# Manchester 2020 16th IGAC Science Conference

## SPONSORSHIP AND EXHIBITOR INFORMATION

The IGAC 2020 Science Conference is a high profile event that will attract approximately 600 top international scientists, industry leaders, early career scientists from around the world, and representatives from all of the major U.S. funding agencies. The program will include cutting edge results from international atmospheric chemistry research activities. IGAC's Science Conference is the primary mechanism for IGAC to build cooperation and disseminate scientific information across its international community.

By sponsoring conference events and costs, you acknowledge the vital need to promote international collaborations and build the scientific knowledge required to respond effectively to the challenges and opportunities of global change and sustainability, and you are demonstrating your willingness to support the IGAC science community.

Below is a list of our various conference packages. We are also happy to tailor a package to your requirements. Please contact us for more information at [igac2020@manchester.ac.uk](mailto:igac2020@manchester.ac.uk)

## THEMED PACKAGES

**SOCIAL** (sole sponsorship of icebreaker) 1 @ £10,000

**ENERGISE** (sponsor a poster session food and drink) 2 @ £3,000

**HYDRATE** (logo on branded water bottles) 1 @ £6,000

**RECOGNISE** (logo on branded lanyards) 1 @ £2,000

## EARLY CAREER PACKAGES

IGAC has always been a conference which supports and encourages the development of early career researchers (ECR). We are developing an early career programme which complements the schedule of the conference and aims to connect ECR with one another, academics, industry and those involved in policy/NGOs while also providing a platform to equip ECRs with skills to succeed.

The programme will be centred on the key themes of Networking, Skills, Careers and Wellbeing. Alongside tailored early careers events and excursions, we are planning to provide a lounge area where ECRs are able to relax or work, at any time during the conference.

<b>MIXER</b>	<b>2@ £6,000</b>
<b>EARLY CAREERS LOUNGE</b>	<b>1@ £5,000</b>
<b>EXCURSIONS x3</b>	<b>3@ £3,000</b>
<b>CONTRIBUTION ONLY</b>	<b>£500 +</b>

Contributions will support a whole host of activities fitting with the themes of the early career programme, such as an early careers – established scientists mixer, wellbeing workshops and sports activities alongside a range of skills based sessions on topics such as leadership, communication and careers.

## Opportunities for Exhibitors

The Exhibitor Package consists of a 3m x 2m defined space, together with a 6ft trestle table, 1 white cloth, 2 chairs and 1 13amp power socket and 1 delegate package. Wifi access is also included for which a unique login will be provided. Exhibitor passes do not include access to the main scientific programme in the lecture theatre.

Exhibitor packages are priced at £2,500 + VAT per stall.

**For further information, or to request a sponsorship or exhibitor registration form please email Julie Samson at [igac2020@manchester.ac.uk](mailto:igac2020@manchester.ac.uk)**
