Franciscan Focus

St. Francis

As we meditate on these profound mysteries,
we may be moved to say with St. Francis,
"O sublime lowliness, O low sublimity!

That the Lord of the universe, God and Son of God,
should be so humble himself as to hide in the tiny
little form of bread for our welfare. Look, Brothers,
at the humility of God and pour out your hearts
before him. Be humbled yourself so that you may
be exalted by him."
