

Explore our handcrafted fragrances made with all-natural essential oils. Each scent is thoughtfully designed to evolve over time, revealing unique layers that make it truly one-of-a-kind.

Understanding Fragrance Notes

Every Fragrance has three layers that unfold as you wear it.

- Top Notes: The first impression. These lighter scents are immediately noticeable but fade within minutes.
- Middle Notes: The heart of the fragrances. These emerge as the top notes fade and define the scent’s character.
- Base Notes: The lasting impression. These rich, deep notes linger on your skin for hours.

### **FAQs**

#### **What type of scents will I be able to choose from?**

Our fragrance collection includes a variety of natural and luxurious scents ranging from floral, citrus, and fresh to woody, spicy, and oriental notes. Each fragrance is crafted from pure, all-natural ingredients, ensuring you find a scent that resonates with your personal style.

#### **How do I know which fragrance is right for me?**

You can explore our Fragrance Selector table to find the best fragrance for you! The table categorizes our scents by their key fragrance notes, so you can easily compare different perfumes and colognes based on the scents that appeal to you most.

#### **Can I try the fragrance before purchasing?**

Absolutely! We offer Cologne Sample Packs and Perfume Sample Packs in our Sample Packs section, so you can experience a variety of our fragrances before committing to a full-sized bottle. Simply add the sample packs to your cart and enjoy testing the scents at home. You can also check out our customer reviews to get an idea of how others have enjoyed the fragrances.

**How long will my fragrance last?**

The longevity of a fragrance can vary depending on factors like your skin type, the environment, and the fragrance's concentration (eau de toilette, eau de parfum, etc.). On average, our perfumes and colognes last between 4 to 8 hours, with some lingering for up to a full day. Additionally, Orchid Apothecary uses a light, natural carrier oil in all perfumes and colognes to help extend the scent's life.

**Are your fragrances cruelty-free?**

Yes! All of our fragrances are cruelty-free, meaning we do not test our products on animals. We are committed to sustainability and ethical practices, using only natural ingredients sourced responsibly.

**How can I stay updated on new fragrances and promotions?**
