CAST

QUINN ADAMS, he/him

Raised in Willow Grove, NB Quinn discovered his love for acting in fifth grade when a teacher encouraged him to try reader's theatre.

Favourite roles include: Seymour in his high school's production of *Little Shop of Horrors* (2016), various roles (and a writer for) the *Loyalist Burial Ground Project* with the Atlantic Repertory Company (2022).

"This course has helped me get out of my own head, allowing me to "play" more during rehearsals and make choices that I normally would've been too scared to try."

TINA ARSENEAU, she/her

Born in Sarnia, Tina has considered Saint John her home since she moved here as a child. In school, Tina discovered her love of the Theatre while performing in, "The Diary of Anne Frank," & "I Remember Mama."

Now retired, & with three published novels, Tina is returning to her first love, the Theatre. *You can find Tina's published works at The Write Cup!*

"In the Scene Study workshops, I have learned to, once again, trust my own instincts, and to have trust in my scene partner - that we are a team working together to create a memorable moment in time."

HANNAH CROTHERS, she/her

Hannah is an actor and playwright based in Saint John, New Brunswick. Her stage credits include performances in *Saint Joan*, *Macbeth*, *Miracle on 34th Street*, and numerous other productions.

Hannah explores storytelling from both sides of the stage, crafting narratives and bringing characters to life.

"Scene Study has reshaped how I view the creative process. It's allowed me freedom in creation and enhanced my collaboration. These classes have been a life changing experience for me."

CAST
