

DECEMBER 26, 2025

Dear Faithful Friends, Intercessors, Partners, and Kingdom Warriors,

I write to you with a heart overflowing with gratitude, humility, and deep reverence for the faithfulness of our God. This letter is a **thank-you**, a **testimony**, and a clear **marker of transition** into the next phase of Kingdom assignment.

Throughout **2025**, many of you stood with me in prayer—some quietly, some persistently, some contending in the Spirit when the battle was unseen by natural eyes. I want to say this plainly and without hesitation: **your prayers mattered**. Heaven heard. Heaven recorded. And heaven responded.

In **January of 2025**, I was diagnosed with **oral cancer**. From the very beginning, it was evident this was not merely a medical issue—it was a spiritual confrontation against assignment, timing, and Kingdom purpose. Many of you immediately took your place on the wall, praying, decreeing, and demanding that what did not belong to the enemy be released.

On **April 24, 2025**, I declared to my pastor—and before the Lord—that **the seed of healing had been planted**. I knew by faith that the Word of God had been activated and legally released, and that the healing would manifest according to **God's perfect order and timing**, not fear, not pressure, and not man's calendar. From that moment forward, I stood in confidence, trusting the process of God.

Then came a critical moment of confrontation.

On **August 6, 2025**, I nearly bled to death. The intensity of that day cannot be overstated. But on **August 7, 2025**, I made a decisive, authoritative declaration—what I can only describe as **an execution date against the enemy**. It was a legal, spiritual decree that his assignment was terminated, his authority revoked, and his access denied.

What followed was unmistakably the hand of God.

**Thirteen days later**, the tumor was **completely gone**.

There was no remaining cancer—**only a scar**, not as a reminder of defeat, but as a testimony of victory.

By **August 21, 2025**, the healing was fully evident. What could not be explained naturally was resolved supernaturally. **The Kingdom of God rendered its verdict, and heaven enforced it on earth.**

This victory does not belong to me alone.

It belongs to **every intercessor who prayed**, every watchman who refused to relent, every believer who spoke life, and every man and woman who demanded—by faith—that the enemy be removed. You helped enforce heaven’s ruling. You stood in the gap until breakthrough came.

I must also pause and offer a deeply personal expression of gratitude for **my wonderful and loving wife, Donna**. For more than **50 years as a trained nurse**, she has carried both skill and compassion—and throughout this entire season, she stood unwaveringly in the gap for me. Through long nights, exhausting days, countless hospital visits, doctor appointments, and moments of uncertainty, she tended to me with extraordinary care, patience, strength, and love.

She was not only a caregiver—she was a **true partner**, a devoted wife, and my **best friend** in every sense of the word. Her faith never wavered, her presence never faltered, and her love reflected the very heart of Christ. I cannot adequately express what her steadfast support has meant to me. God used her hands, her wisdom, and her heart as an instrument of grace and healing in this journey.

I also want to offer a **deep, heartfelt thank-you** to all who have faithfully supported this work through **tithes, offerings, and sacrificial giving**. Your generosity is not unseen, unrecorded, or unvalued. It has sustained the assignment, strengthened the mission, and enabled Kingdom work to advance even in the midst of intense battle.

Your giving is more than financial—it is **spiritual partnership**. It reflects a shared passion to see the **Kingdom of God made manifest in this dimension**, beginning in **Houston, Texas**, and extending outward to cities, regions, and nations. Because of your faithfulness, the work has not stopped, the vision has not diminished, and the mandate has not been delayed.

Now I want to share what this season of victory has produced.

On **December 5, 2025—my birthday**—another milestone was reached. On that day, **Throne Room Approved** officially launched on the **X social media platform** under the handle **@TRApproved**. This was not a casual step into social media; it was a **strategic Kingdom deployment**.

**Throne Room Approved** is being established as a **digital truth forum**—a place of Kingdom training, biblical clarity, and uncompromised truth for men and women across the world. In an age of confusion and compromise, God is raising platforms that speak **truth without mixture** and **Kingdom without dilution**.

The early results have been strong and confirming. Engagement has been meaningful, hunger is evident, and the reach is already expanding. And I say this with confidence: **this is only the beginning**. From its inception on the internet, this platform will continue to grow steadily, purposefully, and globally.

This digital assignment now runs alongside the ongoing mandate for **revival and Kingdom advancement in Houston, Texas**. Together, they represent a unified focus:

- Local revival with global consequence
- Digital training with eternal impact
- Truth released to nations while fire falls in cities

Let us reach the world with the Kingdom message.

Let us train men and women to think, speak, and act as citizens of heaven.

Let us establish truth where confusion has ruled.

This healing was not merely restoration—it was **preparation**. God has confirmed the assignment, strengthened the vessel, and cleared the path forward.

Thank you for praying.

Thank you for giving.

Thank you for standing firm and demanding that the enemy be gone.

May the same God who answered on my behalf answer powerfully on yours—and may we continue together, advancing His Kingdom until the knowledge of His glory fills the earth.

With deep gratitude, renewed strength, and unwavering Kingdom resolve,

**Ambassador Bob Milam**
