## FORTY AND STILL COUNTING CUARENTA Y CONTINUANDO

Forty years – two score out of my life that is edging up to eighty-eight years, once October has reached an approaching end.

My arrival in Florida, along with the first recorded snow in Ft. Lauderdale in January of 1977, neither was heralded by Broward County nor publicized by the media! My Husband had been transferred to the Sunshine State, and our two sons agreed to accompany him. Our recently married Daughter remained on Long Island where the majority of the relatives resided. I had no other choice but to sell the house, surrender my job as Part-Time Public Relations Consultant for the Wantagh, New York School District and relocate to the south which was foreign to my mind and heart.

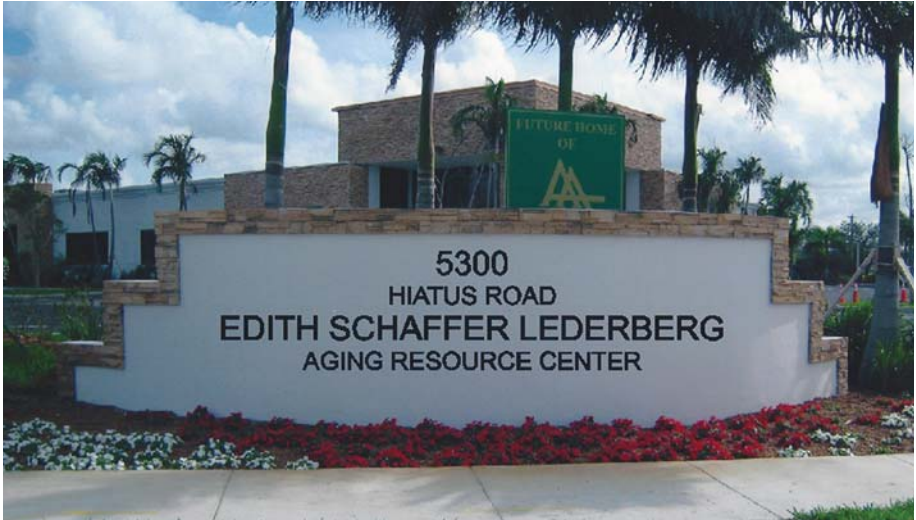

As a teacher, I found my credentials lacked some Florida specifics, so I interviewed for a public relations position with the Area Agency on Aging, and was hired. That action occurred in August of 1977. Since writing and speaking were my favorite capabilities, there was a natural fit especially since seniors were the specific population sector to be addressed, and I was extremely close to my late Grandmother who taught me to cook, be hospitable and considerate to people of all ages, and persuasions.

In the late 70's and early 80's,

Cuarenta años, casi la mitad de mi edad, llegando a mis ochenta y ocho años, en este próximo Octubre.

Mi llegada a la Florida fué junto con la primera nieve registrada en Ft. Lauderdale en enero de 1977, que no había sido anunciada por el condado de Broward ni publicada por los medios de comunicación! Mi esposo había sido trasladado a la Florida, y nuestros dos hijos aceptaron acompañarlo. Nuestra hija recientemente casada, permaneció en Long Island, donde residían la mayoría de los parientes. No tuve otra opción que vender la casa, dejar mi trabajo de medio tiempo como Consultor de Relaciones Públicas en Wantagh, Distrito Escolar de Nueva York, y trasladarme al sur, lo cual era extraño y diferente para mi mente y mi corazón.

Como maestra, encontré que mis credenciales carecían de algunas referencias en la Florida, así que fui a una entrevista para una posición de relaciones públicas con la Area Agency on Aging, y fuí contratada. Esto ocurrió en agosto de 1977. Puesto que la escritura y la oratoria eran mis capacidades preferidas, especialmente porque los ancianos eran el sector específico de la población a la cual estaba dirigido mi trabajo. Era extremadamente cercana a mi difunta abuela que me había enseñado a cocinar, a hacer hospitalaria y considerada a la

Broward County still maintained farms and open fields. Cows grazed on University Drive, and the aroma of bread baking in the oven, attracted drivers and strollers on busy, but not hectic by-ways. A drive, to Miami Beach, was not fearful, and restaurants, grocery and department stores abounded for the eager shopper. Too quickly, the inevitability of progress changed the scene. We endeavored to blame the builders, who overstocked the County with condos, but they were responding to a need for affordable retirement communities without placing emphasis on crowded by ways where cars soon struggled to travel in all directions.

Younger retirees, intrigued by low prices, thronged to Broward, without considering the problems of climbing to second, third, and higher building floors in elevatorless condos. I recall the exuberance of seniors, who visited my office to share their newly found roles as political entities, and/or social activity organizers. They were

gente de todas las edades y como se identificaban.

A finales de los '70 y principios de los '80, el condado de Broward todavía mantenía granjas y campos abiertos. Las vacas pastoreaban en University Drive y el aroma del pan fresco y horneado, atrajo a miles de personas, pero sin llegar a ser tumultuosos. El manejar a Miami Beach no era temeroso y restaurantes, supermercados y grandes cadenas de almacenes abundaban para los ávidos compradores. Rápidamente, la situación del progreso cambió la escena.

Nos esforzamos por culpar a los constructores, que abarrotaban al condado con condominios, pero solo estaban respondiendo a la necesidad de comunidades de jubilados haciendo todo accesible, sin tomar énfasis en las aglomeraciones donde los coches pronto viajarían en todas direcciones.

Jubilados jóvenes, intrigados por los bajos precios, se apiñaron

young at heart, determined in mind, and committed toward building and maintaining organizations, comprised of elders who would support candidates who could be encouraged to mold their campaigns and deliverances to benefit the needs of their respective constituencies.

I spent a considerable amount of time speaking at meetings of political powerhouses, who were respected by their personal candidates, who sensed the strength of the noted individuals and as a result, lavished condo association meetings with cake, coffee, and promises. The Area Agency was allocated speaking time as part of the agenda at these gatherings. As a result, I became quite astute at dealing with the organizational leadership. Their names reside in my brain forever, and their voices, though gone from this earth, most certainly are making a positive impact in Heaven.

My time and energy were spent building positive relationships with project leadership, as well as with media representatives. In the 80's and 90's, a flood of small newspapers

a Broward sin considerar los problemas de subir a un segundo, tercer o más altos pisos de construcción en condominios sin ascensor. Recuerdo una cantidad de personas mayores, que visitaron mi oficina para compartir sus papeles recién encontrados como entidades políticas y/o organizadores de actividades sociales. Eran jóvenes de corazón, decididos en la mente y comprometidos con el desarrollo y mantenimiento de organizaciones, compuestas por personas de la tercera edad que apoyaban a los candidatos que podrían ser alentados a crear sus campañas y beneficiar las necesidades de sus respectivos municipios.

Pasé una cantidad considerable de tiempo hablando en las reuniones de las potencias políticas, que eran respetadas por sus candidatos personales, que sentían la fuerza de personas destacadas y consecuentemente ofrecían en reuniones de asociaciones de condominios deliciosos pasteles, café, y promesas. La Area Agency on Aging recibió tiempo en la agenda de estas reuniones para hablar sobre nuestros temas. Como resultado, me volví muy astuta al tratar con el liderazgo organizacional. Sus nombres viven en mi cerebro para siempre, y sus voces, aunque han desaparecido de esta tierra, ciertamente están haciendo un impacto positivo en el Cielo.

Mi tiempo y energía se dedicaron a establecer relaciones positivas con el liderazgo de proyectos, así como con representantes de los

swamped the county, and eager, as well as talented reporters, like Diane Lade of the Sun Sentinel and Marsha Hallper, from the Miami Herald, always responded to my calls. Many cities had their own publications, and the Quad City News printed everything I sent. By the early part of the 21st century, computers and E-Mails destroyed too many of the local publications.

In 1986, the loss of the pioneer founder of the Area Agency, Dr. Nan S. Hutchison, dealt a tremendously negative blow to the local, state, and national aging networks. She was an highly esteemed icon whose name lives on in history. Candy Rechtschaffer, former Assistant Director, led the Area Agency for five heroic years when she helped transition the organization to a state structure under the newly formulated Department of Elder Affairs. Her role, as Executive Director, witnessed our move to a location near the Executive Airport in Ft. Lauderdale.

medios de comunicación. En los años 80 y 90, numerosos pequeños periódicos inundaron el condado, y los reporteros ansiosos, así como talentosos, como Diane Lade del Sun Sentinel y Marsha Hallper, del Miami Herald, siempre respondieron a mis llamadas. Muchas ciudades tenían sus propias publicaciones, y la Quad City News imprimió todo lo que les envié. Hay que reconocer que en la primera parte del siglo XXI, las computadoras y los correos electrónicos destruyeron a muchas publicaciones locales.

En 1986, la pérdida de la fundadora de la Area Agency on Aging, Dra. Nan S. Hutchison, causó un golpe tremendamente negativo a las redes locales, estatales y nacionales de las organizaciones para la tercera edad. Ella era un icono altamente estimado cuyo nombre vive en la historia. Candy Rechtschaffer, ex Subdirectora, dirigió la Area Agency on Aging durante cinco heroicos años cuando ayudó hacer la transición de la organización a una estructura estatal bajo el recién formulado Departamento

community and Board Members, I became the Executive Director. My writing, speaking, and coordinating roles did not ebb, and a supportive staff continued to shine their light on my pathway to success. My inspiration, for over 20 years, was Mayor Vicki Coceano, from Miramar, who constantly reminded me that I wanted the job, so "Don't complain about its headaches!" Vicki was a Board Member for two decades, served two terms as President, and spoke to me on the phone every day we both were in Broward County. I think about her early in the morning, during the day, and at night when sensible people go to sleep and dream about what could, and should be possible. Mayor Vicki Coceano made miracles materialize!

Ten years ago, in 2007, the Areawide Council on Aging opened our new home, in Sunrise. We had become an Aging and Disability Resource Center, our responsibilities had augmented, and there was a tremendous need for guidance evidenced by elders and caregivers experiencing problems with comprehending Medicaid, health insurance, and other related issues. Staff size was expanded, but adequate funding, for the new responsibilities, still was not sufficient. The building is beautiful, accessible, and a tribute to over 421,006 year-round senior residents of Broward County.

As the years passed, I became acutely aware of the trauma associated with aging, in place. Since arriving in Florida, I lost my Mother, a beloved Nephew, a favorite Niece, and most recently, my adored Brother who suffered the ills of

de Elder Affairs. Su papel, como Director Ejecutivo, fue testigo en nuestra mudanza a un lugar cercano del Aeropuerto Ejecutivo en Ft. Lauderdale.

En agosto de 1986, después de constantes instancias y estímulos de la comunidad y de los miembros de la Junta Directiva, me convertí en Director Ejecutivo. Mis escritos, mis discursos, y roles de coordinación no bajaron, y un personal que siempre me apoyó siguiendo iluminando con su luz mi camino al éxito. Mi inspiración, durante más de 20 años, fue la alcaldesa Vicki Coceano, de Miramar, quien constantemente me recordó que YO era la que quería el trabajo, así que me decía: "¡No te quejes de tus dolores de cabeza!" Vicki fue miembro de la junta de directores por dos décadas, sirvió de Presidente por parte del tiempo y me habló por teléfono todos los días que ambos estábamos en el condado de Broward. Pienso en ella por las mañanas, durante el día, y por la noche cuando la gente sensata se va a dormir y sueña con lo que podría, y debería ser posible. ¡El alcalde Vicki Coceano hacía que se materializaran los milagros!

Hace diez años, en 2007, el Areawide Council on Aging abrió nuestro nuevo hogar, en Sunrise. Nos habíamos convertido en un centro de recursos de envejecimiento y discapacidad, las responsabilidades habían aumentado y hubo una tremenda necesidad de entrenamiento y difusión, evidenciada por ancianos y cuidadores que tenían problemas con la comprensión del Medicaid, seguros de salud y otros asuntos relacionados. My dream of opening the first Gay/Lesbian/Transgender Adult Day Care Center in the world became a reality in 2002. It proudly bears the name of our late Finance Director, Noble A. McArtor.

In the early hours of any weekday, I may be found in my office writing letters, articles, and/or poetry, correcting work prepared by other staff, speaking to the best attorney in the world, Sam Goren, or just dreaming about what I'd envision in a more perfect world, if such a choice were placed in my power.

personal laboral se amplió, con el presupuesto adecuado, para las nuevas responsabilidades, pero aún no eran suficiente. El edificio es hermoso, accesible y es un homenaje a más de 421,006 residentes permanentes del condado de Broward.

A medida que pasaban los años, me sentí muy consciente del trauma asociado con el proceso del envejecimiento. Desde que llegué a la Florida, perdí a mi madre, a un sobrino querido, a una sobrina favorita y, más recientemente, a mi adorado hermano que sufrió los males de la Enfermedad de Parkinson. Mi querida hermana, es una víctima del Alzheimer. Muchos amigos se han retirado mientras que otros se fueron al cielo pero aún así, todavía prefiero dedicar mi tiempo, energía y

*At a family gathering in 2013, Sisters Ramona Schaffer Lobl, and Edith Schaffer Lederberg, with Brother Eugene Schaffer, enjoyed a time of togetherness and shared dreams*

I would keep my children, grand, and great far from the inevitable pain life brings to everyone; the sustenance of nutriment and happiness would obliterate the scarcity of finances; and each day would create hope in the minds and hearts of humanity.

Hopefully, healthy todays and tomorrows will be my constant companions, and the smiles and laughter of my associates, like my Administrative Assistant, Cheryl Morrow, will continue to carry sunshine into my presence. ...and may the success of my years, at the Aging and Disability Resource Center, be shared with those who made it possible and plausible, for they held my hands and followed my lead even when the future appeared to be uncertain. •

Mi sueño de abrir el primer centro de cuidado de adultos para gays, lesbianas y transexuales en el mundo se convirtió en una realidad en el 2002. Orgullosamente lleva el nombre de nuestro fallecido director de finanzas, Noble A. McArtor.

En las primeras horas del día de la semana, puedo encontrarme en mi oficina escribiendo cartas, artículos y/o poesía, corrigiendo el trabajo de otro personal, hablando con el mejor abogado del mundo, Sam Goren, o simplemente soñando con lo que yo deseo en un mundo más perfecto, si esa elección se pusiera en mí poder.

# UNDERSTANDING ASSISTED LIVING

## ENTENDIENDO VIVIENDAS ASISTIDAS

When Assisted Living Facilities were first created, they were more like a Retirement community. If a person had incontinence issues or required more personal care, they would have to leave the facility and go to a Skilled Nursing Home. Eventually, the government and the healthcare industry worked together to create regulated communities to provide appropriate care in order to meet the needs of each individual.

Once the Assisted Living Facilities were established, the need for other types of alternative housing came to light such as Independent Living, Adult Family Care Homes and Alzheimer-Dementia Units. In Florida, small, six bed facilities (private homes) are gaining popularity due to the fact that they can provide even more personalized care. They are licensed and regulated by the same agencies that govern all of the Assisted Living Facilities, regardless of size.

Many people do not completely understand the concept of, or what is actually offered in an Assisted Living Facility (ALF).

A prospective candidate for an ALF is usually in need of at least one or more Activities of Daily Living (ADLs). Some of the ADLs are showering, dressing, toileting and medication management. The staff of an ALF is trained to provide assistance with all of those ADLs along with housekeeping, laundry, transportation and social activities.

Most facilities are paid for by private, "out of pocket" funds.

Cuando las viviendas asistidas se crearon por primera vez, era como una comunidad de jubilados. Si una persona tenía problemas de incontinencia o requería una atención más personal, tenían que abandonar el centro e ir a un sanatorio. Finalmente, el gobierno y la industria de la salud trabajaron juntos para crear comunidades reguladas para proporcionar la atención adecuada con el fin de satisfacer las necesidades de cada individuo.

Una vez que las instalaciones de viviendas asistidas se establecieron, la necesidad de otro tipo de alojamiento alternativo salieron a la luz, tales como centros Independiente, Hogares de Cuidado Familiar y Unidades de Demencias. En la Florida, las instalaciones pequeñas, (casas particulares) están ganando popularidad debido al hecho de que puedan brindar atención más personalizada. Ellos están autorizadas y reguladas por los mismos organismos que rigen todas las instalaciones de vida asistida, independientemente de su tamaño.

Muchas personas no comprenden el concepto de, o lo que está siendo ofrecido en una instalación de vida asistida (ALF).

Un posible candidato es por lo general cuando la persona necesita asistencia por lo menos en una o más actividades de la vida diaria (AVD). Algunas de las AVD son ducharse, vestirse, ir al baño y administración de medicamentos. El personal de la ALF está capacitado para brindar asistencia con todas las AVD junto con la

However, financial assistance can be found through the Veteran's Administration, Long Term Care Insurance, and state programs, if certain requirements are met.

Overall, the best way to describe Assisted Living is to think of it as a bridge between living at home and living in a Skilled Nursing Facility. Assisted Living has a residential focus with a home-like environment while a Nursing Home is primarily a medical institution.

Placement Counselors has been helping families find placement for their loved ones since 1999. We provide experienced counselors who have been in the healthcare field for over 20 years and are knowledgeable in all aspects of placement including all financial programs available.

On a personal note.....

Many families feel they want to keep their loved one "at home" for as long as possible. The truth is, keeping them home may not be in their best interest. If left at home alone or with just one caregiver for only a few hours a day, Mom or Dad will not get the social interaction they need.

The most important thing is to never compromise the care of your loved one. If being "home" can no longer provide the adequate care physically and emotionally, then it's time to give them what they are so deserving of.....a carefully chosen Assisted Living Facility. •

See Ad In Page 13

limpieza, lavandería, transporte y actividades sociales.

La mayoría de las instalaciones son pagas privadamente. Sin embargo, la asistencia financiera se puede encontrar a través de la Administración de Veteranos, Seguro de Cuidado a Largo Plazo, y los programas estatales, si se cumplen ciertos requisitos.

En general, la mejor manera de describir Assisted Living es pensar que es como un puente entre vivir en casa y vivir en un centro de enfermería especializada. Assisted Living tiene un enfoque residencial con un ambiente hogareño, mientras que un hogar de ancianos es principalmente una institución médica.

Los consejeros han estado ayudando a las familias a encontrar la ubicación de sus seres queridos desde 1999. Ofrecemos asesores experimentados que han estado en el campo de la salud desde hace más de 20 años y son expertos en todos los aspectos en hogares alternativos e incluso para todos los programas financieros disponibles.

En una nota personal .....

Muchas familias sienten que quieren mantener su ser querido "en casa" por el tiempo que sea posible. A veces, dejarlos en casa puede no ser la mejor opción. Si se deja a la persona sola en casa o con un cuidador por unas pocas horas al día, su ser querido no logrará la interacción social que necesita. Lo más importante es no comprometer el cuidado de su ser querido. Si en su "hogar" usted no puede darle la atención adecuada física y emocional, entonces es el momento de darle a su ser querido lo que se merece... Un Centro de cuidado seleccionado con la ayuda de un profesional. •

*A service you can trust.*

Mantendría a mis hijos y nietos lejos del dolor inevitable que la vida trae a todos; el sostén del alimento y la felicidad borrarían la escasez de las finanzas. Cada día crearía la esperanza en las mentes y en los corazones de la humanidad.

Ojalá que los fuertes y vigorosos días y las mañanas sean mis constantes compañeros, y las sonrisas de mis asociados, como mi Asistente Administrativo, Cheryl Morrow, seguirá trayendo los rayos del sol a mi presencia. ... y que el éxito de mis años en el Aging and Disability Resource Center sea compartido con todos aquellos que hicieron lo posible y meritorio, porque ellos me tomaron de mis manos y siguieron mi liderazgo incluso cuando el futuro parecía incierto. •

Nunca olvidaré recordar!

# THE SHERIFF'S CORNER

## COMENTARIOS DEL SHERIFF

SHERIFF SCOTT ISRAEL BROWARD COUNTY, FL

No one can ever be completely safe from a scam or identity theft - not even the sheriff of Broward County. A couple of years ago, scammers attempted to swindle me of my money through a fraudulent scheme. I knew right away that something was wrong and I directed BSO detectives to investigate. But if criminals try to scam the sheriff, they will certainly try to do it to you.

The most effective economic crime is one in which criminals steal your identity. This is a growing problem affecting millions of Americans every year. Using advances in technology, criminals can obtain and use your personal information easier than ever for their own illegal intent. Your identity can be stolen in a variety of ways: from your trash, over the phone or online.

BSO is helping in the fight against identity theft. We provide residents a convenient, safe way to dispose of personal documents, check stubs, credit card offers, receipts and other items that might contain sensitive data through our free, monthly Shred-A-Thon events throughout Broward County. For a list of upcoming dates and times in your city, please visit [www.sheriff.org](http://www.sheriff.org).

Remember, you are the best line of defense in protecting yourself against identity theft and scammers. •

Nadie puede estar completamente a salvo de un robo o fraude de identidad - ni siquiera el sheriff del condado de Broward. Hace un par de años, unos delincuentes intentaron estafarme con mi dinero a través de una situación fraudulenta. Sabía enseguida que algo andaba mal y di instrucciones a los detectives de BSO para investigar. Si los delincuentes tratan de estafar al Sheriff, sin dudas tratarán de hacerlo con usted.

El crimen económico más eficaz, es aquel, donde los criminales roban su identidad. Este es un problema creciente, que afecta a millones de estadounidenses cada año. Usando los avances de la tecnología, los criminales pueden obtener y utilizar su información personal más fácil que nunca, para la estafa. Su identidad se puede robar de diversas maneras: de su basura, por teléfono o por internet.

BSO está ayudando en la lucha contra el robo de identidad. Ofrecemos a los residentes una forma segura para eliminar sus documentos personales, chequeras, ofertas de tarjetas de crédito, recibos y otros artículos que puedan contener datos confidenciales. Puede hacerlo a través de nuestros eventos mensuales de SHRED-A-THON en todo el condado de Broward.

Para conocer las próximas fechas y horarios en su ciudad, visite [www.sheriff.org](http://www.sheriff.org). Recuerde que ustedes son la mayor línea de defensa para protegerse contra el robo de su identidad y de los estafadores. •

## HOW DO I GET MEDICAID TO PAY FOR MY SERVICES?

### ¿PUEDO OBTENER MEDICAID PARA PAGAR POR MIS SERVICIOS?

Medicaid helps give financial assistance to those who qualify based on their medical and financial situation.

A person must meet financial, medical and residential requirements in order to receive benefits.

The Medicaid program has very strict guidelines. With knowledgeable, professional assistance, you will find that income and assets can be restructured in order to protect the patient and/or family. In so doing, this can give the patient a better quality of life.

The State Medicaid Managed Long Term Care Program in Florida is a program that helps people avoid going to a Nursing Home. Instead, through this program, a person can remain in their home or go to an Assisted Living Facility.

Note that Medicaid does not pay the whole cost of care. This is based on his/her income.

Counselors can assist you in understanding these very specific programs and help you receive the services that you are entitled to.

For more information on who to contact about these services and programs, call 1-855-455-7587. •

Medicaid provee ayuda financiera a aquellos que califican en función de su situación médica y financiera.

Una persona debe cumplir con los requisitos financieros, médicos y residenciales con el fin de recibir los beneficios del Medicaid.

El programa de Medicaid tiene normas muy estrictas. Pero, con la ayuda eficiente, profesional, usted encontrará que los ingresos y sus finanzas pueden ser reestructurados con el fin de proteger al paciente y/o familia. Al hacerlo, esto puede dar al paciente una mejor calidad de vida y recibir los servicios.

El Program State Medicaid Managed Long Term Care de la Florida es un programa que ayuda a las personas a evitar ir a un asilo de ancianos. En cambio, a través de este programa, una persona puede permanecer en su casa o ir a un centro de asistencia. Para calificar, uno todavía debe cumplir con los requisitos para un hogar de ancianos.

Tenga en cuenta que Medicaid no paga el costo total de la atención. Esto se basa en sus ingresos.

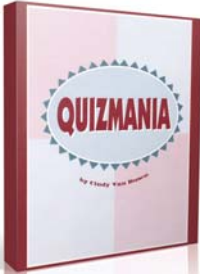

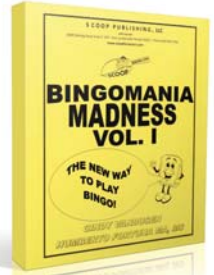

Consejeros pueden ayudarle a recibir los servicios que le corresponde.

Para más información sobre a quien contactar sobre estos servicios y programas, llame al 1-855-455-7587. •
