Pat Boone

NELSON A. GARCIA

After all this time, Pat Boone still holds the record for spending 220 consecutive weeks on the Billboard charts with one or more songs! He has so many stories to tell about his exciting life. 55+ Magazine has the pleasure of speaking with the legendary Pat Boone!

55+ Tell us about the new 60th Anniversary album called 'Pat Boone: Duets.'

PB Well, I realized that I am the only one who has these recordings from my television show and it hit me that nobody knows about them except for those that may have seen the show in the late 50s. There was no video at that time so they would have been lost to history if I didn't put this album out. It is an historic album and the kind of thing that you might want to put in a time capsule about legendary performers like Ella Fitzgerald, Nat King Cole, Roy Rogers, Count Basie, George Shearing, Connie Francis and Andy Williams. They were all singing with me and we were having a ball!

55+ This album is available on CD and vinyl. Why release it on vinyl too?

PB There is a renaissance in vinyl recording now. A lot of young people have discovered how much better audio quality is when you play it on a good machine. Companies are making record players again. Vinyl is the fastest growing segment in the record business today. I didn't know this when I was thinking about putting the album out on vinyl, so

Después de tanto tiempo, Pat Boone todavía conserva el récord de estar más de 220 semanas consecutivas en las listas de Billboard con una o más canciones! Él tiene muchas historias que contar sobre su asombrosa vida.

55 + Magazine tuvo el placer de hablar con el legendario Pat Boone!

55+ Cuéntanos sobre el nuevo álbum 60 Aniversario llamado 'Pat Boone: Duets'

PB Bueno, me dí cuenta que yo soy el único que tiene estas grabaciones antiguas de mi programa de televisión y que nadie sabía de ellas, excepto aquellos que podrían haber visto el espectáculo en la década de los años 50. No había vídeo en esos momentos por lo que se hubiesen perdido para la historia si yo no hubiese puesto este álbum a la venta. Es un álbum histórico y es el tipo de cosa que uno desearía ponerlo en una cápsula del tiempo sobre artistas legendarios como Ella Fitzgerald, Nat King Cole, Roy Rogers, Count Basie, George Shearing, Connie Francis y Andy Williams. Todos ellos han cantado conmigo y siempre lo hemos pasado estupendamente!

55+ Este disco está disponible en CD y disco de vinilo. ¿Por qué lo liberan en vinilico también?

PB Hay un renacimiento en la grabación de discos de vinilo en estos momentos. Muchos jóvenes hoy en día han descubierto la

we caught the wave just at the right time. I am so proud of these historic performances.

55+ You also are releasing the DVD, "Love Letters in the Sands of Time." Is that right?

PB Yes. I am proud of that too. It makes me feel good after all these years that there is a renewed interest in what I was doing then. I think we underestimate the sensibility of young people and the fact that they could appreciate what we older folks love. When the grandparents introduce them to it and they hear me singing some of my hit songs from that era, like 'April Love,' 'Love

calidad del audio en estos discos cuando tocan en un buen equipo de audio. Las empresas están haciendo tocadiscos de nuevo. El vinilo es el segmento de más rápido crecimiento en el negocio de la música hoy en día. Yo no sabía esto cuando yo estaba pensando en poner el disco en vinilo, así que cogí la ola justo en el momento adecuado. Estoy muy orgulloso de estas actuaciones históricas.

55+ También están liberando el DVD, "Cartas de amor en las arenas del tiempo." ¿Es eso cierto?

PB Sí. Me siento orgulloso de eso también. Me hace sentir bien

Letters in the Sand,' and 'Friendly Persuasion,' they say, "Wow, that's good!," and they go out and buy the record. I am pleased that the young people today are open to music that their parents and grandparents love!

55+ We understand that Elvis opened for you in one of your shows in 1955. How did that come about?

PB It was at a 'sock hop.' The number one DJ in the country, Bill Randall, asked me to headline it. He was very influential early in my career so I agreed to do it. He told me on the way in from the airport that he had a young kid also in the show tonight and his name was Elvis Presley. I was startled and said, "Bill, he is a hillbilly!" I had just heard his record on a jukebox and it was Bluegrass; a song called 'Blue Moon of Kentucky.' Bill said that RCA Victor just bought his contract and they think they have something special with him. I met him backstage and he looked like a 'greaser,' you know, those kids in high school with a cigarettes rolled

después de todos estos años que hay un renovado interés en lo que estaba haciendo entonces. Creo que subestimamos la sensibilidad de los jóvenes y el hecho de que puedan apreciar lo que amó la gente mayor. Cuando los abuelos les introducen a los nietos y me oyen cantar algunas de mis canciones de éxito de esa época, como "Amor de abril, " Cartas de amor en la arena," y "Friendly Persuasion", dicen, "Wow, eso es bueno! ", y salen a comprar el disco. Me alegro que los jóvenes de hoy estén abiertos a la música que sus padres y abuelos amaron!

55+ Entendemos que Elvis abrió para usted en uno de sus shows en 1955. ¿Cómo surgió eso?

PB Fue en "Sock Hop". 'El DJ número uno en el país, Bill Randall, me pidió que sea la estrella del show. Él fue muy influyente al principio de mi carrera, así que accedí a hacerlo. Me dijo en el camino desde el aeropuerto que tenía un chico joven también en el show de esta noche y su nombre era Elvis Presley. Me sobresalté y dije: "Bill, él es un hillbilly!" Que acababa de oír su récord en una máquina de discos y fue Bluegrass; una canción llamada 'Luna azul de Kentucky. "Bill dijo que RCA Victor acababa de comprar su contrato y piensan que tienen algo especial con él. Lo conocí detrás del escenario y se veía como un 'engrasador,' sabes, esos chicos en la escuela secundaria con unos cigarrillos enrollados en su manga. Él cantó su canción y recibió una respuesta tibia, ya que no es lo que los niños estaban esperando. Luego cantó la canción de R & B, 'Eso es Alright Mama "y a los jóvenes les encantó y querían más ... pero eso

up in their sleeve. He sang his song and received a tepid response since that is not what the kids were into. Then he sang the R&B song, 'That's Alright Mama' and the kids loved it and wanted more... but that's all he had. He went backstage and Bill introduced me. I got all the screams that night since I had three hit songs that I recorded that year. When I was done, I went backstage and he was gone. I saw him again a few years later and I asked him about that night. He was so shy. He said that he did not know how to talk to me back then because I was a big star!

55+ Many white artists in the late 50s recorded their own versions of R&B hits. Thanks to you, this was beneficial for many of those R&B artists. Even Rev. Jesse Jackson made a remark about it. Would you comment on this?

PB I did an album, 'R&B Classics: We are Family' with the original R&B performers doing new versions of their songs with me. I had called in to promote the album on a station in Chicago hosted by Santilla, Rev. Jesse Jackson's daughter. Rev. Jackson called in and joined the conversation. He said, "We love Pat Boone here in Chicago. He had some huge hits with our R&B songs and I am going to make a statement that I have never made publicly before. I think Pat Boone did more for race relations in his music than any other artist." I was really taken aback! He then went on to say, "Look.... Pat Boone, a white boy from Nashville in the South doing these songs that were considered black music and helping to make them popular!" That was saying to the huge white audience who knew nothing about R&B or their stars, that it was OK. If Pat Boone was singing these songs

es todo lo que Elvis tenía. Se fue detrás del escenario y Bill me lo presentó. Recibí muchos gritos esa noche ya que tenía tres canciones de éxito que había grabado ese año. Cuando terminé, me fui detrás del escenario y él se había ido. Lo ví de nuevo unos años más tarde y le pregunté acerca de esa noche. Era tan tímido. Dijo que no sabía cómo hablar conmigo en aquel entonces porque yo ya era una gran estrella!

55+ Muchos artistas blancos en los finales de los 50 registraron sus propias versiones de éxitos de R & B. Gracias a ti, esto era beneficioso para muchos de los artistas de R & B. Incluso reverendo Jesse Jackson hizo un comentario al respecto. ¿Podría comentar sobre esto?

PB Hice un álbum, "Clásicos de R & B: Somos Familia" con los músicos originales haciendo nuevas versiones de sus canciones. Me habían llamado para promocionar el álbum en una estación en Chicago organizado por Santillana, la hija del reverendo

and 'hob knobbing' with Little Richard and Fats Domino, then it must be OK. For Jesse Jackson to say that was astounding to me!

55+ In your television show, 'The Pat Boone Chevy Showroom,' you ran into some difficulties from Southern television stations and sponsors because you were featuring African-Americans on your show. Tell us what happened?

PB Harry Belafonte called me one day and told me that he liked the way I treated my guests on the show and if I would like for him to come on and sing some songs with me. I said, "Of course I would." I had a meeting with Chevrolet, the ad agency and the production team at ABC and I said to them, "You would not believe it but Harry Belafonte wants to come on the show and I am so excited about it!" They looked at me with a stony look and said, "We are sorry, but we can't do it." They told me that some Chevy dealers in the South were having problems with me because I was having too many black guests on the show and I was treating them like the other guests and acting so proud to have them there and sing with them. They had people coming in to the dealerships saying that they liked Chevy and Pat Boone but Pat has all these black people on his show all the time so they might just switch to Ford. That sounds incredible but this was the mid 50s. I was appalled! I told them that if I had to say NO to Harry Belafonte then they better get someone else to do the show. They finally agreed as long as no civil rights statements were made. I told them that the only statement we would be making was the two of us singing together and having a good time!

Jesse Jackson. Rev. Jackson llamó y se unió a la conversación. Él dijo: "Nos encanta Pat Boone aquí en Chicago. Tenía algunos grandes éxitos con nuestras canciones R & B y yo voy a hacer una declaración que nunca he hecho públicamente antes. Creo que Pat Boone hizo más por las relaciones raciales en su música que cualquier otro artista". Yo estaba muy sorprendido! A continuación, pasó a decir: "Mira Pat Boone, un chico blanco de Nashville en el Sur haciendo estas canciones que se consideraban la música negro y ayudando a hacerlos popular! "Eso fue diciendo a la audiencia enorme blanca que no sabía nada sobre el R & B o sus estrellas, que estaba bien. Si Pat Boone cantaba estas canciones y 'knobbing placa' con Little Richard y Fats Domino, entonces debe estar bien. Para Jesse Jackson a decir eso fue increíble para mí!

55+ En su programa de televisión, "El Pat Boone Chevy Showroom", que se topó con ciertas dificultades de las estaciones de televisión del sur y patrocinadores por la Atracción de los afroamericanos en su show. Cuéntanos lo que pasó?

PB Harry Belafonte me llamó un día y me dijo que le gustaba la forma en que trataba a mis invitados en el programa y me preguntó si me gustaría que viniera a cantar algunas canciones conmigo. Le dije: "Por supuesto que lo haría." Tuve una reunión con Chevrolet, la agencia de publicidad y el equipo de producción en ABC y yo les dije: "No vas a creer, pero Harry Belafonte quiere venir al show y estoy tan emocionado acerca de ello! Me miraron con una mirada pétrea y dijeron: "Lo sentimos, pero no podemos hacerlo." Me dijeron

55+ Which person had the most influence on your music?

PB Bing Crosby! Bing was my parent's favorite. I tried to do my music in that easy style he had.

55+ 'Journey to the Center of the Earth' was one of my favorite movies that you made. Do you have any movie that really stands out for you?

PB The most successful film I made was 'The Cross and the Switchblade,' the true story of David Wilkerson and his ministry to drug addicts. It was a great honor to play him. I also have to mention 'April Love,' which is also my theme song. My wife was born in April and she has been my April love all these years.

55+ You were quoted as saying that you prayed with Rock Hudson at the end of his life. How was that experience for you?

PB It was very moving. I knew him and we had been friends. When it was publicized that he was dying

que algunos comerciantes de Chevy en el Sur estaban teniendo problemas conmigo porque yo estaba teniendo demasiadas personas negras en el show y yo estaba tratándolos a ellos como los otros huéspedes y sentirnos tan orgullosos de tenerlos allí y cantar con ellos. Tenían gente que entra a los concesionarios que decían que les gustaba Chevy y Pat Boone pero se quejaban que Pat tiene todas estas personas de raza negra en su programa todo el tiempo podrían cambiar de marca y usar un Ford. Eso suena increíble pero esto fue a mediados de los años 50. Yo estaba horrorizado! Les dije que si tuviera que decir NO a Harry Belafonte, entonces mejor que buscaran a alguien más para hacer el show. Finalmente acordaron, siempre y cuando no se hicieran declaraciones de derechos civiles. Yo les dije que la única declaración que iba a hacer era nosotros dos cantando juntos y pasar un buen rato!

55+ ¿Qué persona tuvo la mayor influencia en tu música?

PB Bing Crosby! Bing era el favorito de mi padre. Traté de hacer mi música en ese estilo fácil que tenía.

55+ 'Viaje al Centro de la Tierra' de 55 años fue una de mis películas favoritas que ha realizado. ¿Tiene usted alguna película que realmente se destaca para usted?

PB La película más exitosa que hice fue "La Cruz y el Puñal", la verdadera historia de David Wilkerson y su ministerio a los toxicómanos. Fue un gran honor hacer de él. También tengo que mencionar "Amor de abril", que también es mi tema. Mi esposa

of AIDS, we were grieved. We met his nurse, who was a Christian, and she had been sharing her faith with Rock. The nurse asked us to come and pray with him. We brought a little vial of oil with us. His friend and companion, Tom met us at his home. Rock was not able to talk but his eyes seemed to glow with welcome and acceptance. We asked Roy, (which was his real name), if we could pray with him and he nodded his head. His pajama shirt was open and since the Bible says to 'anoint the sick with oil' I asked him if he minded that I rub the oil on his chest. I poured it on his chest and made the sign of the cross. Tom came back in and said that he looked better and said that tomorrow will be a good day and he will put Roy's happy clothes on him. In the morning, Tom put his happy clothes on and Roy lay back on his bed, watching the sun rise and quietly passed away. He did have a better day, a happy day, he went to heaven. We are so grateful for that time we had with him. •

nació en abril y ha sido mi amor de abril en todos estos años.

55+ Usted fue citado diciendo que usted rezó con Rock Hudson, al final de su vida. ¿Cómo fue esa experiencia para ti?

PB Fue muy conmovedor. Yo lo conocía y habíamos sido amigos. Cuando fue publicado que se estaba muriendo de SIDA, estábamos dolidos. Nosotros conocimos a su enfermera, que era cristiana, y ella había estado compartiendo su fe con Rock. La enfermera nos pidió venir y orar con él. Nos llevamos un pequeño frasco de aceite con nosotros. Su amigo y compañero, Tom nos recibió en su casa. Rock no era capaz de hablar pero sus ojos parecían brillar con bienvenida y aceptación. Pedimos Roy, (que era su nombre real), si pudiéramos orar con él y él asintió con la cabeza. Su camisa del pijama estaba abierta y puesto que la Biblia dice que 'ungir a los enfermos con aceite' Le pregunté si le importaba que le frotara el aceite sobre su pecho. Serví en el pecho e hizo la señal de la cruz. Tom regresó y dijo que se veía mejor y dijo que mañana sería un buen día y que va a ponerle las ropas mas felices de Roy en él. Por la mañana, Tom puso sus ropas felices en él y Roy se recostó en su cama, viendo la salida del sol y en silencio falleció. Él tuvo un día mejor, un día feliz, se fue al cielo. Estamos muy agradecidos por ese tiempo que tuvimos con él. •

UNDERSTANDING ASSISTED LIVING

ENTENDIENDO VIVIENDAS ASISTIDAS

When Assisted Living Facilities were first created, they were more like a Retirement community. If a person had incontinence issues or required more personal care, they would have to leave the facility and go to a Skilled Nursing Home. Eventually, the government and the healthcare industry worked together to create regulated communities to provide appropriate care in order to meet the needs of each individual.

Once the Assisted Living Facilities were established, the need for other types of alternative housing came to light such as Independent Living, Adult Family Care Homes and Alzheimer-Dementia Units. In Florida, small, six bed facilities (private homes) are gaining popularity due to the fact that they can provide even more personalized care. They are licensed and regulated by the same agencies that govern all of the Assisted Living Facilities, regardless of size.

Many people do not completely understand the concept of, or what is actually offered in an Assisted Living Facility (ALF).

A prospective candidate for an ALF is usually in need of at least one or more Activities of Daily Living (ADLs). Some of the ADLs are showering, dressing, toileting and medication management. The staff of an ALF is trained to provide assistance with all of those ADLs along with housekeeping, laundry, transportation and social activities.

Most facilities are paid for by private, "out of pocket" funds.

Cuando las viviendas asistidas se crearon por primera vez, era como una comunidad de jubilados. Si una persona tenía problemas de incontinencia o requería una atención más personal, tenían que abandonar el centro e ir a un sanatorio. Finalmente, el gobierno y la industria de la salud trabajaron juntos para crear comunidades reguladas para proporcionar la atención adecuada con el fin de satisfacer las necesidades de cada individuo.

Una vez que las instalaciones de viviendas asistidas se establecieron, la necesidad de otro tipo de alojamiento alternativo salieron a la luz, tales como centros Independiente, Hogares de Cuidado Familiar y Unidades de Demencias. En la Florida, las instalaciones pequeñas, (casas particulares) están ganando popularidad debido al hecho de que puedan brindar atención más personalizada. Ellos están autorizadas y reguladas por los mismos organismos que rigen todas las instalaciones de vida asistida, independientemente de su tamaño.

Muchas personas no comprenden el concepto de, o lo que está siendo ofrecido en una instalación de vida asistida (ALF).

Un posible candidato es por lo general cuando la persona necesita asistencia por lo menos en una o más actividades de la vida diaria (AVD). Algunas de las AVD son ducharse, vestirse, ir al baño y administración de medicamentos. El personal de la ALF está capacitado para brindar asistencia con todas las AVD junto con la

However, financial assistance can be found through the Veteran's Administration, Long Term Care Insurance, and state programs, if certain requirements are met.

Overall, the best way to describe Assisted Living is to think of it as a bridge between living at home and living in a Skilled Nursing Facility. Assisted Living has a residential focus with a home-like environment while a Nursing Home is primarily a medical institution.

Placement Counselors has been helping families find placement for their loved ones since 1999. We provide experienced counselors who have been in the healthcare field for over 20 years and are knowledgeable in all aspects of placement including all financial programs available.

On a personal note.....

Many families feel they want to keep their loved one "at home" for as long as possible. The truth is, keeping them home may not be in their best interest. If left at home alone or with just one caregiver for only a few hours a day, Mom or Dad will not get the social interaction they need.

The most important thing is to never compromise the care of your loved one. If being "home" can no longer provide the adequate care physically and emotionally, then it's time to give them what they are so deserving of.....a carefully chosen Assisted Living Facility. •

limpieza, lavandería, transporte y actividades sociales.

La mayoría de las instalaciones son pagas privadamente. Sin embargo, la asistencia financiera se puede encontrar a través de la Administración de Veteranos, Seguro de Cuidado a Largo Plazo, y los programas estatales, si se cumplen ciertos requisitos.

En general, la mejor manera de describir Assisted Living es pensar que es como un puente entre vivir en casa y vivir en un centro de enfermería especializada. Assisted Living tiene un enfoque residencial con un ambiente hogareño, mientras que un hogar de ancianos es principalmente una institución médica.

Los consejeros han estado ayudando a las familias a encontrar la ubicación de sus seres queridos desde 1999. Ofrecemos asesores experimentados que han estado en el campo de la salud desde hace más de 20 años y son expertos en todos los aspectos en hogares alternativos e incluso para todos los programas financieros disponibles.

En una nota personal

Muchas familias sienten que quieren mantener su ser querido "en casa" por el tiempo que sea posible. A veces, dejarlos en casa puede no ser la mejor opción. Si se deja a la persona sola en casa o con un cuidador por unas pocas horas al día, su ser querido no logrará la interacción social que necesita. Lo más importante es no comprometer el cuidado de su ser querido. Si en su "hogar" usted no puede darle la atención adecuada física y emocional, entonces es el momento de darle a su ser querido lo que se merece... Un Centro de cuidado seleccionado con la ayuda de un profesional. •

SENIORS ARE A VITAL COMMODITY

MAYORES SON UNA MERCANCÍA VITAL

**EDITH SCHAFFER LEDERBERG, EXECUTIVE DIRECTOR AGING AND
DISABILITY RESOURCE CENTER OF BROWARD COUNTY**

A dedicated and persistent effort by state legislative leaders like Representative Matt Hudson and Senator Eleanor Sobel, resulted in augments in Community Care for the Elderly and Alzheimer's Disease Initiative Allocations for fiscal year 07/01/15 – 06/30/16. Advocates throughout Florida joined the effort that also provided repeat funding for Medicaid Managed Care Staff.

At the present time, the National Aging Network is pleading for Congress to reauthorize the Older Americans Act which provides supportive dollars for Meals-On-Wheels, Senior Centers, Adult Day Care, Transportation, Elder Helplines, Legal, and minor home repair projects. These monies are also the prime source of support for Aging and Disability Resource Centers.

Seeking and securing the support of Congress is vital to the effort. Voters should speak to their Senators and Representatives as well as candidates for office to assure their commitment toward aiding elders.

Caring is contagious! We encourage everyone to join as one entity and assist the aging to live their retirement years with merited dignity. •

Un esfuerzo dedicado y persistente por parte de los líderes legislativos estatales, como Representante Matt Hudson y el senador Eleanor Sobel, resultó en un aumento en servicios comunitarios para los ancianos y los pacientes con la enfermedad de Alzheimer. Esta Iniciativa será para el año fiscal 07/01/15 a 06/30/16. Los representantes, en toda la Florida, se unieron al esfuerzo que también proporcionó fondos nuevamente para Medicaid Managed Care empleados.

En la actualidad, la red nacional de envejecimiento estáuplicando para que el Congreso vuelva a autorizar la Ley de estadounidenses de edad avanzada que proporciona dólares de apoyo para Meals-on-Wheels, centros de ancianos, cuidado de día para adultos, el transporte, las líneas de ayuda mayores, legales y proyectos de reparación de viviendas de menor importancia. Estos fondos también son la principal fuente de apoyo para el envejecimiento y los Centros de Recursos de Discapacidad.

Buscando y asegurar el apoyo del Congreso es vital para el esfuerzo. Los votantes deben hablar con sus senadores y representantes, así como los candidatos a cargos, para asegurar su compromiso en la ayuda hacia los ancianos.

El cuidado es contagioso! Pedimos a todos que participen, como una sola entidad, y ayudar a los adultos mayores a vivir sus años de jubilación con dignidad merecidamente. •

THE SHERIFF'S CORNER

COMENTARIOS DEL SHERIFF

SHERIFF SCOTT ISRAEL BROWARD COUNTY, FL

Last April, I was approached about a 12-year-old girl with cancer. I was told that when the girl was happy, her blood levels would improve and she was at her happiest around horses. My father, Sonny Israel, was a mounted police officer in New York City for six years. He taught me a love of horses at an early age. I understand how interaction with these animals can be therapeutic.

The story of this girl put me on a path to explore ways to incorporate equine-assisted therapy at BSO. The mission of Equine-Assisted Therapy is to add joy to the lives of some of our county's most vulnerable people. This prompted me to organize the first mobile Equine-Assisted Therapy unit in Broward County.

Since last August, BSO's Equine-Assisted Therapy Program has reached more than 75 juveniles in the civil citation program, helping to keep these first-time offenders on the right path. Our program has also aided in the recovery of people with drug or alcohol addictions. Individuals with severe developmental disabilities, some without even basic verbal skills, have made positive contact with our horses as well.

I encourage anyone interested in this value-added therapy to contact us at 954-375-6180. •

En abril pasado, se me acercó sobre una niña de 12 años de edad con cáncer. Me dijeron que cuando la niña estaba feliz, sus niveles en sangre se mejoran, y ella siempre es más feliz cuando está al alrededor de caballos. Mi padre, Sonny Israel, era un agente de la policía montada en la ciudad de Nueva York durante seis años. Él me enseñó el amor por los caballos a una edad temprana. Entiendo cómo la interacción con estos animales puede ser terapéutica.

La historia de esta chica me puso en un camino a explorar maneras de incorporar la terapia equina asistida en BSO. La misión de la terapia equina asistida es añadir alegría a la vida de algunas de las personas más vulnerables de nuestro condado. Esto me llevó a organizar la primera unidad de terapia equina asistida móvil en el condado de Broward.

Desde agosto del año pasado, el Programa de Terapia Asistida por Equinos de BSO ha llegado a más de 75 menores en el programa citación civil, ayudando a mantener estas personas por primera vez en el camino correcto. Nuestro programa también ha ayudado en la recuperación de la adicción a las drogas o el alcohol. Las personas con discapacidades del graves desarrollo, algunos sin las habilidades verbales, incluso básicos, han hecho contacto positivo con nuestros caballos.

Les recomiendo a todos los interesados en esta terapia contactarse con nosotros en 954-375-6180. •

HOW DO I GET MEDICAID TO PAY FOR MY SERVICES?

¿PUEDO OBTENER MEDICAID PARA PAGAR POR MIS SERVICIOS?

Medicaid helps give financial assistance to those who qualify based on their medical and financial situation.

A person must meet financial, medical and residential requirements in order to receive benefits.

The Medicaid program has very strict guidelines. With knowledgeable, professional assistance, you will find that income and assets can be restructured in order to protect the patient and/or family. In so doing, this can give the patient a better quality of life.

The State Medicaid Managed Long Term Care Program in Florida is a program that helps people avoid going to a Nursing Home. Instead, through this program, a person can remain in their home or go to an Assisted Living Facility.

Note that Medicaid does not pay the whole cost of care. This is based on his/her income.

Counselors can assist you in understanding these very specific programs and help you receive the services that you are entitled to.

For more information about these services and programs, call 1-877-455-7587. A Medicaid Specialist can guide you through the Medicaid Program. •

Medicaid provee ayuda financiera a aquellos que califican en función de su situación médica y financiera.

Una persona debe cumplir con los requisitos financieros, médicos y residenciales con el fin de recibir los beneficios del Medicaid.

El programa de Medicaid tiene normas muy estrictas. Pero, con la ayuda eficiente, profesional, usted encontrará que los ingresos y sus finanzas pueden ser reestructurados con el fin de proteger al paciente y/o familia. Al hacerlo, esto puede dar al paciente una mejor calidad de vida y recibir los servicios.

El Program State Medicaid Managed Long Term Care de la Florida es un programa que ayuda a las personas a evitar ir a un asilo de ancianos. En cambio, a través de este programa, una persona puede permanecer en su casa o ir a un centro de asistencia. Para calificar, uno todavía debe cumplir con los requisitos para un hogar de ancianos.

Tenga en cuenta que Medicaid no paga el costo total de la atención. Esto se basa en sus ingresos.

Consejeros pueden ayudarle a recibir los servicios que le corresponde.

Para más información, llame al 1-877-455-7587. Un especialista en Medicaid puede asesorarlo para que usted pueda calificar y recibir los servicios del Medicaid. •
