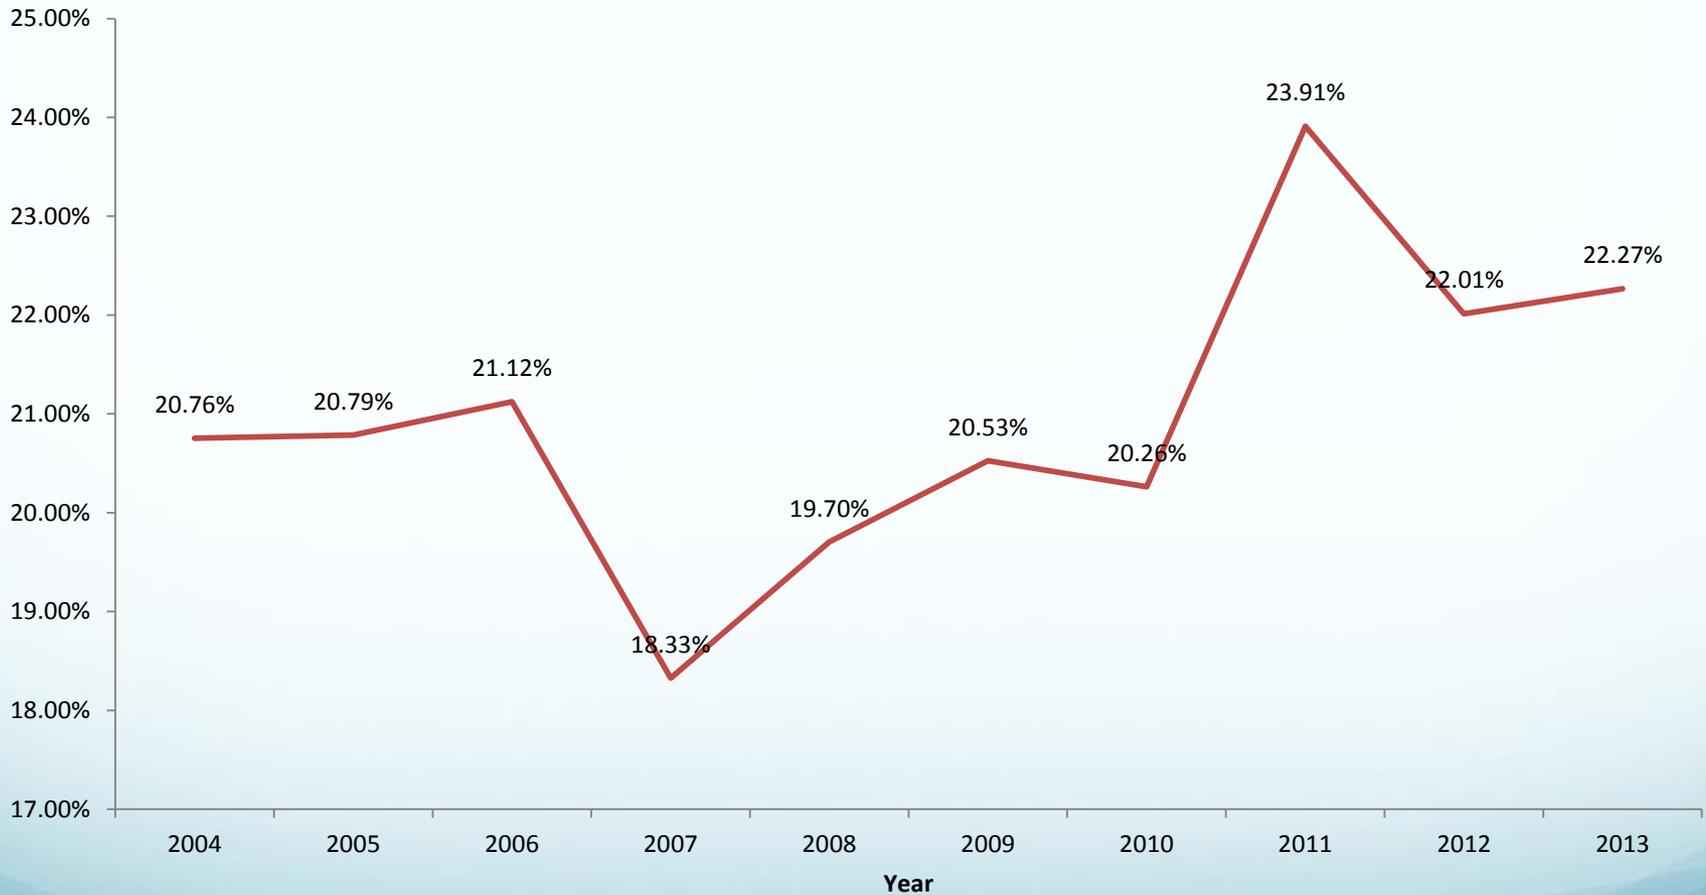

Consistently around 3.5%.

Shares Outstanding

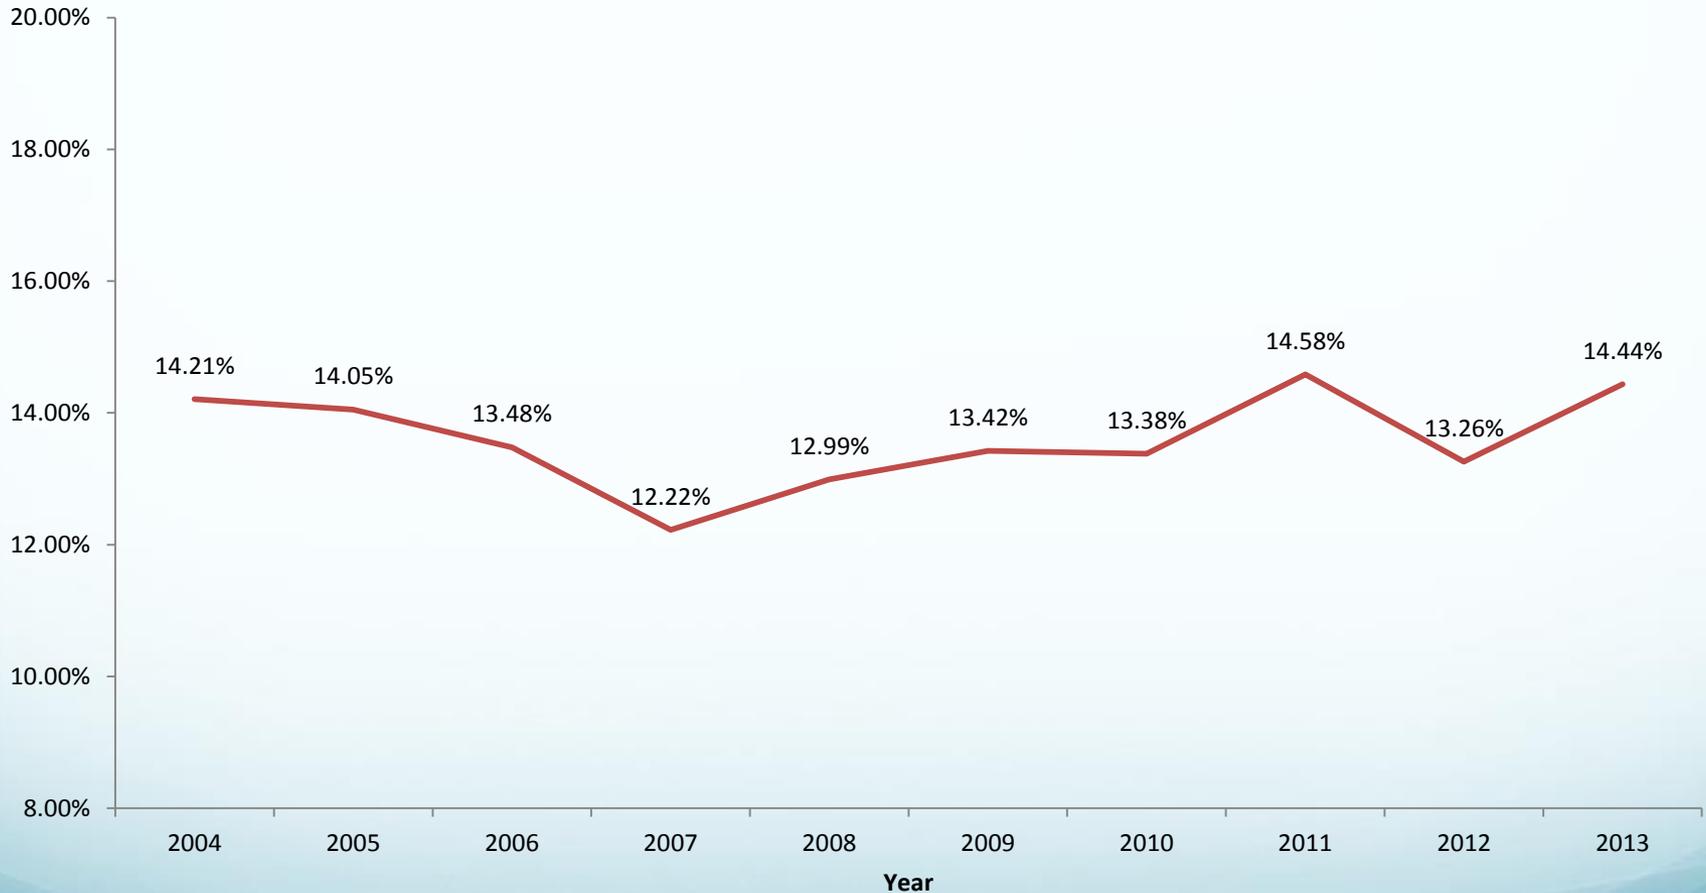

Favorable decreasing trend.

Return on Equity

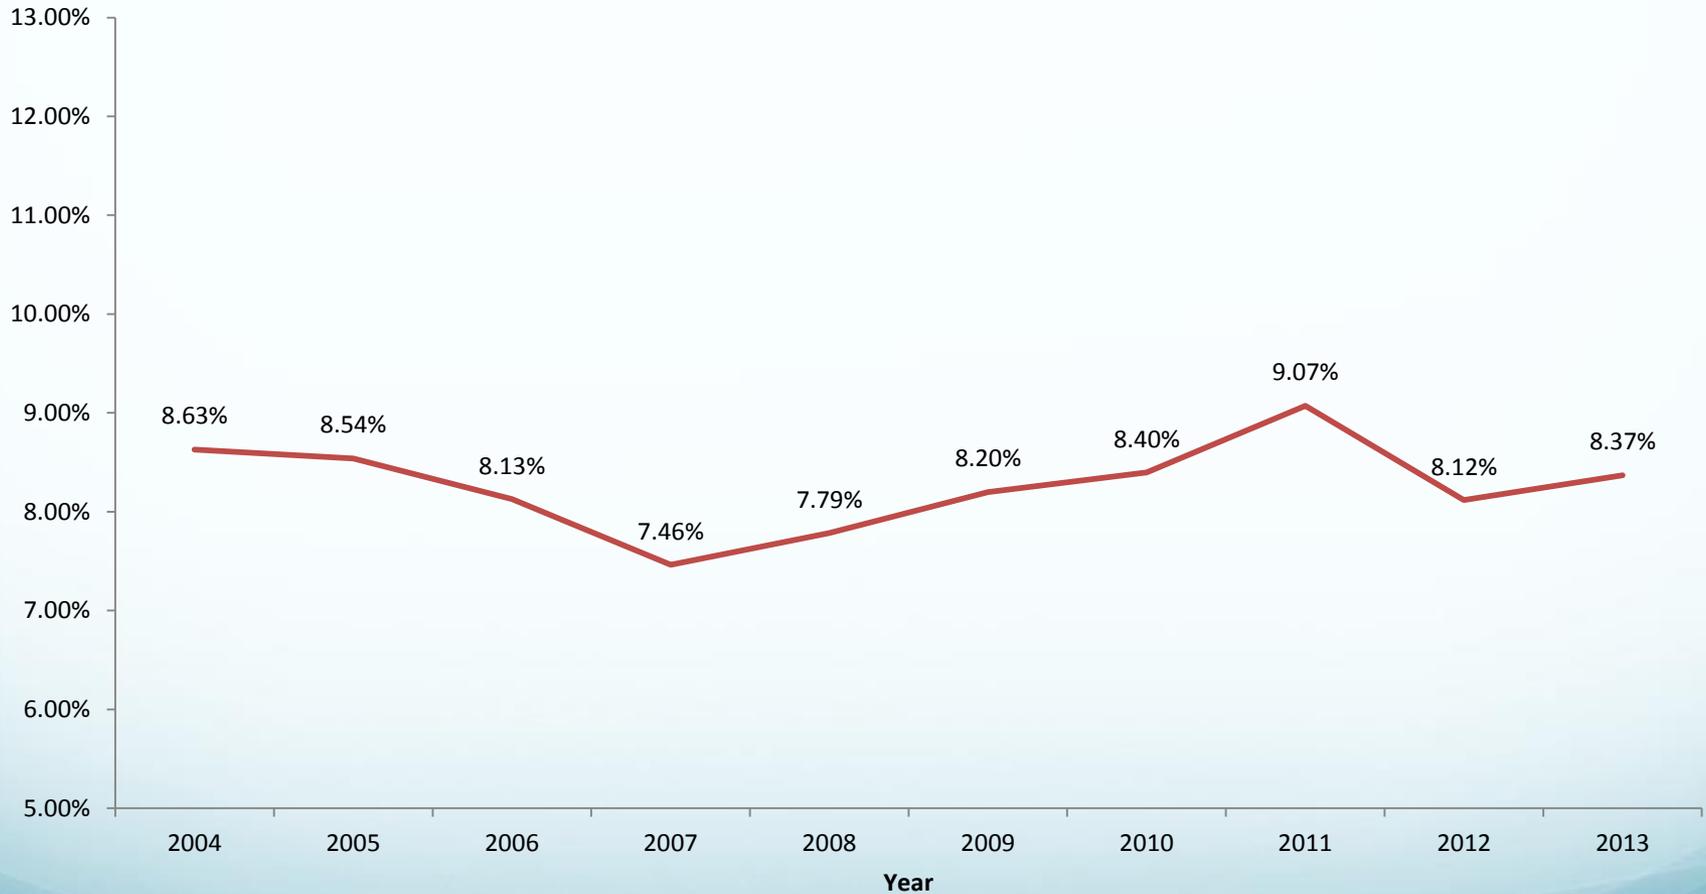

Meets 15% threshold all 10 years.

Return on Capital

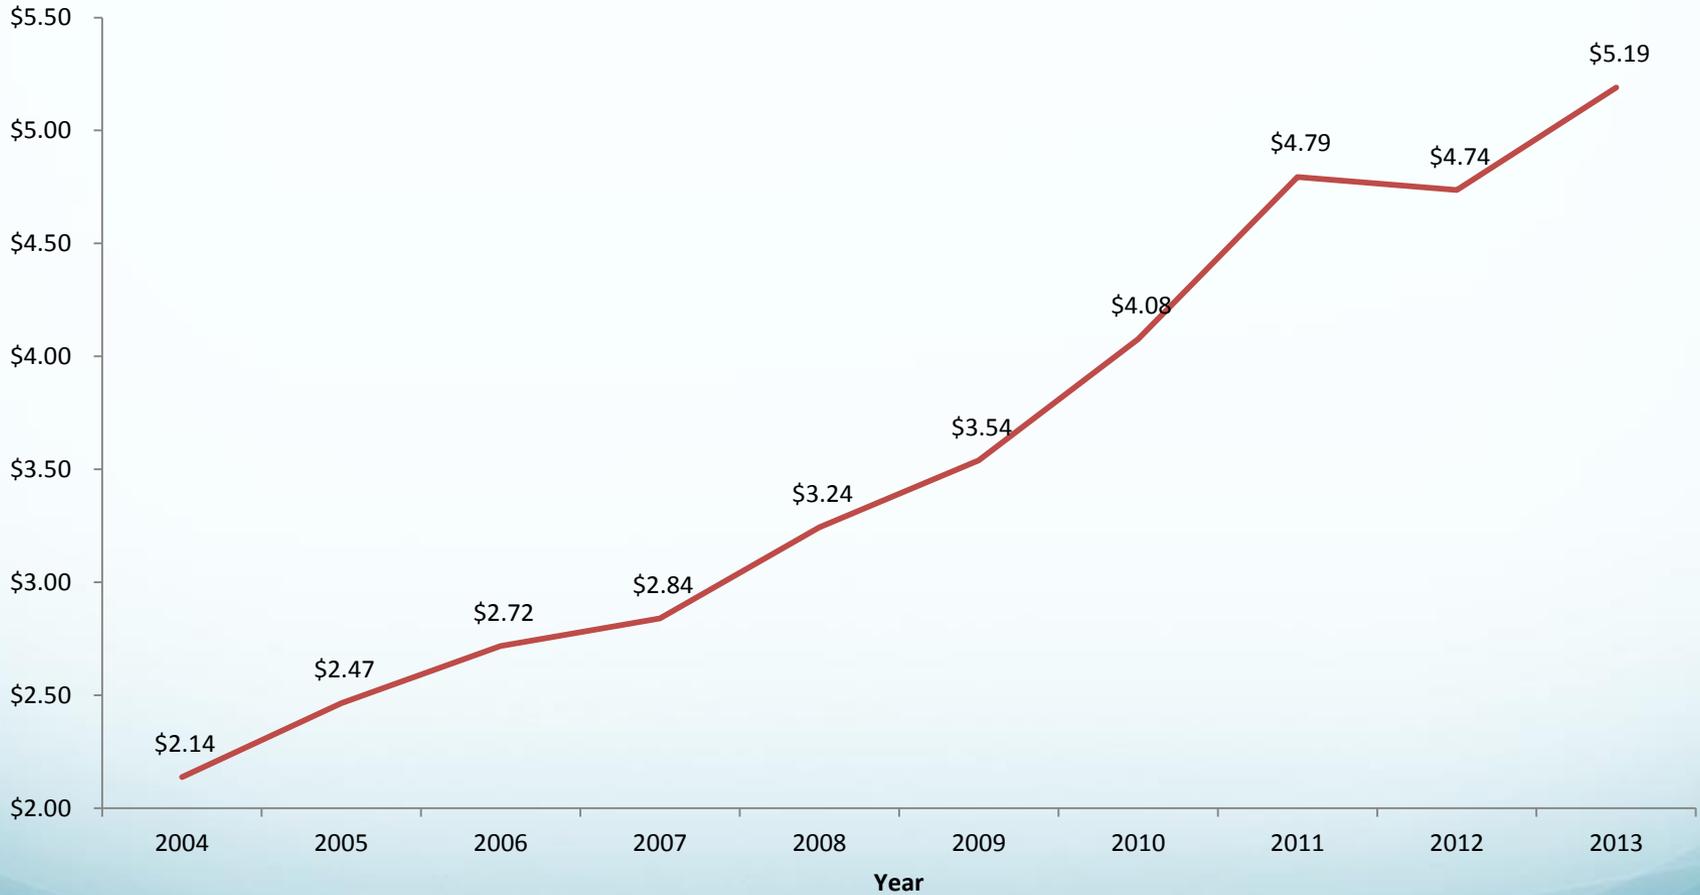

Does not meet 15% threshold.

Return on Assets

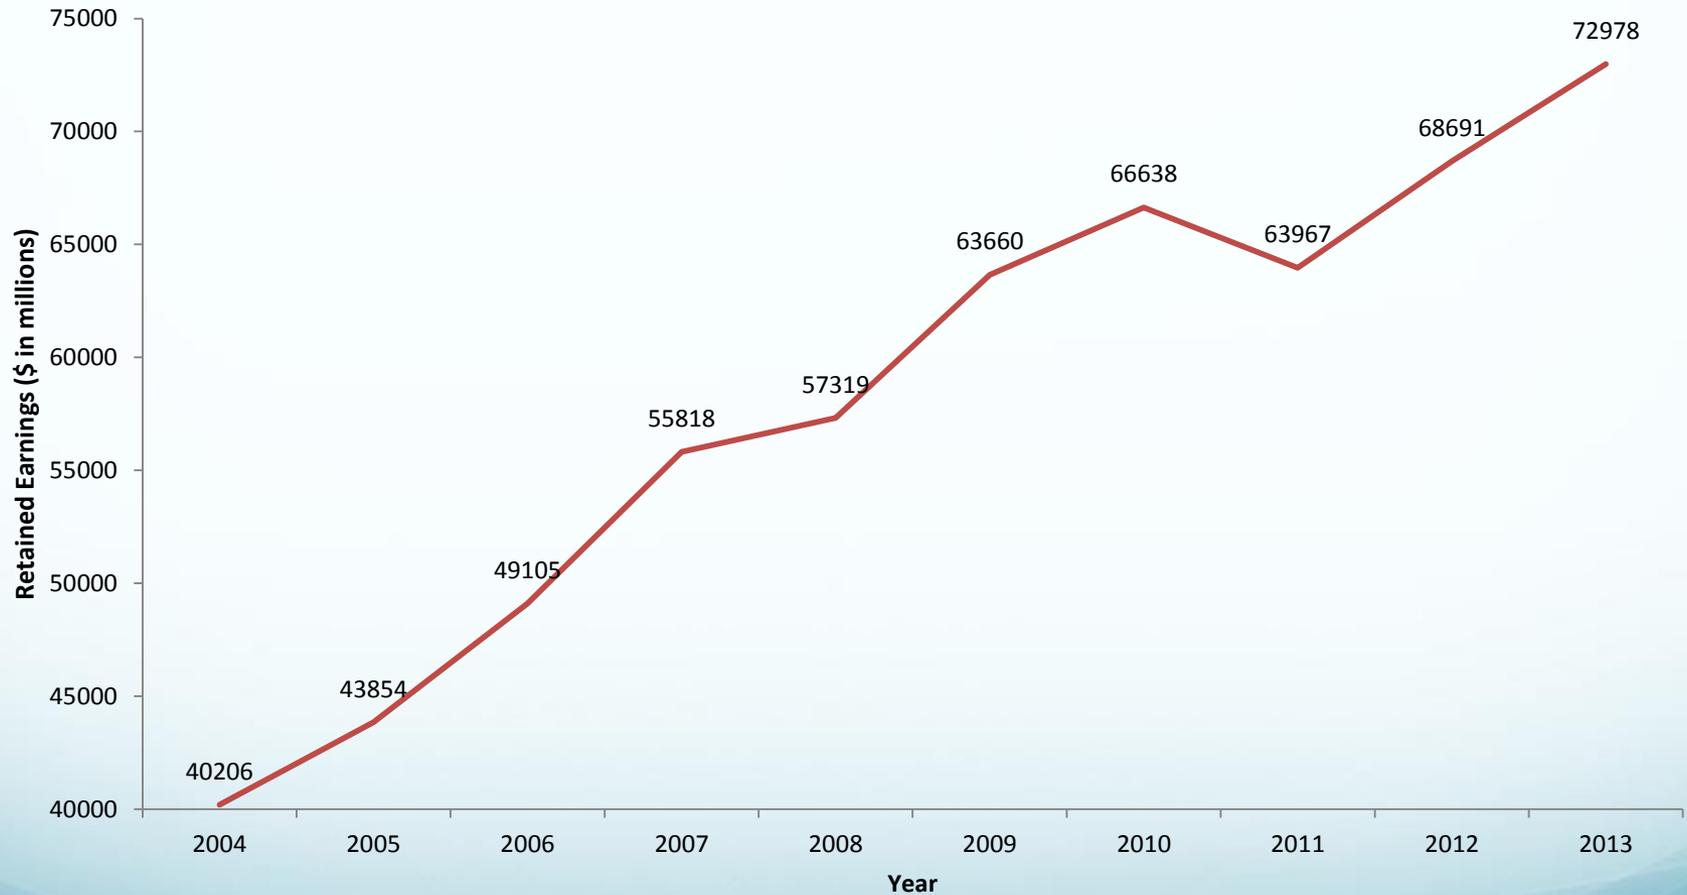

Consistent between 7.5%-9%.

Return on Total Capital	Yes
Return on Shareholder's Equity	Stable above 20%
Common Shares Outstanding	Decreasing
Long-Term Debt	Increasing
LT Debt Payable in 5 years	Yes
All Dividends to Net Profit under 60%	Yes
Annual Growth Rate Analysis	Not growing as fast as in past

Buffetology Con't.

<u>Qualitative Review</u>	
What type of business is this: commodity or sustained competitive advantage?	Sustained Competitive Advantage
Can you easily explain what the business does?	Ability to sell products at low cost since they are logistics company
Is it heavily unionized?	No
Does it require heavy capital infusion?	No
Does it require lots of research and development?	No
Can inventory become obsolete?	No
Are there chronic "one time" write offs?	Yes but immaterial
Is the company able to raise its prices to offset inflation?	Yes
Will the company be able to sell more in the future?	Yes
If I gave you \$1 billion could you develop a competitor? If the answer is "no" your business has a sustained competitive advantage.	No
